

To beloved 870 Committee

I would like to submit the confessions of the following people:

- 1. SĀN Eap (សាន់ អ៊ាប) alias Khon (ខុន), Commerce 103 in Phnom Penh
- 2. Saey (សើយ) alias Phâng, security guard of 103

to the committee for review and to be served as a document for searching for the string of traitors who burrow from within.

I wish the committee have abundantly good health,
