Dear Marcel,

Many thanks for your email and kind words. I apologise for taking a time to respond. I have returned to UK and Sambath has remained in US and so co-ordinating our answer has taken longer.

Unfortunately, February 12<sup>th</sup> is too soon for us. We have not yet generally released the film. However, we will be happy to arrange a public screening in Phnom Penh to which any officer of the court may come and see the film. Would that be of any use to you? If so, please let me know and we can initiate logistics.

Best wishes

Rob Lemkin
