Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 PROCEEDINGS
- 2 (Court opens at 0901H)
- 3 MR. PRESIDENT:
- 4 Today the Trial Chamber of the Extraordinary Chambers in the
- 5 Courts of Cambodia sits with the composition of the following
- 6 Judges on the Bench: Judge Nil Nonn, President; Judge Jean-Marc
- 7 Lavergne, Judge Ya Sokhan, Judge Claudia Fenz, Judge You Ottara;
- 8 and two reserve Judges: one, Judge Thou Mony; and two, Judge
- 9 Martin Karopkin. Today Judge Martin Karopkin is busy; he could
- 10 not attend this -- today's hearing this morning.
- 11 The Trial Chamber will briefly recall the procedural history that
- 12 led to today's hearing. The hearings on the substance of Case
- 13 002/02 were originally scheduled to start on 17 October 2014,
- 14 however the Khieu Samphan defence announced it would not
- 15 participate to the proceedings in Case 002/02 until after it
- 16 filed its Appeal brief against Case 002/001.
- 17 The Trial Chamber attempted to commence the hearings on 17 and 24
- 18 November, but on both occasions, National and International
- 19 Co-Counsel for Mr. Khieu Samphan failed to appear in Court.
- 20 After several failed attempts at finding a workable compromise
- 21 with the Khieu Samphan defence that would allow the hearing in
- 22 Case 002/02 to start, the Trial Chamber was left with no choice
- 23 but to adjourn until today, the 8th of January 2015. This
- 24 decision was based in part on the Khieu Samphan defence statement
- 25 that it would be able to resume participation in Case 002/02 once

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 it had filed its Appeal brief against Case 002/001 on 29 December
- 2 2014. Regretfully, 25 trial days over the course of 10 weeks have
- 3 been lost. During this time, the Trial Chamber took several steps
- 4 addressing the conduct of National and International Counsel for
- 5 Khieu Samphan.
- 6 [09.05.29]
- 7 In particular, in order to protect the proceedings against
- 8 possible future obstruction and ensure that Case 002/02 moves
- 9 forward fairly and expeditiously, on the 5th of December, the
- 10 Trial Chamber ordered the Defence Support Section to appoint
- 11 National and International court-appointed standby counsel. The
- 12 role of the standby counsel will be to prepare and maintain
- 13 capacity to take over the defence of Khieu Samphan at any time
- 14 this Chamber should determine necessary to replace current
- 15 counsel. The Chamber notes that on 7 January 2015, the Defence
- 16 Support Section appointed Ms. Tuoch Vorleak and Mr. Calvin
- 17 Saunders as National and International standby counsel and that
- 18 the oath taking ceremony as a lawyer member of the Cambodian Bar
- 19 Association for the International standby counsel took place on
- 20 the 5th of January 2015.
- 21 [09.06.50]
- 22 The Trial Chamber recalls that on 19 December 2014, it also
- 23 issued an order referring the misconduct of National and
- 24 International counsels for Khieu Samphan to respective and
- 25 appropriate professional bodies pursuant to Internal Rule 38.2

- 1 with a view to seizing their respective disciplinary boards. The
- 2 Trial Chamber also notes that in its scheduling order of 17
- 3 December 2014, it decided to maintain a sitting schedule of three
- 4 days per week until a new assessment of the Accused's fitness to
- 5 stand trial is completed. Accordingly, on December -- 18 December
- 6 2014, the Trial Chamber ordered an the assessment of the expert
- 7 to assess the Accused witness to stand trial and it will begin on
- 8 the 19 of January 2015.
- 9 Greffier, Se Kolvuthy, please report to the Chamber the
- 10 attendance of the parties to today's proceedings.
- 11 [09.08.17]
- 12 THE GREFFIER:
- 13 Mr. President, for today's hearing it is noted that all parties
- 14 to the proceedings are present. Please note that the presence of
- 15 Tuoch Vorleak and Mr. Calvin Saunders, the court-appointed
- 16 standby counsel for Khieu Samphan.
- 17 The witness for testimony today is witness 2-TCW-936, is present
- 18 in his room and is ready to be called in and he confirmed that,
- 19 to his knowledge, he has no relationship to any of the two
- 20 accused, Nuon Chea and Khieu Samphan, or to any other civil
- 21 parties recognised before the Trial Chamber in Case 002/02, and
- 22 they took an oath before the Iron Statue on the 17 of November
- 23 2014. And this witness has no counselling -- counsel.
- 24 Another reserve witness TCCP -- 2-TCCP-296 is also present in the
- 25 room and is ready to be called by the Chamber. Thank you.

- 1 [09.09.38]
- 2 MR. PRESIDENT:
- 3 Thank you, greffier.
- 4 Now, I declare the adversarial hearing in Case 002/02 open. The
- 5 Chamber wishes to advise the parties and members of the public --
- 6 I saw you on your feet. You may proceed, Counsel.
- 7 MS. GUISSÉ:
- 8 Yes, thank you, Mr. President. Good morning to all of the people
- 9 here present today. I believe that given the logistical problems
- 10 this morning, it is necessary for us to speak briefly. I heard
- 11 the reminder of the proceedings by the President and we are here,
- 12 as we said a while ago. That is to say that once Mr. Khieu
- 13 Samphan's rights were abided by in the filing of his Appeal
- 14 brief, there was no obstacle for us coming today.
- 15 And I noted the Chamber's decision to appoint duty lawyers or
- 16 standby lawyers and I must say that I am rather surprised to see
- 17 how the Chamber is imposing the presence of these lawyers and I
- 18 wish to say in a very solemn way, I have, of course, no personal
- 19 problems with them, but still, today, I am being faced with the
- 20 presence of two lawyers that's been imposed upon me. Of course
- 21 they have been nominated by the Chamber, but they have no
- 22 procedural role in so far that Mr. Khieu Samphan is represented
- 23 by his normal counsel, the counsel he has chosen, the counsel who
- 24 until now were always working for his best interests. And these
- 25 lawyers who are present here today, here on the first row here,

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 which explains why this is -- it's a bit tight here and we do not
- 2 have all of the equipment necessary, these lawyers are present
- 3 here in the courtroom, and I regret to say so, not because the
- 4 Chamber is afraid Mr. Khieu Samphan will not be represented,
- 5 because he is actually represented by us.
- 6 [09.11.59]
- 7 But if indeed we had substitute lawyers, and let me use a
- 8 metaphor from the sports world, when we have replacement players,
- 9 substitute players, on the field, who -- they normally are
- 10 sitting in the back waiting for the situation to come up when
- 11 they will be necessary. The reason why, in complete violation of
- 12 the most basic rules of confidentiality, because here, at the
- 13 defence, sometimes we of course communicate with our clients and
- 14 with the other lawyers, and we speak about confidential elements.
- 15 [09.12.37]
- 16 But the only reason we see today the presence of these two
- 17 lawyers -- once again I'm sure they are very professional --
- 18 that's not what I'm questioning, but their mere presence in the
- 19 courtroom is absolutely not necessary, absolutely not compulsory,
- 20 and if once again, the aim of the Chamber was to make sure that
- 21 Khieu Samphan's defence would continue in a normal way, and it's
- 22 not being jeopardised, as I like to remind you, but if the point
- 23 was to ensure this continuity, well, these lawyers could have
- 24 simply read the transcripts. And today what I note is that we --
- 25 they are putting pressure on Mr. Khieu Samphan, pressure which I

1 suppose is maybe something a bit of a threat to us, and it seems

- 2 the Chamber has not appreciated our positions. But in any case,
- 3 the presence, the physical presence of these lawyers in the
- 4 courtroom is not necessary as long as Mr. Khieu Samphan is
- 5 represented. And if the Chamber had to judge their presence
- 6 neighbour and having them here occupy seats which were original
- 7 given to Nuon Chea and which makes it -- for us a bit
- 8 uncomfortable, I think that this is something that is a bit
- 9 derogatory. Nobody of course can be deceived in this way. This is
- 10 a very sad message that the Chamber is giving in a general way to
- 11 the defence, and generally speaking to what international
- 12 criminal justice is supposed to stand for. And the Chamber is
- 13 also sending off a message which is far from being a guarantee of
- 14 the impartiality of a trial, and of the possibility of Mr. Khieu
- 15 Samphan to ensure his defence in serene conditions, because he is
- 16 being pressured. The defence's vocation is not to have, is not to
- 17 not shake things up; the aim of the defence is to fight tooth and
- 18 nail to defend its clients.
- 19 [09.14.52]
- 20 And I understand that the -- I should say that as of 6 January
- 21 2015, we, Arthur Vercken and myself, we have spoken with the
- 22 Paris Bar to see how we are going to organise ourselves because
- 23 we wish, of course, to present our case, because, of course, our
- 24 client is being tried and on 6 January 2005, the Paris Bar has
- 25 still not yet been seized, and I find that absolutely

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 regrettable. I don't know what the problem is, but maybe in terms
- 2 of professional ethics, we should get some clarification on this,
- 3 because we are being accused of misconduct.
- 4 [09.15.41]
- 5 And I'd like to remind you that our -- my colleague, Kong Sam
- 6 Onn, always told us that he is respecting professional ethics,
- 7 and it's by respecting what we believe is the best for our
- 8 clients that we have always been involved in this trial. And I'm
- 9 sorry to see that the trial interprets things -- the Chamber
- 10 interprets things differently. And I think it's important that we
- 11 call upon an outside independent body to clarify the matter. I
- 12 will not of course keep on speaking; I would simply like to tell
- 13 you that this is a sad message that is being given to us today to
- 14 put such pressure on Khieu Samphan and to put such pressure on
- 15 his defence. In any case, we do not take this too lightly and we
- 16 simply would like to continue defending in full independence and
- 17 in full freedom Mr. Khieu Samphan, and we will continue doing so
- 18 until of course we are dismissed. If -- whether this be -- if
- 19 this is indeed the aim of the Chamber. But I would like simply to
- 20 remind you that we have always acted in compliance with our
- 21 professional ethics, and we hope that our respective Bars can
- 22 rule on this matter as soon as possible so that things are
- 23 perfectly clear.
- 24 [09.17.05]
- 25 Now, once again, the appointed duty, because they are not yet --

- 1 have not been -- if the Chamber believes that they must do this
- 2 job in a parallel manner, I think that this is completely
- 3 useless, but of course the Chamber is free to decide. But in any
- 4 case, imposing in these conditions on the first row, whereas the
- 5 team has not yet the opportunity to speak, it's a very poor
- 6 message that the Chamber is sending to the Defence and to --
- 7 MR. PRESIDENT:
- 8 Counsel state that you don't want the public and other parties
- 9 understand that you delay the proceedings. You mentioned two or
- 10 three times. Could you be brief so that the Chamber and other
- 11 parties and the Judges understand, because we acted on that in
- 12 our Ruling.
- 13 [09.18.25]
- 14 So when you have an occasion to speak, so please speak more
- 15 slowly so that the interpretation can do good job and for proper
- 16 record.
- 17 MS. GUISSÉ:
- 18 I will pay attention to this of course, and I will not speak for
- 19 too much longer. But I simply want to say that we are going to
- 20 defend Mr. Khieu Samphan in a fully independent manner and this
- 21 was simply the point I wanted to raise at the beginning of this
- 22 hearing. Of course I am not very hopeful, but I am simply asking
- 23 the Chamber to reconsider its decision to impose the presence of
- 24 lawyers who, for the moment, have no procedural role to play in
- 25 this Trial.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 MR. PRESIDENT:
- 2 Thank you. Counsel Kong Sam Onn, you can -- you may proceed but
- 3 please briefly address the Court, because we have everything in
- 4 the written documents.
- 5 [09.19.32]
- 6 MR. KONG SAM ONN:
- 7 Mr. President, Your Honours, all parties, and members of the
- 8 public, and all people in and around the courtroom, first of all
- 9 I would like to make a remark on the presence of the
- 10 court-appointed standby counsel. The purpose is to defend the
- 11 interests of the Accused, Khieu Samphan, this is the main
- 12 purpose. I think this is a good idea by the Trial Chamber, but
- 13 they will also (unintelligible) point for us. So, the counsel for
- 14 Mr. Khieu Samphan should be highly qualified and there shall be
- 15 good cooperation by Mr. Khieu Samphan for the counsel. But in
- 16 fact the appointment of the standby counsel is contrary to the
- 17 professional career and the independence of the defence counsels
- 18 because the standby counsel will follow the instruction or the
- 19 advice by the Trial Chamber. And <this raises> another question
- 20 <, whether> the Chamber <is, as just stated, now> preparing <its
- 21 paperwork to be sent to> the <relevant bar associations> to
- 22 review our conduct here, <etc. However, > so far those competent
- 23 bodies <have> not decided <whether> we <have committed> any
- 24 misconduct <. The> Trial Chamber <has considered> that we <have
- 25 committed acts of professional> misconduct and this adversely

- 1 affects the exercise of <our rights and our capacity to defend>
- 2 Mr. Khieu Samphan <efficiently, > because the presence of the
- 3 standby counsel may interfere <with> our defence.
- 4 [09.22.28]
- 5 In relation to the disciplinary action, in the case where the
- 6 Cambodian Bar Association, especially in my case, if the Bar
- 7 Association did not find any misconduct on my part, so what will
- 8 happen to the appointment of the standby counsel here? It can be
- 9 seen that this is a pressure put on the Defence Counsel for Mr.
- 10 Khieu Samphan. It is a great pressure on us. It does not mean
- 11 that it ensure the right of Mr. Khieu Samphan to defence, because
- 12 Khieu Samphan himself indicated clearly that he will continue to
- 13 receive the service from his counsel of his own choosing.
- 14 In the case where the Cambodian Bar Association found that we
- 15 committed a misconduct, so there will be a warning -- written
- 16 warning or suspension of my practice or disbar myself from the
- 17 Association, but we cannot anticipate anything before the Bar
- 18 Association issue any decision, so I don't think -- we can
- 19 continue to defend and represent our clients in the Court unless
- 20 we are disbarred from the Bar Association. So, I would like to
- 21 request that the Trial Chamber review the decision on the
- 22 appointment of the standby counsel because this is infringe or
- 23 affect the right of the Defence Counsel to defend our client.
- 24 Thank you.
- 25 [09.24.36]

- 1 MR. PRESIDENT:
- 2 Defence counsel for Mr. Nuon Chea, you may proceed.
- 3 MR. SUON VISAL:
- 4 Counsel, Mr. President, I don't have any further remark to make,
- 5 but I have to share my legal opinion to have the standby counsel
- 6 to be present, because I don't think they are the Defence Counsel
- 7 here. So they will not have any role which is the same as the
- 8 Defence Counsel. I request that the Trial Chamber consider this
- 9 matter again. The second point is that their presence in this
- 10 courtroom when they don't have the role to defend our (sic)
- 11 client, their presence in the courtroom is not necessary. So, as
- 12 they are called standby, they are sitting here next to us, the
- 13 public may confuse that they are also the Defence Counsel but in
- 14 fact they are just standby counsel, appointed by the Court and
- 15 the client has not chosen them to represent him. So, this is
- 16 under our national law and also in international law. So, if they
- 17 are sitting here in the same room, so it will affect the
- 18 confidentiality of each team. And then we are not feel
- 19 comfortable that we will discuss any confidential matter here. So
- 20 I would like the Court to reconsider this matter again. Thank
- 21 you.
- 22 [09.26.39]
- 23 MR. KOPPE:
- 24 Thank you, Mr. President. Good morning, Your Honours. Good
- 25 morning, Counsel.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 Mr. President, we were rather surprised, I have to say, with the
- 2 email that we received yesterday from the Senior Legal Officer
- 3 about the seating arrangements today. Now, maybe to the public it
- 4 might seem a trivial matter, who is sitting where, however we do
- 5 not consider this to be a trivial matter. The fact that these
- 6 standby counsel for Khieu Samphan are sitting in the first row on
- 7 the side of the Defence, taking our places, we consider nothing
- 8 less to be an insult to us, an insult to Khieu Samphan, insult to
- 9 our client and an insult to the defence teams. We really see no
- 10 point why these counsel, who we consider modern day equivalents
- 11 of the very honourable lawyer, Hope Stevens, who represented Pol
- 12 Pot and Ieng Sary in the 1979 trial, why they are sitting here.
- 13 They will not address the Court, they are here to follow the
- 14 proceedings, they can do that here, but better they can even do
- 15 it on the other side of the bench.
- 16 [09.28.00]
- 17 I really don't see why there's necessity to interfere in such a
- 18 brutal manner in the seating arrangements which have been going
- 19 on for two years. There's no role for this standby counsel,
- 20 there's particularly no role for this standby counsel in our
- 21 seats. So my request would be to reconsider the decision and
- 22 maybe put them somewhere in the back or maybe have them watch the
- 23 video footage outside, or like I said before, have them sit over
- 24 there. There's no place for them at this side of the courtroom.
- 25 MR. PRESIDENT:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 Mr. Khieu Samphan, you may proceed.
- 2 [09.28.55]
- 3 MR. KHIEU SAMPHAN:
- 4 Thank you, Mr. President. I would like -- Your Honours, and all
- 5 parties in the courtroom and all around the courtroom and
- 6 Cambodian compatriots and venerable monks, as you are all well
- 7 aware that I have the right to a fair trial from a court which is
- 8 impartial, with my defence counsels of my own choice. Now you all
- 9 have seen the real situation. First, I indicated that I have a
- 10 trust in my defence counsels, including Arthur Vercken and Anta
- 11 Guissé, who are International Counsel; and Mr. Kong Sam Onn, who
- 12 is my National Counsel. I know them very well and I trust them
- 13 very much and we work together to prepare an Appeal brief, which,
- 14 I think, this is very good in terms of legal and factual issues.
- 15 We have just finished our Appeal brief and we filed on the 29 of
- 16 December 2014. My Appeal brief indicated directly and precisely
- 17 the errors made by the Trial Chamber.
- 18 In conclusion, my defence counsels indicated very clearly that I
- 19 am very happy with those argument and they are the independent
- 20 counsel and they are not submit to the Trial Chamber. But this
- 21 morning the Trial Chamber have decided the appointment of so
- 22 called standby counsel. This is one of the tricks to prevent from
- 23 to prevent my counsel from performing their career here in a
- 24 full force. So, I think the Trial Chamber made decision on its
- 25 own discretion which is violate or infringe the law. So, I think

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 the Trial Chamber made any effort to move forward even though it
- 2 is a violation of the rule.
- 3 Thank you, Mr. President.
- 4 [09.32.31]
- 5 MR. PRESIDENT:
- 6 Do any other parties would like to make any address to the Court?
- 7 The Prosecution, you may proceed.
- 8 MR. KOUMJIAN:
- 9 Your Honour, I'll be very brief. The reason that we're here
- 10 discussing standby counsel I wish to remind those following -
- 11 is because on the 17th of October, Defence Counsel in this case
- 12 defied the Court and walked out and we've lost two months of
- 13 trial. Witnesses who were summoned to the Court, who were waiting
- 14 to testify, have had to wait for two months. There was a great
- 15 financial loss to the Court; more importantly, justice in this
- 16 case has been delayed for two months.
- 17 Standby counsel has been used in international tribunals and in
- 18 domestic systems to prevent exactly what happened in this case -
- 19 that the Court is held hostage to counsel simply defying the
- 20 orders of the Court. We've heard this morning from Khieu
- 21 Samphan's counsel that they view this as pressure, or a threat.
- 22 The only threat or pressure is that they must obey the orders of
- 23 the Court. Khieu Samphan and Nuon Chea have a right to a fair
- 24 trial. That is, a fair trial according to the Rules of the Court,
- 25 not for them to decide when the Court will have hearings, what

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 the schedule of the Court will be. So I won't take up any more
- 2 time. We think after listening to a half hour of this, it's time
- 3 to begin the evidence in this case.
- 4 [09.34.20]
- 5 MR. PRESIDENT:
- 6 Thank you, Mr. Co-Prosecutor.
- 7 The Co-Lead Lawyer, you may now proceed.
- 8 MR. PICH ANG:
- 9 Mr. President, Your Honours, parties, members of the public in
- 10 and around the courtroom, and those who view from afar view the
- 11 hearing from afar. I -- we do respect the interests and the
- 12 rights of the Accused who have their defence counsel. It is
- 13 necessary that the Accused shall have professional counsel for
- 14 themselves so that the Court proceedings move effectively and
- 15 smoothly, and this is to respect the defence rights of the
- 16 Accused.
- 17 [09.35.20]
- 18 For Lead Co-Lawyers representing civil parties, it is very
- 19 important that the rights of the Accused should not jeopardise
- 20 the Court proceedings and the justice to be sought. So, any
- 21 action which delay the Court proceeding the hearings it will
- 22 affect the civil parties. I have presented this matter repeatedly
- 23 and the Court hearing cannot be delayed, if there is no necessary
- 24 issues to be considered. We understand that victims -- surviving
- victims are at advanced age. To ensure that the Court proceedings

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 move smoothly, I believe that there should be standby counsel to
- 2 defend the interests of the Accused, in case that the Defence
- 3 Counsel for Mr. Khieu Samphan boycotts the proceeding. This is
- 4 very necessary. I understand that a standby counsel is very
- 5 necessary, however it has to be balanced not to affect the
- 6 professional conduct of lawyers. So, I encourage the Chamber to
- 7 also to balance the professional profession of counsel and
- 8 lawyers. And the standby counsel should have enough time to
- 9 consult the case file so that they can replace the current
- 10 counsel for Mr. Khieu Samphan if necessary or in the case that
- 11 the Defence Counsel for Mr. Khieu Samphan boycotts the
- 12 proceeding. And the Defence Counsel for Mr. Khieu Samphan
- 13 mentioned often very often that if the counsel do not have
- 14 the access to the case file or do not have enough time to consult
- 15 the case file, it will affect or jeopardise the rights of the
- 16 Accused, so standby counsel should be entitled to time so that
- 17 they can consult case files and can replace the Defence Counsel
- 18 for Mr. Khieu Samphan in case the current lawyer denies to be
- 19 present before the Chamber.
- 20 [09.38.29]
- 21 In relation to seats occupied by standby counsel, and I heard -
- 22 there is a point mentioned that the standby counsel can have a
- 23 seat anywhere other than the Defence Counsel seats. So we can see
- 24 that now there are there seem to be three teams three defence
- 25 teams. And we it appears that there are there seems to be

- 1 teams Defence Counsel for Mr. Ieng Sary here or Mr. -- Ms. Ieng
- 2 Thirith. So I believe that, originally, we planned that the seats
- 3 should be occupied by four teams of for the Accused but now you
- 4 can see the standby lawyers occupy the seat of the defence
- 5 counsel.
- 6 MR. PRESIDENT:
- 7 I may now give you the floor but you have to be brief.
- 8 [09.39.57]
- 9 MS. GUIRAUD:
- 10 Thank you, Mr. President. I will be, indeed, extremely brief. I'd
- 11 simply like to react to the statement by my learned friend,
- 12 Koppe, when he proposed to the Chamber that the standby counsel
- 13 sit on this side of the courtroom, thereby insinuating that there
- 14 would be an objective alliance between the Chamber, the
- 15 Prosecutors, and the civil parties, and that we would be acting
- 16 together by virtue of a community of interest. I would like to
- 17 clarify for the purposes of this proceeding, for the Court and
- 18 public, that the civil parties are completely independent. And
- 19 let me remind the public, that a solution chosen by the Chamber
- 20 is not the one that we would have wished for, we have supported
- 21 the Co-Prosecutors. But in this case, we are simply taking note
- 22 of a decision which we did not contribute to and I want to say
- 23 so, so that everyone in this courtroom should understand the
- 24 position of each party.
- 25 [09.41.21]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

1	MR.	PRESIDENT	•

- 2 I note the submissions from two defence teams. The Chamber will
- 3 take this issue to be considered and we will issue ruling in due
- 4 course. The Chamber wishes to advise the parties and members of
- 5 the public that the Chamber will start the hearing on the
- 6 substance in Case 002/02 with the factual allegations concerning
- 7 the first phase, namely Tram Kak cooperative, including the
- 8 treatments of Buddhists and the related Krang Ta Chan Security
- 9 Centre. The first witnesses and civil parties to be heard on this
- 10 topic are 2-TCW-936, 2-TCCP-296, 2-TCCP-238, 2-TCW-954 and
- 11 2-TCW-834. The full list has been communicated to the parties on
- 12 17 December 2014, E328.1. The first witness to be heard today is
- 13 witness 2-TCW-936. Before proceeding to the examination on
- 14 witness 2-TCW-936, the Chamber must clarify a procedural issue.
- 15 The Chamber reminds the Accused, Nuon Chea and Khieu Samphan, of
- 16 the following: pursuant to Internal Rule 21.1(d), the Accused has
- 17 the right to remain silent; pursuant to Internal Rule 90, should
- 18 the Accused resolve not to exercise the right to remain silent,
- 19 the bench, Co-Prosecutors, other parties, and defence counsels
- 20 may put questions to the Accused.
- 21 [09.43.56]
- 22 In an email sent to the senior legal officers of the Trial
- 23 Chamber on 30th September 2014, both Nuon Chea and Khieu Samphan
- 24 reaffirmed that they would not respond to any questions. In the
- 25 opening of proceedings in Case 002/02 on 17 October 2014, Nuon

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 Chea stated that he maintained the position to remain silent,
- 2 whereas Khieu Samphan did not make it clear whether he would
- 3 resolve to exercise the right to remain silent. Now, the Chamber
- 4 again asks Mr. Khieu Samphan, do you maintain your position not
- 5 to respond to questions or you have changed your position and
- 6 have reserved your right to respond to questions by the bench and
- 7 other parties?
- 8 Mr. Khieu Samphan, you may now have the floor.
- 9 [09.45.08]
- 10 MR. KHIEU SAMPHAN:
- 11 Thank you, Mr. President. Because there is pressure on my defence
- 12 team as realised by parties and every member of the public, I do
- 13 not have any hope in the Chamber. So I remain I would like to
- 14 exercise my right to remain silent. However, in light of the
- 15 context of Case 002/02, I would like to reserve my right to make
- 16 any statement on my part at any time necessary.
- 17 MR. PRESIDENT:
- 18 Thank you, Mr. Khieu Samphan. Having now ascertained the position
- 19 of both Accused regarding the exercise of the right to remain
- 20 silent, the Chamber notes that it will proceed on the basis that
- 21 they maintain their expressed position unless -- until such time
- 22 as the Chamber is expressly informed otherwise by the Accused or
- 23 their counsels. Therefore, it is incumbent upon them to inform
- 24 the Chamber in a timely and efficient manner, should the Accused
- 25 resolve to waive their right to remain silent and be willing to

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 respond to questions by the bench or relevant parties at any
- 2 stage of the proceedings.
- 3 [09.47.10]
- 4 The next point related relates to the Civil Party Lead
- 5 Co-Lawyer request, notified on 29 December 2014, dated 25
- 6 December 2014. The Lead Co-Lawyers request that a new document be
- 7 placed on the case file and admitted into evidence. The new
- 8 document consists of a map on which boundaries of Trapeang Thum
- 9 Khang Tboung and Angk Ta Saom communes in the Tram Kak district
- 10 have been shaded. In addition, the Lead Co-Lawyers assert that
- 11 the map contains location headers and a legend identifying
- 12 seventeen key locations where 2-TCCP-296 indicates having stayed
- 13 or worked during the Democratic Kampuchea period. The Lead
- 14 Co-Lawyers indicate that map was prepared by the civil parties on
- 15 the basis of 2-TCCP-296 written statements on case file 002 and
- 16 that the map will be verified by the civil party during her
- 17 examination. The Chamber notes that 2-TCCP-296 is likely to be
- 18 heard already tomorrow. On the 5th January 2015, the Khieu
- 19 Samphan defence filed its response objecting to the Civil Party
- 20 Lead Co-Lawyers' request.
- 21 [09.49.09]
- 22 First, the Chamber wishes the Civil Party Lead Co-Lawyers to
- 23 clarify who prepared the map. In the request at paragraph 8, it
- 24 is stated that the map was prepared by the Civil Parties. Is that
- 25 the Civil Party, the Civil Party Lawyer or the Civil Party Lead

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 Co-Lawyers?
- 2 Also, in paragraph 6, your request states that the map identifies
- 3 seventeen locations by location headers and legends where the
- 4 civil party stayed or worked, however only sixteen are listed in
- 5 the legend. Further, while the legend is clear, the locational
- 6 map are not visible. Can you clarify how you intend to identify
- 7 those locations on the map?
- 8 Lead Co-Lawyer, you may now have the floor.
- 9 MR. PICH ANG:
- 10 Mr. President, Your Honours, because we have the presence of the
- 11 civil party lawyer representing the civil party in question, I
- 12 would like now I would like now to ask the President to allow
- 13 the civil party lawyer to address the Court.
- 14 [09.50.53]
- 15 MR. PRESIDENT:
- 16 You may now proceed, Mr. Lawyer.
- 17 MR. LIU:
- 18 Good morning, Mr. President, Your Honours, and everyone in and
- 19 around the courtroom. To explain this map, how it was prepared, I
- 20 have three things to follow to explain to Your Honours and to
- 21 other parties. The first: this is a map that already exists on
- 22 the case file. It's not a map created but a map already on the
- 23 case file. What the section has been helping us to create this
- 24 map, or this new map, let's refer to it as, is the location of
- 25 the places that the civil party has been to, according to her --

22

- 1 VIF -- and other materials on the case file. So that is all
- 2 wording, all the names of the places she has been to, that's
- 3 already on the case file and we put together sorry there's no
- 4 translation, Your Honour? Can you hear me, Your Honour?
- 5 [09.52.14]
- 6 MR. PRESIDENT:
- 7 There was no translation in Khmer a while ago. You may now
- 8 continue.
- 9 MR. LIU:
- 10 Thank you very much, Your Honour. I will start from the
- 11 beginning. So this map was already in the case file, that's what
- 12 I was saying, and this new map was submitted was based on the
- 13 map that is already on the case file. We put the names of the
- 14 places that the civil party has been to, according to her
- 15 statement. Again, that is already on the case file. We're not
- 16 submitting a new evidence at all, but rather, as requested by the
- 17 Chamber for the purpose of efficiency, to put together all the
- 18 information we have on the case file. That's the first point.
- 19 The second on the location yes, I noticed that there were named
- 20 17 on the submission but there were only 16 places. I wish to
- 21 take this opportunity to confirm with Your Honours that we
- 22 submitted 16 places and/or from the declarations or documents
- 23 from the case file, submitted by this particular civil party.
- 24 Now the last point on the location it's impossible what I
- 25 understand from the experts, the specialists on this is it's

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

23

- 1 impossible to locate the villages, so it's not possible to locate
- 2 the villages on the map but, indeed, it's possible to see at the
- 3 commune level. The civil party has been to 16 different places,
- 4 most of them she can identify to the village level, and all of
- 5 them she can identify to the commune level. So we show this map
- 6 to explain where she has been to, even though the village level
- 7 cannot be seen clearly or marked out in the map. Thank you.
- 8 [09.54.28]
- 9 MR. PRESIDENT:
- 10 Judge Fenz, you may now proceed.
- 11 JUDGE FENZ:
- 12 I would just ask for a clarification. On the basis of the map
- 13 that was already in the case file and the statement, was it you,
- 14 counsel, who prepared this new map? Or did you sit together with
- 15 your client and do it or what exactly was the process?
- 16 [09.54.53]
- 17 MR. LIU:
- 18 Thank you, Your Honour, for your question. The process is: I read
- 19 through all the materials with my assistant and take them out -
- 20 the name of the places and then I give to the expert in the
- 21 section who knows how to put the names into the map and possibly
- 22 the location. So I confirm the name of the places with the civil
- 23 parties, but not the map. That's why I think it's essential to
- 24 introduce this map during the hearings where she can have a
- 25 chance to say that if she has been to those places as indicated

- on this map. Thank you. I shall remain at your disposal Your
- 2 Honours, if you have further questions.
- 3 MR. PRESIDENT:
- 4 Mr. Koppe, you may now have the floor.
- 5 [09.56.02]
- 6 MR. KOPPE:
- 7 Thank you, Your Honour. I have just a brief follow-up question to
- 8 the civil party lawyer because I'm not clear on the answer. Has
- 9 the civil party who is going to testify actually seen this map -
- 10 pointed out things on the map? Or is it just a confirmation of
- 11 the place names? So my question is: Has she seen the actual map?
- 12 MR. LIU:
- 13 Your Honour, I was just checking with my Lead Co-Lawyer whether I
- 14 should answer this question directly, or should I waiting (sic)
- 15 your confirmation to answer this question. What I understand is,
- 16 I should answer the question directly to my learned friends. So,
- 17 after this map was produced, the civil party does not have a
- 18 chance to sit with me to point out these places with her. What I
- 19 understand is, she cannot see clearly the village level on the
- 20 map so I didn't pursue that to work together with her on this
- 21 map. I hope that answered the question.
- 22 [09.57.44]
- 23 MR. PRESIDENT:
- 24 You may now have the floor, Judge Fenz.
- 25 JUDGE FENZ:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

25

- 1 So one final question: You tried to do it with her but it wasn't
- 2 possible because she couldn't see the level. Is that the answer?
- 3 MR. LIU:
- 4 Your Honour, sorry for this confusion. What I did is I made a
- 5 decision not to work with her because, as you can see, we were
- 6 rushed to prepare this map the day before the hearing the
- 7 hearing date was later postponed but we were rushing to prepare
- 8 this map one day before the hearing so I take that decision not
- 9 to go through the map. As I understand, it would be very long
- 10 process to work this out with her for various reasons. Thank you,
- 11 Your Honour.
- 12 [09.58.40]
- 13 MR. PRESIDENT:
- 14 We plan to hear the first witness today and we appear to lose
- 15 some time because of matters raised by parties. The Chamber
- 16 invites the OCP and the Nuon Chea defence to make their
- 17 submissions, if any, at the end of the hearing today.
- 18 The Chamber will subsequently issue an oral ruling on the Lead
- 19 Co-Lawyer request before the Chamber begins to hear the civil
- 20 party in question. The Chamber now moves to provide the parties
- 21 and the public with an indication of the sequencing of the
- 22 proceedings before the Chamber.
- 23 As emphasised emphasised in its decision on the subsequent on
- 24 the sequencing of the case, the Chamber recalls that no clear
- 25 lines can be drawn between the topics in which this trial has

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 been divided and that it is highly possible that civil parties,
- 2 witnesses and experts will have knowledge about, and give
- 3 evidence on, one or more topics. In order to avoid civil parties,
- 4 witnesses and experts being needlessly recalled during later
- 5 stages of this trial, they shall be questioned on all topics
- 6 about which they may have knowledge. As a general rule,
- 7 questioning on topics that are not relevant to the scope of Case
- 8 002/02 will not be permitted.
- 9 [10.00.35]
- 10 Pursuant to Internal Rule 91bis and except when otherwise decided
- 11 by the Chamber or agreed upon by the parties, particularly when
- 12 the Judges wish to ask follow-up questions or further
- 13 clarification or when agreed upon by the questioning parties, the
- 14 questioning put to the witnesses and experts shall take place in
- 15 the following order: the President or Judges of the Bench
- 16 appointed by the President shall comment with some of the
- 17 preliminary questions followed by the Co-Prosecutors, the Civil
- 18 Party Lead Co-Lawyers and the defence teams for Nuon Chea and
- 19 Khieu Samphan. The questioning of civil parties shall be led by
- 20 the Civil Party Lead Co-Lawyers, after questions from the
- 21 President or Judges of the bench appointed by the President, and
- 22 be followed by questioning by the Co-Prosecutors and the defence
- 23 for Nuon Chea and Khieu Samphan.
- 24 [10.01.42]
- 25 At the end of the questioning, the civil parties may raise or

- 1 indicate the harm they have suffered where is relevant in Case
- 2 002/02. In this regard, the Chamber also reminds the parties that
- 3 they may object to the continued hearing of the testimony of any
- 4 witness if they consider that such testimony is not conducive to
- 5 ascertaining the truth, pursuant to Internal Rule 91.3. All
- 6 parties are reminded that during the questioning or oral
- 7 arguments, they should strictly adhere to accepted professional
- 8 standards. The Chamber will not tolerate rude or offensive
- 9 language towards other parties, witnesses, civil parties, experts
- 10 or other individuals.
- 11 Next, court officer is now instructed to call witness 2-TCW-936
- 12 in the courtroom.
- 13 (Short pause)

- 3 A. Yes, this is correct, Mr. President.
- 4 Q. And you have taken an oath before the Iron Statue in this

- 6 A. Yes, this is correct.
- 7 [10.11.32]
- 8 Q. Now, I would like to tell you the rights and obligations as a
- 9 witness. You are the witness to this proceeding before the Trial
- 10 Chamber. You may refuse to answer any question or any affirmation
- 11 that leads to incriminate yourself. This is the right against
- 12 self-incrimination. This means that your response or statement
- 13 may lead to your prosecution but you have an obligation as a
- 14 witness to give testimony in this proceeding before the Chamber.
- 15 You shall have -- have to answer all questions put by Judges from
- 16 the bench or the parties unless those questions may put you into

- 11 A. Yes, they are correct to my knowledge; especially the facts
- 12 happening in Krang Ta Chan.
- 13 [10.14.45]
- 14 MR. PRESIDENT:
- 15 Defence counsel for Mr. Khieu Samphan, you may proceed.
- 16 MS. ANTA GUISSE:
- 17 Thank you, Mr. President. I simply would like to object with
- 18 regard to the written record of the interview. I will only make
- 19 this objection once but it would also stand for all witnesses. I
- 20 would like to remind you that in our Appeal brief, we raised this
- 21 issue of this process of having the witnesses read over their
- 22 prior statements, which we think kind of alterates (sic) their
- 23 statement when they speak before the Court. So, I would like you
- 24 to note that generally speaking, the Khieu Samphan defence
- 25 objects to this practice as used by the Chamber. I'm making this

- 1 remark for this witness but generally speaking, we oppose this
- 2 process and for all witnesses who have read over their statements
- 3 before they testified before the Chamber.
- 4 [10.15.56]
- 5 MR. PRESIDENT:
- 6 Other parties, do you have any observation to make on this?
- 7 Because we have this practice all the way in Case 002/01 and here
- 8 we continue our practice. We believe that it has not been
- 9 objected and we decided in our ruling, and we will continue in
- 10 this Case 002/02. Basically it is the same case, 002, but we have
- 11 severance for proceeding on the case. Other parties, do you have
- 12 any observation to make because we stick to our strategy that we
- 13 have decided and practiced in the previous proceedings so that we
- 14 can move forward expeditiously.
- 15 Mr. Koppe, you may proceed.
- 16 [10.17.17]
- 17 MR. KOPPE:
- 18 Thank you, Mr. President. Yes, we have made very extensive
- 19 submissions in our Appeal brief about this very practice. We
- 20 think it is counterproductive to the ascertainment of the truth
- 21 that a witness is shown his prior statements before testifying. I
- 22 refer simply now to our submissions in the Appeal brief. I think
- 23 the Trial Chamber is quite aware of the principal problems we
- 24 have with this practice. Of course, there are other issues at
- 25 stake, not necessarily with this witness but with the upcoming

- 1 civil parties. If you like I could make specific arguments in
- 2 respect of the civil parties but we are now dealing with a
- 3 witness, with a Trial Chamber witness, a TCW witness.
- 4 So, I leave it up to you if we should concentrate now our
- 5 objections to the this very practice of presenting the can
- 6 you hear me this very practice to a witness not being a civil
- 7 party. But if you like we can now raise issues, although we are
- 8 not prepared but we can simple refer to our Appeal Brief, on in
- 9 respect of the practice of civil parties. Them being led by civil
- 10 party lawyers, not giving oath before the iron -
- 11 MR. PRESIDENT:
- 12 Could you please hold on we have a technical problem to solve
- 13 before you may proceed.
- 14 (Short pause)
- 15 (Technical problem)
- 16 Now, as we have a small technical problem, we cannot continue our
- 17 proceedings and it is now an appropriate time for adjournment in
- 18 the morning, so we will start before at 10.40 a.m.
- 19 So, Court officer, facilitate the witness to his room for a
- 20 break.
- 21 GREFFIER:
- 22 All rise.
- 23 (Court recesses from 1019H to 1048H)
- 24 MR. PRESIDENT:
- 25 Please be seated. The Court is now in session.

- 1 The Trial Chamber have heard the objections by the two defence
- 2 counsels on the proceeding and procedure conducted by the Trial
- 3 Chamber, that allow the witnesses or civil party to read their
- 4 statement they gave in interview to the OCIJ investigation in
- 5 order to refresh their memory, because it happened a long time
- 6 ago. The Trial Chamber implemented this procedure in Case 002/01.
- 7 Now we heard the objections, and in order to expedite our
- 8 proceedings, we advise the defence counsels to put their
- 9 objections and requests in writing. Could you refer to a
- 10 paragraph or argument in your Appeal brief to the Supreme Court
- 11 Chamber against Case 002/01, so that the Trial Chamber have a
- 12 proper ground for decision? We will rule on this matter in due
- 13 course.
- 14 [10.50.21]
- 15 Now, the Trial Chamber would wish to continue with the
- 16 proceedings for today with this witness. In the questioning of
- 17 this witness, we will give the floor to the Co-Prosecutor, to put
- 18 questioning to Mr. Meas Sokha. As proposed by the OCP, the
- 19 Co-Prosecutor and the Lead Co-Lawyer will have half-day for
- 20 questioning this morning and this afternoon because we have
- 21 spent this morning in the procedural matter this morning.
- 22 Prosecution, you may proceed.
- 23 [10.51.16]
- 24 QUESTIONING BY MR. SENG LEANG:
- 25 Thank you, Mr. President. Your Honours, all parties to this

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 proceeding in and around the courtroom. And good morning, Mr.
- 2 Witness.
- 3 My name is Seng Leang. I am the Deputy Prosecutor of the ECCC. I
- 4 will have many questions, a number of questions, to the witness
- 5 so that you can respond those questions to the Court, especially
- 6 on the living conditions and working conditions in Tram Kak
- 7 cooperative during the DK period. And then my colleagues will ask
- 8 you more questions about the arrest of your family members, and
- 9 other issues related to Krang Ta Chan prison.
- 10 The first topic I would like to ask you questions include the
- 11 work site and cooperative in Cheang Tong of Tram Kak district
- 12 during 1975 through 1976.
- 13 [10.52.52]
- 14 Q. My first question for you is that, after 17 April 1975, where
- 15 did vou live?
- 16 MR. MEAS SOKHA:
- 17 A. Your Honours, I was living in Cheang Tong commune, Srae Kruo
- 18 village, Tram Kak district, Takeo province after the 17th April
- 19 1975.
- 20 Q. Thank you, Witness. In your interview given to the OCIJ
- 21 investigator, document D25/31 ERN in English, 00223494; ERN in
- 22 Khmer, 00163511; and in French, 00178111; you said that you were
- 23 assigned to collect cow manure and dig canal in a children's
- 24 unit. My question for you is that: when you were working in a
- 25 children's unit, were you permitted to live with your parents?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 A. I was staying in a mobile unit, but I was tendering cows. I
- 2 did not do dirt carrying, any dirt for canal-building, but my
- 3 assignment sometimes get close to Krang Ta Chan.
- 4 Q. Thank you for your response, but I would like you to keep your
- 5 response as short as possible to my question. I will ask several
- 6 other questions, so could you stay could you stick to my
- 7 question only? Can you indicate again whether you were allowed to
- 8 stay with your parents when you were in a children's unit?
- 9 [10.55.47]
- 10 A. At that time, I was permitted to live with my parents because
- I was still a small boy, but I was assigned to tender cattle in a
- 12 children's unit.
- 13 Q. How many children were there in your unit?
- 14 A. There were only six members in my unit.
- 15 Q. How old were they during that time?
- 16 A. They were at the same age, but all of them had died.
- 17 Q. In your commune, during the Khmer Rouge regime, was there any
- 18 children allowed to go to school?
- 19 [10.57.08]
- 20 A. The children, during the Khmer Rouge, were not allowed to go
- 21 to school, but there were some teaching conducted under a tree,
- 22 and we don't have any stationary, proper stationary, like we have
- 23 in a normal school.
- 24 Q. You said that the children would study under the tree. So what
- 25 happened to the school building and the school?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 A. There was no school operated. There was no activity. But those
- 2 buildings were used to store ammunition and other things.
- 3 Q. As far as you know, the children you were assigned to work in
- 4 a children's unit, can you tell us the age of those children?
- 5 [10.58.26]
- 6 A. They were from 10 to 14 years old. They were sent to a
- 7 children's unit and anyone who were at 15 was sent to a youths'
- 8 unit as a candidate unit for doing labour.
- 9 Q. What was the difference between the children's unit and the -
- 10 it's called a temporary unit?
- 11 A. The children's unit and the temporary unit, the difference was
- 12 that the temporaries' unit was for children who were 15 years old
- 13 and ready to work harder in doing labour.
- 14 Q. Now I would like to come back to canal-building. Could you
- 15 describe what did you do when your unit was assigned to do this
- 16 kind of canal-building?
- 17 A. I did not attend in the canal-digging, but I was always
- 18 assigned to tender cattle. Because I was still a young boy, I was
- 19 not assigned for that canal-digging.
- 20 Q. Can you tell the Court about your working hours in the morning
- 21 and in the afternoon?
- 22 A. My morning assignment will start from the early morning, and I
- 23 spent all day until dusk. We marched the cows back to the village
- 24 and we were given lunch. It was brought by other people to us.
- 25 [11.01.02]

38

- 1 Q. Was there any time that you were assigned to work at night?
- 2 A. As I was a young boy, I was not assigned to work at nights,
- 3 only the adults or the youth in a mobile unit would be assigned
- 4 to work at night.
- 5 Q. Now, come back to the assignment or labour in your children's
- 6 unit. Were you allowed to move freely at that time?
- 7 A. Freedom of movement was prohibited. We could not move
- 8 anywhere. Because I was assigned only to tender cows, and if any
- 9 cow get lost anywhere, I will be punished for that.
- 10 Q. Did you have any case that children who were assigned to tend
- 11 cows and some of the cows missing or lost from his assignment?
- 12 What happened to him?
- 13 A. I did not experience any case like that. Since I left my home
- 14 in 1976, I was held in Krang Ta Chan prison -- prisoner.
- 15 Q. Were you permitted to visit your parents often, or from time
- 16 to time?
- 17 A. No, I was not allowed to visit home. It's only I could do
- 18 that, I sneak out from my unit to visit my parents, but when I
- 19 was caught, when I was sneak out, I was tortured and brought back
- 20 to my unit.
- 21 Q. You said that when you sneaked out to visit home and you were
- 22 punished for that, other than the punishment by beating, was
- 23 there any other form of punishment?
- 24 [11.04.17]

39

- 1 Mr. Koppe, you may proceed.
- 2 MR. KOPPE:
- 3 Thank you, Mr. President. Please ask -- instruct Counsel not to
- 4 ask any leading questions. I didn't hear anything about beating.
- 5 I think Counsel should ask open questions as to whether
- 6 maltreatment existed, and how?
- 7 MR. PRESIDENT:
- 8 Thank you, Mr. Koppe. This is the principle to be adhered to in
- 9 our Chamber. There should be no leading question allowed before
- 10 the Chamber.
- 11 BY MR. SENG LEANG:
- 12 I will not respond to the objection. However, I would like to
- 13 proceed with my questioning.
- 14 [11.05.21]
- 15 Q. In your interview with OCIJ, you mentioned about communal
- 16 eating in the cooperative. Could you clarify, were cooperative
- 17 created, and were communal eating applied? When was that?
- 18 A. Communal eating started in 1974, for one month. Then the
- 19 communal eating was cancelled. We were allowed to eat
- 20 individually, after the cancellation. And after 1975 or 1976,
- 21 though, communal eating was then imposed.
- 22 Q. When you were asked to eat in the cooperative, where did you
- 23 eat exactly?
- 24 A. I ate in the Srae Kruo village, Cheang Tong commune, Tram Kak
- 25 district.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

40

- 1 Q. How many people joined you in the communal eating?
- 2 A. There were six of us in the group, and other groups consisted
- 3 of many members. And I do not recall them.
- 4 Q. What were you provided to eat?
- 5 A. We were given spoons of steamed rice with soup prolit
- 6 (phonetic) -- with morning glory soup, and the morning glory were
- 7 cooked with chickens or duck.
- 8 [11.07.52]
- 9 Q. Did you have full meal?
- 10 A. I did not have enough meal because I received only a little
- 11 rice.
- 12 Q. When you did not have enough to eat, were there any people
- 13 reported to the cooperative that you were not full?
- 14 A. People did not report to the cooperative about the food
- 15 because they were afraid that they were killed by the Chief of
- 16 Cooperative.
- 17 Q. In one interview, in your mother's interview with OCIJ,
- 18 document D25/30, ERN in English 00223487; ERN in Khmer, 00163504;
- 19 French, ERN 00178423; your mother said, because she did not eat
- 20 food and did not have the power to work. When your mother stated
- 21 about this, it was noted down. My question is: who did your
- 22 mother report to about her eating?
- 23 MR. PRESIDENT:
- 24 Mr. Lawyer, you may now proceed.
- 25 [11.09.57]

- 1 MR. KONG SAM ONN:
- 2 I would like to object to the question. The witness can answer
- 3 only in relation to the incident or experience happened to
- 4 himself only. He or she cannot answer to any question which he
- 5 has no knowledge about.
- 6 MS. GUISSÉ:
- 7 Mr. President, let me add something to the objection? My learned
- 8 friend did not properly explain the document he was referring to.
- 9 I heard D25/30. In any case, we understood from the
- 10 interpretation that the document was from the witness. So, could
- 11 Counsel for the Prosecution explain the document he is referring
- 12 to?
- 13 [11.11.10]
- 14 MR. PRESIDENT:
- 15 Mr. Koppe, you may now proceed.
- 16 MR. KOPPEE:
- 17 Thank you, Mr. President. It would also be very helpful if
- 18 Counsel laid some foundation of issues here. We're going from
- 19 communal eating to eating with his mother. We all know important
- 20 events occurred in June 1976. It is not very helpful the way this
- 21 examining is going right now.
- 22 MR. SENG LEANG:
- 23 Mr. President, before I start my questioning I inform everyone
- 24 already about the topics to be questioned by me, and the topics
- 25 include living -- I indicated the topics to be questioned in

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 relation to working condition in Cheang Tong, Tram Kak district
- 2 from April 1975 to June 1976, and the topics include also the
- 3 cooperative -- living conditions and working conditions in
- 4 cooperative and these issues are mentioned in the Closing Order.
- 5 I would like to ask the President whether or not I can proceed
- 6 with my questioning.
- 7 [11.13.08]
- 8 MR. PRESIDENT:
- 9 I have -- we have not ruled on the objection, so how can you
- 10 proceed? The Defence Counsel would like to know where the
- 11 document is from and what is it about. And there is also
- 12 objection concerning your questioning. And, I gave you the floor
- 13 to respond to the objection, and you have to consider your
- 14 questioning approach and you have to respond to the objection
- 15 posed by the Defence Counsel, so that the Chamber can have the
- 16 basis for consideration and decision.
- 17 MR. SENG LEANG:
- 18 As for the document number, this document is D25/30. It is the
- 19 interview of witness' mother with OCIJ. Again, document D25/30.
- 20 This is the interview of the witness' mother with OCIJ.
- 21 As for the objection, I believe my question relates to my topic.
- 22 [11.14.40]
- 23 MR. PRESIDENT:
- 24 Could you respond to the objection posed by the Defence Counsel,
- 25 so that the Chamber can have the ground for decision?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

43

- 1 MR. SENG LEANG:
- 2 Mr. President, I appear to respond to the objection posed by the
- 3 Defence Counsel. I provided the document number -- that is,
- 4 D25/30, and I already responded to the objection by Mr. Koppe,
- 5 and I would like to know what else should I respond?
- 6 MR. PRESIDENT:
- 7 Mr. Co-Prosecutor, you should have heard the objections by the
- 8 Defence Counsel. And, you said that you want to respond to their
- 9 objections. Your responses and the objections are useful for the
- 10 Chamber's consideration and decision. Do you -- did you hear the
- 11 objections from other parties? And, you have to respond. I would
- 12 like to know whether you want to respond or not so that the
- 13 Chamber can decide. And, the Chamber will have to decide which
- 14 question is allowed and which question is not permitted. And, the
- 15 Chamber will have to decide and to object the question and it may
- 16 reject any answers to the question posed by any party if it is
- 17 not permitted.
- 18 [11.16.38]
- 19 MR. LYSAK:
- 20 If I may just briefly indicate, this is a procedure that was
- 21 established in the prior trial. In fact, it was the result of the
- 22 defence who initially wished to ask -
- 23 MR. PRESIDENT:
- 24 There was no translation. Court Officer, please coordinate with
- 25 the translation unit so that there is translation.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

44

- 1 [11.17.14]
- 2 MR. LYSAK:
- 3 Mr. President, what I wanted to say was that this was a practice
- 4 that was established in the first trial. It was the result of the
- 5 Defence who initially wished to pose questions to witnesses from
- 6 other witness statements. There was a practice established. It
- 7 was followed by the Defence and us. In this case, we are
- 8 attempting to ask a question on a subject matter regarding
- 9 reporting of food. The witness has already been asked and Counsel
- 10 wishes to present some testimony from his mother, someone that he
- 11 certainly has knowledge and involvement with on the same subject.
- 12 So, the procedure, we ask simply here to follow the same
- 13 procedure that was followed in the first trial and to have an
- 14 opportunity to pose to witnesses, information from other
- interviews of which they have knowledge.
- 16 [11.18.18]
- 17 MR. PRESIDENT:
- 18 You may now proceed, Madam Lawyer. Next time you should only, you
- 19 know, make your objection once, so that we cannot lose the time.
- 20 MS. GUISSÉ:
- 21 Yes, indeed, Mr. President, but I'm obliged to react to the
- 22 Co-Prosecutor's clarifications. The fact of being able to use
- 23 statements from other witnesses is not a problem but at least we
- 24 should establish the foundation for this and this seems to come
- 25 out of nothing. We're telling to the witness your mother said

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

45

- 1 this, but the witness does not know which document we're speaking
- 2 about, nor under which conditions these statements were made, and
- 3 once again, the question the International Co-Prosecutor's
- 4 question came out of nothing as well. So, in case there is indeed
- 5 a practice that was followed in Case 002/01, well then, there was
- 6 a necessity each time when a lawyer used a document, to establish
- 7 the origin of the document and to set under to understand under
- 8 which conditions the document could be used. So, now we don't
- 9 know which document we're speaking about from the start. So,
- 10 we're simply asking you to follow the proper practice.
- 11 (Judges deliberate)
- 12 [11.20.11]
- 13 MR. PRESIDENT:
- 14 The objection of the Defence Counsel is not sustained. The
- 15 witness is instructed to answer to the question by the
- 16 Co-Prosecutor and if the witness do not -- does not remember the
- 17 question, he can ask the Co-Prosecutor to re-question.
- 18 Mr. Co-Prosecutors, perhaps if there is no problem with the
- 19 translations, I think perhaps it is clear concerning the response
- 20 to the objections by the International Co-Prosecutor. The witness
- 21 is instructed to answer only the question in relation to his/her
- 22 personal experience and knowledge. And, in fact, we appear to
- 23 have no problem in relation to our procedural practice. You may
- 24 now proceed, Mr. Co-Prosecutor.
- 25 MR. SENG LEANG:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 To facilitate the questioning process, I would like now to
- 2 present the document to the witness, document D25/30. I would
- 3 like to hand the document to the witness.
- 4 MR. PRESIDENT:
- 5 You can provide the context of the document but you cannot hand
- 6 this document to the witness.
- 7 [11.21.59]
- 8 BY MR. SENG LEANG:
- 9 Thank you, Mr. President. I would like to ask my question again.
- 10 In the interview of your mother with the OCIJ, document D25/30
- 11 ERN in English, 00223487; Khmer, ERN 00163504; French, ERN
- 12 00178423. Your mother said that, "Because I did not have enough
- 13 to eat, I said so. I had no energy to work." This was recorded.
- 14 Did you know about the statement of your mother?
- 15 MR. MEAS SOKHA:
- 16 A. I knew some, and I did not pay attention to the statement of
- 17 my mother. I would like the Court to proceed the question in
- 18 relation to the Krang Ta Chan Security Office. I do not have any,
- 19 you know, attention in relation to cooperative.
- 20 [11.23.37]
- 21 MR. PRESIDENT:
- 22 Witness, you cannot order or instruct the parties to ask any
- 23 questions. You have to answer to the question posed by the party.
- 24 If you do not know, you can say so. You have no right to direct
- 25 or order the party to ask any question you want. Please listen to

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 the question carefully and respond accordingly. And, if you are
- 2 not clear, you can ask the party to question to put the
- 3 question again.
- 4 BY MR. SENG LEANG:
- 5 Q. Do you know about the report of your mother through anyone at
- 6 the time?
- 7 MR. MEAS SOKHA:
- 8 A. I only know that she talk to those in the cooperative and I do
- 9 not know about the statement was recorded or not. And, she
- 10 mentioned about the way she cooked a meal, cooked soup, and
- 11 perhaps she mentioned to her colleagues in the Cooperative, and I
- 12 do not know about that.
- 13 [11.25.25]
- 14 Q. Do you know about your mother's living or working conditions
- 15 at the time she was living in the cooperative? Was she healthy?
- 16 A. At the time, she delivered a baby, for a month and her health
- 17 was weak, and she did not have enough to eat. So, she was ill, I
- 18 quess.
- 19 Q. I move my question to a new topic in relation to the treatment
- 20 on New People. My question is: The people were transferred from
- 21 Phnom Penh or from other regions after 17 April 1975 to Tram Kak
- 22 Cooperative; do you know about that?
- 23 A. Old and New People, what I know is that they were evacuated
- 24 and a group in, you know, New or Old group or in cooperatives.
- Q. Do you know how the New People were characterised?

- 1 [11.27.38]
- 2 MR. PRESIDENT:
- 3 You may now proceed, Mr. Koppe.
- 4 MR. KOPPE:
- 5 Thank you, Mr. President. I think Counsel should be reminded that
- 6 the witness at the time was 15 years old in '75. He can give
- 7 testimony about things that he saw, things that he read, maybe,
- 8 things that he heard. But, asking him something in general about

- 10 MR. KOPPE:
- 11 But how could this witness possibly say that everybody in 1975,

- 13 to instruct the witness and also to instruct Counsel not to
- 14 speculate not to ask questions that the witness cannot possibly

- 12 questions today about the arrest of your family and your
- 13 detention at Krang Ta Chan. And I want to start by asking you
- 14 some questions about the circumstances that led to the arrest of
- 15 your family. You've indicated in your OCIJ interview, this is

- 4 Q. Thank you. I'll get back to the reasons your family was
- 5 arrested. What I want to start is by asking you to tell us how
- 6 many people from your family were arrested by the Khmer Rouge in
- 7 1976.
- 8 [11.40.22]
- 9 A. Ten members of my of my family member were arrested by the
- 10 Khmer Rouge.
- 11 Q. Can you tell us who those people were, how they were related
- 12 to you, what their names were as best you can remember?
- 13 A. My siblings and only my brother-in-law and all together there
- 14 were 12 people from my family who were arrested and also my
- 15 father.
- 16 Q. How many of your siblings were arrested?
- 17 A. My siblings were eight of them, I have eight siblings in my
- 18 family.
- 19 Q. Were all eight of your siblings arrested or just some of them?
- 20 A. They were all arrested as the family and my father were
- 21 arrested earlier and my brothers and sisters and all together 12

- 2 children of my elder sister were also among them. They were three
- 3 years and another baby two months old.

- 6 at page: Khmer, 00163513; English, 00223496; French, 00178112;
- 7 you indicated that there were five other villagers, four adults
- 8 and one child, who were also arrested with your family. Were
- 9 those people from the same village as you, the five people who
- 10 were arrested at the same time as your family?
- 11 A. Yes, they were from the same village. They were also my

- 17 another one, Huon (phonetic), the father was Huon (phonetic), and
- 18 was taken earlier than the other members. He was taken in 1974.
- 19 MR. LYSAK:
- 20 Mr. President, at this time there was another Witness from Srae
- 21 Kruo village who was also interviewed by OCIJ. That Witness has a
- 22 pseudonym, he was originally going to testify but he has been
- 23 learned to be deceased. I would ask like to ask the Witness
- 24 whether he knows this person and would propose to do that by
- 25 giving him the Witness statements and asking him if he knows that

- 2 to him by the pseudonym from the Court I request to be able to
- 3 refer to him by name. So with your leave if I may submit the
- 4 statement of this Witness so that Mr. Meas Sokha may tell us if
- 5 he knows this person.
- 6 (Judges deliberate)
- 7 [11.47.15]
- 8 MR. PRESIDENT:
- 9 Judge Fenz, you may proceed:
- 10 JUDGE FENZ:
- 11 I have just one question. What exactly is the purpose to show him
- 12 the statement, provided we are allowed to identify the person per
- 13 name?
- 14 MR. LYSAK:
- 15 I think if I am allowed to identify him by name then then I can
- 16 proceed without that.
- 17 JUDGE FENZ:
- 18 Thank you.
- 19 (Judges deliberate)
- 20 [11.48.06]
- 21 MR. PRESIDENT:
- 22 The Trial Chamber allows the Prosecution to use his name, the
- 23 name of the witness, because he is now deceased.
- 24 BY MR. LYSAK:
- 25 Thank you, Mr. President.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 228 Case No. 002-02/19-09-2007-ECCC/TC 08/01/2015

- 1 Mr. Witness, the Office of the Co-Investigating Judges
- 2 interviewed another person from Srae Kruo village whose name was
- 3 Sok Soth (phonetic).
- 4 Q. Do you, did you know a person named Sok Soth from Srae Kruo
- 5 village ?
- 6 MR. MEAS SOKHA:
- 7 A. Yes, I know him. He used to be a village chief but he passed
- 8 away now.
- 9 Q. Was Sok Soth (phonetic) one of the other people from Srae Kruo
- 10 village that -- who was arrested at the same time as your family?
- 11 [11.49.30]
- 12 A. Sok Soth (phonetic), was one of the people who were arrested
- 13 and his brother Sok San (phonetic), and Suor Somao (phonetic),
- 14 and another one Suon Ya (phonetic).
- 15 Q. Now you made some reference earlier to this, but let me ask
- 16 you, can you tell the Court why it was that the Khmer Rouge
- 17 arrested your father, mother and most of your family in June
- 18 1976?
- 19 A. The reason of my father's arrest was my brother-in-law was
- 20 told that he should convene a meeting and collect thumbprints and
- 21 to dispose the village chief and in order to make the living
- 22 condition of the people better. After that meeting and everyone
- 23 put thumbprints some of them put thumbprints on the document --
- 24 on the paper and then my brother-in-law was asked to send the
- 25 report to the Khmer Rouge and then later on the next day my

- 1 father was arrested in June 1976 but I do not remember the
- 2 specific date for that.
- 3 Q. This meeting that was convened conveyed, where you said
- 4 people were asked to give their thumbprints, by asking for their
- 5 thumbprints, do you mean that people were asked to vote on
- 6 whether to remove this village chief?
- 7 [11.51.48]
- 8 A. The vote was to remove the cooperative chief. The letter was
- 9 given to my brother-in-law and later they asked to convene the
- 10 meeting and to remove the cooperative chief after that meeting.
- 11 His name is Aun Nop from Srae Kruo, but I don't know whether he's
- 12 still alive, but I heard that he was living in Sampov Lun at the
- 13 Thai-Cambodia border.
- 14 Q. Was Aun Nop a good cooperative chief? Are you able to tell the
- 15 Court why people wanted to remove him as the chief?
- 16 A. As far as I know, they wanted to arrest my father and they
- 17 colluded between the commune chief and the village chief because
- 18 they could not arrest my father without any ground, without any
- 19 mistake, on the part of my father. And then the Khmer Rouge
- 20 ordered my brother-in-law to convene the meeting so that they
- 21 have the ground for the arrest because they collect thumbprints
- 22 in that meeting to make the arrest.
- 23 [11.53.57]
- 24 Q. Were you present at this meeting where thumbprints were
- 25 collected from people about the removal of the cooperative chief?

- 1 A. I was not present at that meeting. I was tendering cows. But
- 2 when I returned in the afternoon -- in the evening people told
- 3 me that a meeting was held. That's all I know about that meeting.
- 4 Q. How soon after that meeting was your father arrested?
- 5 A. My father was arrested in the next morning. One night has
- 6 passed and three militiamen came and they told him to go and to
- 7 see Angkar and they told him to leave his knife and my father
- 8 left me with a plate and spoon and he told me that you should
- 9 keep this for yourself.
- 10 Q. And in relation to the time when your father was arrested,
- 11 when were you and the rest of your family members arrested by the
- 12 Khmer Rouge?
- 13 [11.55.57]
- 14 A. Five days after his arrest, the Khmer Rouge came to arrest all
- 15 family all family members in my family and other villagers I
- 16 told you the names earlier. They were taken to detain at Angk
- 17 Roka prison and in the next morning we were transferred to Krang
- 18 Ta Chan and we arrived there late at night at 3 a.m. in the
- 19 morning.
- 20 MR. LYSAK:
- 21 Yes, Sokha, Mr. President, I was about to turn to a different
- 22 subject at this time. I can continue on or if this is an
- 23 appropriate time for the break I can stop here.
- 24 MR. PRESIDENT:
- 25 You may proceed with your questioning, Mr. Prosecution.

- 9 was put into detention into a prison cell immediately.
- 10 Q. When you arrived at Krang Ta Chan, did you see your father

- 16 before taken away.
- 17 [12.01.29]
- 18 Q. Did you ever see your father again?
- 19 A. I was not allowed to meet with my relatives, so we were not
