Investigation No: 001/18-07-2007-ECCC/OCIJ

Subject: Request to delay the meeting of Pastor Lapel with Mr. Kaing

Respected Co-Investigating Judges

In his letter dated 29 May 2008, Pastor Lapel requested authorization from the Co-Investigating Judges to meet Mr. Kaing Guek Eav at the Detention Center on 27 or 29 June.

The Co-Investigating Judges authorized this meeting to be on 27 June (Reference A 100).

However, Mr. Bernard Mangiante, the producer of a documentary film on Duch, and the Defense Team have informed us that they intend to film the documentary at the Detention Center on 26 and 27 June.

Also, since Mr. **Roux** will be present at the court that day, he wishes to take that opportunity to meet and work with Mr. Kaing.

For these reasons, we wish to request the Co-Investigating Judges to kindly authorize the delay of Mr. Pasteur Lapel's meeting until Sunday, 29 June.

May the Co-Investigating Judges kindly accept our highest respects.
