To Beloved Comrade Duch

1. Paper must be saved, however, more importantly attention must be paid to the content.
The confessions must be thorough and responsible.
Scribbling or guesswork cannot be accepted.
2. For the important group, the method must be the following:
 1. Ask them to write; or
 2. Tape the confession and transcribe it.
 The experience shows that taping takes less time than writing. For the less important group, confession records may be sufficient. Some in the less important group simply implicate anything. Must be careful with them.
3. However, each confession must be examined thoroughly as they attack us in some confessions. Some of them attack us intentionally. Some are scared and simply say anything. Therefore, you must make extremely thorough examination.

With the greatest revolutionary fraternity.
