Dear Parties,

On behalf of the Trial Chamber, please find attached a list of Witnesses, Civil Parties and an Expert to be heard in relation to the next trial topic (Treatment of the Cham). The list sets out the expected order of appearance as well as time allocations. The Chamber will issue a decision on the objections to the Expert in due course.

The Chamber will move to the Treatment of the Cham trial topic after the conclusion of the hearings on key documents and the harm suffered by the Civil Parties relating to the Worksites.

Best regards,

Ken
