I refer to the Co-Investigating Judges' Order on Translation Rights and Obligations of the Parties, dated 19 June 2008 ('the Translation Order'), and the Court Management Section (CMS) Translation Table filed on 25 August 2008.

CMS hereby submits an updated Translation Table, as mentioned in my letter dated 25 August 2008. Following the same approach as with the last Translation Table, we have structured the attached table as follows:

- Section A: translation requests with estimated completion dates on or before 31 December 2008
- Section B: all other pending translation requests.

As the resources of the Interpretation and Translation Pool continue to increase with utilisation of outsourcing arrangements to clear large numbers of outstanding translations, we remain open to the parties for any additional requests, or prioritisation of existing requests.

Yours sincerely,

Tony Kranh

Chief of the Court Management Section
