## Confirmation Letter

I am Kong Ngoeun, 56, currently living in Thnong Roleung village, Leay Baur commune, Tram Kakk district, Takeo province. Currently, I am Thnong Roleung village chief.

I want to clarify that the photo which I see is the exact photo of Saing Kim Lieng, Him Mom's brother, my neighbour.

Saing Kim Lieng and I grew up together in Thnong Roleung village and knew each other before the separation. I had known him for 20 years since childhood. And after seeing the photo which the Documentation Center of Cambodia (DC-Cam) staff showed to me, I am absolutely certain that it is a photo of Saing Kim Lieng.
