[12] Report to Angkar

After subsequent education of the Party Angkar, , I would like to report my traitorous activities with total candor to the Party as follows:

- I joined the Revolution in 1962 through SÂM Kheang Chuon (សម ហាងជួន) alias Tim (ទឹម). In 1963, he, SÂM Tim (សម ទឹម) introduced me to the Party during which introduction, Comrade SĂK Sam At (Pir) (សាក់ សំអាត) (ពីរ) alias Vèn (វ៉ែន) and Comrade LĒNG Bun Song (ឡេង ប៉ុនសុង), were the witnesses.
- During the years of 1962 and 1963, I was not influenced by traitorousness, nor did I carry out any acts of betrayal yet, until 1964 when I frequently worked with A traitor Khuon; and A Khuon kept trying to win over my affection. In this year 1964, A Khuon educated me on his traitorous scheme; and, on his instruction, I agreed to join the Free Khmer People's Organization.

My account that A Traitor educated me to serve this Free Khmer People's Organization is as follows:

From the first time I met him and grew to know him, I was greatly influenced by him. I saw his revolutionary leadership, his political character, and so on, so that he convinced me to participate with him in his activities.
