

VSR WORKING GROUP
MINUTES OF MEETING OF MAY 18, 2023 - FINAL

1. Minea welcomed everyone to the meeting and noted that Bunthea would be the next Chair of the VSR working group.

2. Minutes of the Meeting of April 27, 2023

Vannak provided corrections to item 4 of the draft minutes noting that YDRP and the Bophana Center also had yet to submit their chart of current projects.

3. Presentation on Global Survivor Fund program in Asia – Laetitia Bonnet

Ms. Laetitia Bonnet gave a presentation on this program which focuses on sexual violence and access to reparations. The program has three objectives, to act, advocate, and guide. She noted that there is a strong link between past historic events and current gender-based violence. Following the presentation Minea and Vannak provided their comments and insights.

4. OCP plan to add names to list of victims at S-21

The Committee agreed that this project is worthwhile and fits within the parameters of the work to be done during the residual phase. It provided the following comments on the proposal:

- a. It would be useful to consult with victims and family members and to have them use the database to suggest improvements;
- b. It would be helpful to allow for fuzzy searches;
- c. It would be helpful to provide a note for users of the database on how to effectively search for names.

Motion: The Victims and Survivors' Working Group supports the Office of the Co-Prosecutors' project proposal to create a more comprehensive list of victims at S-21. Given that family members are still searching for lost relatives, this project is of great significance. Also, by creating a more comprehensive, searchable database, it would provide important information for academics and the public.

Moved by TIM Minea, seconded by Falguni DEBNATH, approved unanimously.

5. USIP call for proposals

Minea reminded the members that they can still submit proposals before the deadline of June 14.

6. Follow up with ECCC Bus project

Falguni stated that Milan has advised that the bus was still being refurbished and that the original time for using the bus of April 1 had been delayed.

7. Next Meeting: Thursday, June 22nd, 2:00 – 4:00 p.m.
