Report

Subject: Request to report to Brother on the General Situation in Division 450, obtained from going to work with Brother Suong (ស្ប៉ុង) and Brother Yan (យ៉ាន).

There are two requests:

- I. Proposal to remove Comrade Lum (លុំ) from the unit:
  1. Because in the past Comrade Lum's biography has not been able to be grasped.
  2. He had been dissatisfied with the Division and has been attacking the Division from behind the back. While doing the division revolutionary lifestyle, he used collective issues to help him to speak in attacking, etc.
  3. His past contacts have mostly been with liberals and with any comrade whose activities have been no good.
  4. In the division's work, he wanted to control that work, and he has had frequent disagreements with his wife. He has also had disagreements with the entire division, especially the regiments(s). He has been dissatisfied inside the Division Office.
  5. Lum's father was a friend of Chhou (ឈូ) in the past. He has gone to visit Chhou as well. His uncle KÈV Sânnang (កែវ សំណាង) is a member of the Zone Committee.
  6. In the past Comrade Lum has written letters to Comrade Nai (ណៃ), Regiment 448, and has asked Angkar to go stay with Comrade Nai's unit.
  7. He has trained others to not speak about the petty bourgeoisie, because Angkar has used the petty bourgeoisie too. As for the brothers and sisters who study and who are involved, he has had them not speak about that.
  
- II. Propose that Angkar appoint staff assistant:

- The battalions have no activities. So then, remove [a cadre] from Regimental Logistics to go be a political staff assistant.
- The comrade intended to become a staff assistant: Han (ໄຟໂຮ), Regimental Logistics. He has a good biography and has a complete grasp. He has no entanglements. Therefore, we request Angkar's opinions.
- Request to have him/them to work, as in the past there have been many difficulties. These are the opinions of Brother Suong and Brother Yan reported as proposals for Upper Level Angkar. Request Angkar's opinions.

Revolutionary fraternity,
