

ECCC- Media Guidance for Pre-Trial Hearing: 20 November 2007

Press Room

The ECCC will provide a press room at the front of the court building to assist media. The pressroom will provide a check-in service for telephones, recording equipment and large bags. A computer station with an internet connection will be available on a first come first serve basis. Audio and Video feeds of the court proceedings will be provided at this location. *All media attending the hearing are kindly requested to fill out the accreditation form attached to this email.*

Print Media

Print media should be in their allocated seats prior to 1000. No cameras, cell phones or recording devices will be permitted in the court. Cell phones can be checked in the press room located at the front of the court room prior to the beginning of the proceedings.

Photography

The first 5 minutes of the hearing will be set aside for media photographers. At the conclusion of the photo session all cameras must be removed from the court room. Media with reserved seats can then leave their cameras in the press-room located at the front of the court. Those without assigned seating must leave the ECCC facilities. *Those members of the media interested in taking part in the photo opportunity should make a request **no later than 16 November 2007**. All others will be required to check their cameras prior to entering the court room.*

Audio

Audio feeds of the proceeding will be provided to media though a **PHONO** connection. This feed can be accessed in the press room located at the front of the court building using one of 24 audio connections. Feeds in English, French and Khmer will be provided. Additional audio hookups are possible from a recorder to recorder if the required cables are brought by the users. No audio recording will be permitted inside the courtroom. *Those members of the media interested in accessing the audio feed should make a request, indicating the language of preference, **no later than 16 November 2007**.*

Video

Video feeds of the proceedings will be provided though a **PHONO** connection. This feed can be accessed in the press room located at the front of the court building using one of 23 output connections. Additional audio hookups are possible from a recorder to recorder if the required cables are brought by the users. No video recording will be allowed inside the court room. *Those members of the media interested in accessing the video feed should make a request, indicating the language of preference, **no later than 16 November 2007**.*

Stand-Up Locations

Two locations have been allocated outside the court building for use in video 'stand-ups'. One is located at the front of the court with a view of the buildings and official flags, the other is located near the Court's guardian spirit statue. No other locations for stand-ups will be permitted. *Those members of the media interesting in booking time in the stand-up locations should send a request **no later than 16 November 2007**.*
