The Responses of MEAK Touch (ម៉ាក តូច) alias KÈM Touk (កែម តូក), Kampuchean

Ambassador to Laos

About personal history of
traitorous activities

[Annotation in red:

Dear *Brother*,

He has carried out two activities in Laos as follows:

1. **With the capitalists: he contacted the HCR and met IN Tam (អ៊ិន តាំ), and they decided to send the Khmer immigrants in Laos to Thailand to be indoctrinated to absolutely oppose the Revolution.**

The HCR is part of the United Nations. HCR stands for the High Commissioner for Refugees.

2. **With the Yuon: he worked closely with the Yuon ambassador, DĨNH Youliem (ឌីញ យូលៀម) and Laotian Minister of Foreign Affairs, PHOUN Siphaseut (ហ្វួន ស៊ីផាស៊ីត), on the Indochina Federation strategy. The Yuon also needed to use some Khmer immigrants in Laos.**

He has written his activities in Laos from page 37 onwards.

Respectfully!
