- 1 Q. The question is whether you, yourself, directly suffered from
- 2 the acts alleged in the facts.
- 3 Uncle, before the 17th April 1975, where did you live and what
- 4 was your occupation?
- 5 A.Before 1975, I was a mechanic fixing tractors, cars, for
- 6 example.
- 7 Q.And where were you at the time?
- 8 A. In Phnom Penh.
- 9 [09.10.03]
- 10 Q.And on the 17th April, 1975 when the Khmer Rouge soldiers
- 11 entered Phnom Penh, where were you and what were you doing?
- 12 A.In 1974, I was in Phnom Penh.
- 13 MR. PRESIDENT:
- 14 Court officer, that is okay.
- 15 BY MR. PRESIDENT:
- 16 Q.Uncle, on the 17th April 1975 -- and you already told us your
- 17 previous response already -- what we want is to know about your
- 18 connection to the S-21 office, but we want to know about your
- 19 situation from the 17 April 1975 until the 7 of January 1979.
- 20 However, there will be stages that we would question you.
- 21 So, first of all, we want to know, on the 17th April 1975, where
- 22 were you and what did you do?
- 23 A.In 1975 on that day, I was with the Prince Chang Raing Sey at
- 24 Chbar Mon in Kampong Speu province. Actually, in 1974, Chang
- 25 Raing Sey had me transferred to Phnom Penh so I was taken by a

- 1 helicopter from Chbar Mon to Phnom Penh and he advised me that I
- 2 should go home for now and if I needed you I would call you back.
- 3 Q.We want to know the event on the 17 April 1975 when the Khmer
- 4 Rouge entered Phnom Penh. What did you do and where were you at
- 5 the time?
- 6 [09.12.51]
- 7 A.Let me continue and I will reach that point.
- 8 When I entered Phnom Penh, the Khmer Rouge were shelling from
- 9 Vihir Sur into Phnom Penh; also from Ta Khmao into Phnom Penh.
- 10 So a lot of locations were burned in Toek La-âk for example, so
- 11 the shelling was from every direction.
- 12 At that time, the Khmer Rouge entered at eight o'clock in the
- 13 morning and I was near the vicinity of Phsa Depo at the time.
- 14 When the Khmner Rouge entered, some female soldiers came into the
- 15 city with one of the trouser sleeves pulled up and carrying the
- 16 B-40 rocket launcher.
- 17 O.So you were in Phnom Penh on that day, right? And were you
- 18 evacuated by the Khmer Rouge force on that day or when? And
- 19 which direction were you evacuated to?
- 20 A.Mr. President, when they entered, everybody including myself
- 21 raised a white flag to congratulate them; everybody cheered.
- 22 However, in the afternoon, at about 5.30 p.m. they walked from
- 23 house to house and informed us that we had to leave Phnom Penh,
- 24 five kilometres away from Phnom Penh because the Americans were
- 25 about to bomb the city.

- 1 Q.So the Khmer Rouge evacuated you to which direction?
- 2 A.So at that time, some people refused to leave and the Khmer
- 3 Rouge shot them; two or three of those people fell on the ground.
- 4 I was scared, so I collected my family and then we moved. We
- 5 went near toward Pet Louk Sâng Hospital and the road was so full
- 6 we could hardly walk.
- 7 [09.15.31]
- 8 And we reached Toek Thla. It was near dark already, so I rested
- 9 near the Kop Sroeu area for one night.
- 10 Later on, I made my journey to Preik Phnoeu and when we reached
- 11 Preik Phnoeu it was night time, and since I could not find any
- 12 water in order to cook rice, so I took my children and my wife to
- 13 stay near the river bank in order to get some water. At that
- 14 time, because it was dark, I actually stepped on dead bodies
- 15 around the river bank.
- 16 So after I cooked a meal, we ate and then we rested, and at 4.00
- 17 p.m. we were chased again to move on. So we continued our
- 18 journey.
- 19 On the left side there was a pond, a fish pond, but because the
- 20 fish did not have anything to eat, and I saw the bloated dead
- 21 bodies in the pond and the fish were eating those dead bodies.
- 22 So along the road from Preik Phnoeu, we saw stacks of dead bodies
- 23 everywhere.
- 0. And so you reached a work crew. Where was it?
- 25 A.It's near Preik Kdam.

- 1 So we continued the journey and we were asked to cross the river
- 2 to the east side of the river. That night it rained and one of
- 3 my children got diarrhoea and a high fever, and I did not have
- 4 any medicine for him. So I went to ask for medicine from Angkar
- 5 and I walked to find Angkar but I could not find any Angkar, so
- 6 when I asked to see Angkar I was told to move on, but I could not
- 7 find who was Angkar.
- 8 [09.18.09]
- 9 And as a result, my son died. Where upon then I borrowed a hoe
- 10 and then I dug the ground and buried my son. He was two years
- 11 old at the time.
- 12 Later on, we continued our journey. It was difficult for us
- 13 because there was no shelter or shade for us to rest, and under
- 14 each tree, people just gathered around to make a big crowd. So
- 15 it was so hard, so miserable.
- 16 And we continued our journey until Cheung Chnok near Thnal Keing
- 17 and we were stopped there. I didn't know what else to do. And
- 18 then we were ordered to go behind the Cheung Chnok Pagoda and we
- 19 were asked to stay there temporarily. We stayed there, and on
- 20 that night it rained again so we stayed under the house of the
- 21 local villagers.
- 22 The next morning, I went to the rice fields to find food, looking
- 23 for crabs. Then I saw a bus and an announcement was made through
- 24 a loud speaker looking for any mechanics; that Angkar is looking
- 25 for mechanic to go and work in Phnom Penh. So I told them that I

- 1 was a mechanic, then I was given a letter of authorization. So
- 2 with that letter of authorization, I saw the people who were in
- 3 charge there, and I was told that I should not go during the day
- 4 but I should go in late afternoon.
- 5 [9.20.13]
- 6 So in late afternoon we left, and when we reached Preik Kdam I
- 7 handed the paper to the chief there, and I was told to wait there
- 8 until there would be more mechanics coming. So together there
- 9 were seven mechanics, including Da Jin, Ta Seun, Ta Peng, and the
- 10 seven of us were asked to come to Phnom Penh.
- 11 And I asked, "What about my family?" and I was told, "Don't worry
- 12 about the family. They can stay here and Angkar would look after
- 13 your family." So I boarded the boat and we travelled on the boat
- 14 and we got out of the boat in Russei Keo, and I showed the letter
- 15 to Comrade Sroe who was in charge of boat repair section there.
- 16 So in the morning, the seven of us were asked to fix the boats.
- 17 From what I can recall, we fixed more than 10 boats. So after we
- 18 completed the repair then the soldiers were loaded full on each
- 19 boat and the boat departed to Kratié Province .
- 20 And later on, I was asked if I could fix or repair a tractor or a
- 21 car and I told them, yes, I could fix tractors and cars. And
- 22 Comrade Sroe asked whether I could drive them as well and I told
- 23 him "Yes".
- 24 Then I was asked to drive the bulldozer into the ferry and
- 25 another vehicle into the ferry and those vehicles were sent to

- 1 Kratié Province. So I was also asked to board the ferry in order
- 2 to drive the tractor and the trucks on the other side of the
- 3 river bank, and the next day I returned.
- 4 [9.22.37]
- 5 So when I returned to my work location, then I was requested if I
- 6 knew all the pieces or spare pieces of a tractor, and when they
- 7 knew I knew, then I was transferred to Orussei. So when we were
- 8 at Russei Keo there were six of us, but when I was transferred to
- 9 Orussei I was instructed to collect the tools from the houses in
- 10 order to put them in the warehouse.
- 11 Then Comrade Kun asked me whether I could fix the loudspeaker and
- 12 I told him yes, so I was asked to repair the loudspeakers in the
- 13 middle of the Orussei market. So I fixed those loudspeakers for
- 14 about three or four months and, later on, we were told that we no
- 15 longer needed to collect those tools, instead Angkar required us
- 16 to collect sewing machines in order to sew black clothes.
- 17 So we collected sewing machines. All together we collected
- 18 17,000 sewing machines, and after that we saw female -- we saw
- 19 women who came to that factory to sew the black clothes. There
- 20 were about 1,000 women and roughly 200 men to the sewing machine
- 21 factory.
- 22 So we started working there from '75 until '77, and in 1978 --
- 23 this is -- I just briefly summarize the event. I was ordered to
- 24 repair vehicles in Vietnam, that's what I was told, but before
- 25 they told me that Comrade Kun, who was my boss, was already

- 1 arrested. And then Choum came to replace him and a few months
- 2 later Choum was arrested and replaced by Comrade Yung
- 3 [9.24.56]
- 4 I was not sure, but according to Duch, Comrade Yung or another
- 5 Choum (phonetic) was in charge of that location, and after Yung
- 6 disappeared, another female from Ta Keo named Wan came to replace
- 7 at that location which was called Ko Nagn, and also another
- 8 Comrade Lin, came to work in that location. And that was the
- 9 time that I was called and instructed to go and repair vehicles
- 10 because Angkar planned to attack Vietnam.
- 11 So the three of us did not object and we volunteered to go. And
- 12 in the morning, we carried the tools to depart from Ko Nagn in a
- 13 Lambretta. However, we were told that we did not need to bring
- 14 the tools, we just go by ourselves, so we boarded the Lambretta.
- 15 And along the way I did not know that because I saw the fence of
- 16 the -- zinc fence; I could not see what was inside.
- 17 So we were brought into Tuol Sleng but I did not know that place
- 18 was called Tuol Sleng at the time. Later on, we were put into
- 19 the house which was opposite Tuol Sleng. Once we disembarked
- 20 from Lambretta, we were arrested and handcuffed and our scarf on
- 21 our neck was used to blindfold us, and then we were walked inside
- 22 the compound. While I was walking, I told a person, that
- 23 brother, "Please look after my family". Then the person kicked
- 24 me and I fell on the ground, and he said, "You motherfucker,
- 25 Angkar needs to smash you all. You don't need to think about

- 1 your family."
- 2 Then I was taken into the room and my height was taken and I was
- 3 photographed. I was so -- the method used was so hot. It was
- 4 always hot, not cold method or other method as Duch claimed. We
- 5 were scalded. We were called contemptible this or contemptible
- 6 that. And they asked me about my biography and I told him I was
- 7 from Kampong Lvia Commune, Kampong Trabeck District and Prey Veng
- 8 Province.
- 9 [09.27.59]
- 10 Then they took my photograph and they took my shirt off and my
- 11 pants off. I only had my shorts. And my shoes were also taken
- 12 away. And my hands were cuffed to the back and I was
- 13 blindfolded. Then they walked me to the location where I was
- 14 detained -- and actually I told the Co-Investigating Judges of
- 15 that location already.
- 16 So I was placed into that cell. They shackled my legs, then they
- 17 took off the cuffs and unblindfolded me. Then they used a piece
- 18 of cloth to use to conceal themselves, and I could see the guards
- 19 walking up and down the corridor.
- 20 And at about 1 o'clock then a person came to cuff my hands to the
- 21 back, blindfolded me, and then they unshackled my legs. Then the
- 22 person pulled my earlobe to stand up and I was walked to the
- $\,$ 23 $\,$ stairs, and then they pulled my earlobe to go down and instructed
- 24 me that, "You, you go down". So I went down to the staff
- 25 building.

- 1 So whenever I had to go up the stair my earlobe was pulled up,
- 2 and when I reached a room I was ordered to sit. Then my legs
- 3 were shackled and the handcuffs were taken off. After I was
- 4 un-blindfolded, I saw the fresh blood nearby. I didn't know
- 5 which person the blood belonged to.
- 6 And then later on, they started to interrogate me. They asked me
- 7 to tell them the truth: how many of us joined the CIA and KGB,
- 8 and I put my hands together and pleaded them to spare my life,
- 9 and they told me not to do that to them because they were not
- 10 monks.
- 11 [09.30.39]
- 12 And then I told them I did not know any CIA or KGB, and truly I
- 13 did not know these terms. I heard of them, but I never knew the
- 14 roles of those people.
- 15 And then I asked them again to -- I used the term "Lok" or
- 16 "Mister" and using the term resulted in the beatings, like 50
- 17 lashes, and then I did not know how I could ask them for
- 18 forgiveness, so I called them "Brother". So before I could use
- 19 the term "Brother", then I were inflicted with 100 lashes
- 20 already, and then they started to interrogate me further.
- 21 One day, while I was being interrogated and then they were
- 22 beating me and then I put my hands up to protect myself, then it
- 23 broke my fingers. And one day they removed my nails from the
- 24 toes and I was trembling in pain. And later on, about 10 days
- 25 later, I was electrocuted. It was the direct electrical wire

- 1 from the wall attached to the very fresh current, not the one
- 2 like Duch mentioned about electric telephone or something like
- 3 that.
- 4 So then I was electrocuted and I could hear some kind of sound in
- 5 my ears, and the person who beat me up called Contemptible Sieng
- 6 -- I'm sorry to say Contemptible Sieng -- and Hor. Hor has a
- 7 scar on his cheek. But after my research I found out that three
- 8 of them already died.
- 9 So I would like to tell this to Duch; that Duch did not beat me
- 10 personally, directly, otherwise he would not have the day to see
- 11 the sunlight. I just would like to be frank.
- 12 [09.33.11]
- 13 Q.Uncle Chum Mey, please be well-behaved and make sure that you
- 14 be more ethical and try to avoid attacking any individual because
- 15 it is more about the legal proceedings.
- 16 And the Trial Chamber appreciates your time to come to testify
- 17 before us and that you should refrain from being so unkind to
- 18 those people that we know they're the senior leaders of Khmer
- 19 Rouge or people during the Khmer Rouge regime.
- 20 We would like you to try your best to tell us the truth and, of
- 21 course, the Chamber will use your testimony as evidence in our
- 22 decision. So let's leave it for the Chamber to make the final
- 23 judgement.
- 24 So could you please proceed further with your story, and you can
- 25 keep talking until -- telling us until the country was liberated

- 1 by the support of the Vietnamese troops. So please tell us more
- 2 about it, especially the conditions when you were detained at
- 3 S-21, and also the situation when you left S-21 and returned to
- 4 Phnom Penh.
- 5 A.I think if I am not telling the truth, I'm afraid that Your
- 6 Honours would not be experiencing the real test of such a story
- 7 because when I was sent inside, there was no cool methods and
- 8 derogatory remarks were used to me, like "the mother-fucker",
- 9 like "the contemptible" this and that were used.
- 10 Hor, Comrade Hor, rolled up his shirtsleeves and then beat me up
- 11 with several sticks, and then he claimed that I did not confess,
- 12 that's why I would be beaten more.
- 13 And I would like to tell Your Honours the real accounts, what I
- 14 have remembered. If I'm not telling the truth, then it would not
- 15 be good to be here.
- 16 [09.36.09]
- 17 Q. Thank you very much, Mr. Chum Mey, for your testimony but when
- 18 you stated something that is about -- for example, you referred
- 19 to Duch, that if Duch beat you during the interrogation then he
- 20 would not live today, so I think this is not really appropriate
- 21 to say so in the Court.
- 22 Of course, the Court really values your testimony and we would
- 23 like you just to refrain from being abusive, insulting the
- 24 accused or other individuals, and we only would like you to
- 25 refrain from using some terms that we view that are not

- 1 appropriate.
- 2 So you can, please, continue.
- 3 A.Later on, I was beaten up for a period of 12 nights and 12
- 4 days, so I would be beaten days and night. At 7 p.m., I would be
- 5 taken to the south building, to the top floor, and I was walked
- 6 to the place where there was a generator and then I stepped on
- 7 the lying lock, and then they hold me by my hand and scolded me
- 8 for being blinded that I could not see anything and walked like
- 9 that. So my earlobes hurt so much because they pulled them up
- 10 and down almost every day.
- 11 Regarding the food, they gave us a very thin gruel, and at 1 p.m.
- 12 they would come back and take me to be interrogated and beaten up
- 13 again, to ask me about the CIA and KGB. Although I kept saying
- 14 that I did not know anything about them, they kept asking me for
- 15 them. At 12 p.m. one of the guards came and told me -- to tell
- 16 me to let them know that I had to ask permission if I would like
- 17 to change to a side when I was sleeping. Otherwise they would
- 18 see, they would perceive that I try to break the chain.
- 19 And then Thy came and asked who was the guy who is from Orussei
- 20 and whether he could fix sewing machines. So then I said I
- 21 could. Then he said, "Okay good. Tomorrow then you could work
- 22 on fixing the sewing machines but try not to escape. Otherwise
- 23 you would be shot."
- 24 Then I said I would not escape and then they gave me a set of
- 25 clothes and I started to work at the workshop. And then there

- 1 was a stack of clothes and they asked me to help look after the
- 2 fire that they used to cook the gruel. And then after the gruel
- 3 was offered to the other people, then I was allowed to eat the
- 4 remaining.
- 5 [09.40.22]
- 6 Then I tried to make use of the remaining of the gruel to
- 7 complement my hunger. They asked me not to let the brothers know
- 8 about this; otherwise I would be beaten up.
- 9 Then I met Mr. Pech, and Pech worked with me in the former regime
- 10 as a mechanic like I was. We did not talk to one another. We
- 11 didn't dare talk to one another. And we would work to fix the
- 12 sewing machines, about 30 sewing machines. Then they asked
- 13 whether I could fix the typewriter. And then I said I could, so
- 14 I fixed two typewriters for them and later on I was asked to fix
- 15 the plumbing machine.
- 16 So I said I could fix all kinds of machines. So later on they
- 17 asked me to teach females, the women, to know about this. And
- 18 one day I heard the sound of the planes and three days later the
- 19 guards prepared some vests, you know, with ammunition and
- 20 weapons.
- 21 At the beginning they were not prepared, but after hearing the
- 22 sound like the bomb drops from the planes, that's why these
- 23 people were prepared. And later on we heard the sound of a tank
- 24 rolling from Chbar Ampov and we heard the bombardments. And then
- 25 one guy was on a motorbike, who told us that the situation was

- 1 not good and they asked us to go back home but I was very
- 2 frustrated because I did not know where I would go.
- 3 Pech went into the workshop where Vann Nath was painting and the
- 4 rest also entered the room. I was the last person to go to that
- 5 room and then I was scolded like the matter of fact of why I was
- 6 so late to arrive there.
- 7 And there were two young children and I asked a woman who these
- 8 children belong to. They said they were the sons of Grandfather
- 9 Cheng On. And then I left.
- 10 [09.43.24]
- 11 While we were inside the room we saw four of them with a hand
- 12 grenade in their hands, and I tried to hide myself, to protect
- 13 myself from being hurt by the grenade if it exploded. So then
- 14 when we left the building we noticed that the tanks already left
- 15 to the east but we were walked at gunpoint and they asked us not
- 16 to run away. They asked us to walk.
- 17 Then we went into a villa for a long period of time before they
- 18 asked us to move to the Chinese Embassy. Then we moved to Wat
- 19 Sansam Kosal. We still heard the airplanes and aerial
- 20 bombardments.
- 21 At dusk we were walked to Chamkar Dong and I think I got lost,
- 22 probably because we were sitting somewhere like at Boeng Choeung
- 23 Ek and I could smell something and then we went to Prey Sar. It
- 24 was so quiet at Prey Sar and at dawn we proceeded further and
- 25 then we reached Ang Snuol at about 7 a.m. and I saw my family, my

- 1 wife. I did not know how she was sent to Prey Sar and I saw a
- 2 few other women at that watermelon plantation.
- 3 Then I asked them if I could carry my child and we walked to the
- 4 other side of the road and while we were crossing the road
- 5 Vietnamese CMC trucks with people on the truck shot at us and
- 6 then we were separated.
- 7 Pech and Vann Nath returned while we were proceeding ahead with
- 8 Dy Phon (phonetic), the dentist, to Amleang. They already ran
- 9 away from us and no one was guarding us. There were only three
- 10 of us left: Ta Eng from Kampong Cham, and my family. So
- 11 altogether there were three people who walked far behind the
- 12 others.
- 13 [09.46.36]
- 14 Then we went to Srah Tol Pagoda and we asked the people there if
- 15 we could have some rice so that we can cook them and eat. Then
- 16 we saw about 50 Khmer Rouge soldiers at Sra Tol Pagoda and they
- 17 asked us where we were from and I said we were from the sewing
- 18 unit, and they asked where we were originally from. We said that
- 19 we were from the east and then they said, "Okay, stay here for a
- 20 while," and wait until we got the letters from the Angkar. Then
- 21 we would proceed further.
- 22 I think it was about at 12 p.m. at night or maybe 10 p.m., the
- 23 soldiers left us and one militia was armed and was seen walking
- 24 around us. And then there were another three people with AK-47s
- 25 who came and asked where were the three people to be killed, and

- 1 the militia said, well, they were still lying down there. And
- 2 then I woke up and then they told us that now we've got the
- 3 letter from Angkar that we could move further and they asked the
- 4 women to walk ahead first because women tend to walk slower than
- 5 men.
- 6 Then we left the pagoda. About one kilometre from the pagoda
- 7 during our journey, they shot. They opened fire on my family
- 8 during the night with a full moon, then my wife told me to run
- 9 away because they opened fire on us. Then Ta Eng was also shot
- 10 at and Ta Eng collapsed and he told me while being -- collapsing
- 11 actually -- he asked me to run away because the soldier was
- 12 shooting at us.
- 13 Then after a moment of quietness then I hid myself near the
- 14 termite mound and they could not find us. I could hear some
- 15 people saying that the guy was hiding near that termite mound but
- 16 actually I had escaped to a nearby location already. I would
- 17 have been killed if I wasn't near the mound. Then I ran further
- 18 and entered a jungle, and at night I started to run again.
- 19 And then at dawn we would hide ourselves in the jungle, only to
- 20 proceed further when dark came. Then I met a woman. I asked her
- 21 whether we reached Thmat Pong. Then I was told that Thmat Pong
- 22 was far behind us now we reached Amleang. And I knew that
- 23 Amleang would not be the best location because those people told
- 24 us that we would be sent to Amleang.
- 25 [09.50.22]

- 1 So we -- I tried to come back. And I had not had any water. I
- 2 was so thirsty and we went without water for a few days. And then
- 3 we reached Phum Thom, or Phum Thom Village near Thmat Pong, and
- 4 we told -- and we asked other people whether we are reaching
- 5 Amleang and they told us we are close.
- 6 So only when I could get to Thmat Pong that we -- I could
- 7 recognize where I could come back to Phnom Penh. So a lot of
- 8 other people were evacuated and driven away by the soldiers. So
- 9 I was carrying a machete, a long knife, and then I tried to cut
- 10 sugar cane to substitute the water that I had been very thirsty
- 11 for quite a long time.
- 12 And then we walked further and then we reached Kdann Roy village.
- 13 We met about 15 soldiers and we saw that a group of villagers was
- 14 still under their control. Then I walked toward them and with a
- 15 machete I knew for sure that whatever happened I would try to
- 16 defend myself with the weapon. Then I reached a location called
- 17 Snao.
- 18 I stated that I came to see my child but actually the child was
- 19 not there. It was just a pretext. Then later on I met my
- 20 family. I met the woman who worked at the sewing unit with my
- 21 wife and then we worked together to collect rice to put them in
- 22 the barn. And then I hide again in the barn.
- 23 At that time I was so scared of the Vietnamese and we lived in
- 24 Baek Chan for some time. I was called to attend a meeting and I
- 25 went together with other people and then I asked if I could

- 1 become a soldier and they said no. And then I said if I could be
- 2 recruited as a soldier I would be deployed at Thra Tol but they
- 3 said no.
- 4 [09.53.35]
- 5 Q.When the Khmer Rouge employed you to work in Phnom Penh what
- 6 happened to your wife? Was she reunited with you in Phnom Penh?
- 7 A. They allowed her to come to live near Chrang Chamreh to work
- 8 in the production unit there. Then when I was sent to Orussei I
- 9 asked them if I could have my family together, work together near
- 10 me. So my family was sent as requested to live -- to work in
- 11 Orussei.
- 12 Q.Do you know who made the decision to arrest you, especially
- 13 the person who issued such decision? Do you know who he was?
- 14 A.I quess before I was arrested there was Mr. Kun who was in
- 15 charge of the sewing unit. Kun was already arrested and his
- 16 subordinate, Grandfather Chum, was the president. Later on Chum
- 17 was arrested and then Comrade Yung was promoted to be the chief.
- 18 Then he told me that in Ratanakiri he was looking after the baby
- 19 elephants for Pol Pot. At that time he burned down the bridge
- 20 which links to Bor Keo area and of course I was the one who was
- 21 part in fixing that burnt down bridge. But I did not tell him
- 22 about this.
- 23 Later on, after Comrade Yung was arrested, there was another
- 24 woman from southwest, Comrade Wan with dark complexion. And then
- 25 there was Comrade Lin who came to work with Comrade Wan. Wan

- 1 and Lin were the two people who made the decision to arrest me
- 2 and send to Tuol Sleng.
- 3 [09.56.30]
- 4 Q.When you were arrested what charges were you told during the
- 5 Democratic Kampuchea regime?
- 6 A. (Microphone not activated)
- 7 THE INTERPRETER:
- 8 The interpreter could not hear Mr. Chum Mey.
- 9 BY MR. PRESIDENT:
- 10 Q.When you were sent to Security Office S-21 were you sent
- 11 directly to that office or were you sent to another location when
- 12 people were waiting to receive you before you were ultimately
- 13 sent to S-21, now known as Tuol Sleng Prison?
- 14 A. When I arrived there were no people to receive us because
- 15 people stormed us and had me handcuffed immediately and I, during
- 16 midway, asked them to look after my family, only to learn that
- 17 they kicked me until I collapsed.
- 18 Q. You said that you were arrested along with other people,
- 19 altogether three of you, and that later on you were unfolded --
- 20 no, you were stripped off and then handcuffed and then detained.
- 21 What about the other three people? Were they treated the same
- 22 like the way you were treated?
- 23 A.I didn't know about that. I only knew about myself.
- 24 Q.We want to know when you were sent and there were three of
- 25 you, so when you were photographed and when you were asked about

- 1 your biography and when the clothes were taken off and the cuffs
- 2 were un-cuffed what happened to the other two; were they in the
- 3 same way?
- 4 THE INTERPRETER:
- 5 The interpreter could not hear the witness.
- 6 MR. PRESIDENT:
- 7 Q.Uncle, please be mindful with the microphone button. You need
- 8 to turn on the button so that the interpreter could hear and
- 9 could interpret for the international audience and the parties.
- 10 So before you speak, please switch on your microphone first.
- 11 So when you were put into the centre, you were put into an
- 12 individual cell where you were by yourself. Is this correct?
- 13 A. That is correct, Mr. President.
- 14 [10.00.36]
- 15 Q. You talked in details regarding the treatment by the S-21
- 16 staff on you from the time that you entered the detention office
- 17 of S-21. The interrogation, together with the torture in the
- 18 form of a hot method, was done on you consecutively for 12 days,
- 19 12 nights. Is that correct?
- 20 A. That is correct, Mr. President.
- 21 Q.You also stated that you were beaten up with a whip or with a
- 22 stick during the interrogation, and because they wanted you to
- 23 use the actual proper words that they used but because you did
- 24 not use the correct words, then you were beaten with 100 lashes.
- 25 What you meant by you were beaten for 100 lashes? What type of

- 1 stick or whip was it; can you describe?
- 2 A.Mr. President, there were bamboo sticks, there were like
- 3 rattan sticks or tree branches the size of a thumb, and at that
- 4 time at the corner I saw a whole bunch of those sticks for used
- 5 to whip or hit on the prisoner.
- 6 Q.When you were beaten during the interrogation were you sitting
- 7 or were you lying with your face down on the floor?
- 8 A.I was sitting and my legs were shackled.
- 9 [10.02.59]
- 10 Q.So you were asked to sit directly on the floor or on a chair
- 11 when you were being interrogated?
- 12 A.I was ordered to sit directly on the floor with my legs
- 13 straight.
- 14 Q.Besides the stick -- that's the word you used, because in your
- 15 previous document you used the word "club", which is different
- 16 from a stick. Now you talk about a stick. Probably the
- 17 difference is the size or the types of the material used, so I
- 18 think that the main difference between the stick and the club is
- 19 the size.
- 20 What about the subsequent torture; what types of tools were used
- 21 on you?
- 22 A.I was not beaten with a club but I was beaten with a stick.
- 23 It's about the size of a thumb and when one was broken they used
- 24 another one.
- 25 Q.And my question is that type of torture; how many times did it

- 1 happen when you were tortured during your interrogation with the
- 2 use of the stick and that your nails were also pulled and you
- 3 were also electrocuted? So I want to know specifically the
- 4 different types of torture. Regarding the sticks, how many
- 5 times?
- 6 A.They used the stick to beat me up every single day during that
- 7 period. They always had a bunch of the sticks ready at the
- 8 corner of a table. And on that table they had a typewriter on it
- 9 and a bunch of sticks just lying nearby, so after I was
- 10 interrogated and beaten then the person came back to type, and
- 11 after that the same process continued. So they always had a
- 12 bunch of sticks ready near the table where they put the
- 13 typewriter on.
- 14 [10.05.40]
- 15 Q.When they interrogated you, what was the main focus of the
- 16 interrogation? What did they want from you during that
- 17 interrogation?
- 18 A.At that time they asked me about the KGB and CIA. That was
- 19 the main focus; nothing else. And if we answered about other
- 20 things then I would be beaten, and if I talked about Kampuchea
- 21 Krom, for example, I was not allowed; they would beat me up.
- 22 Q.And on which session that during that interrogations that your
- 23 toenails were pulled; on which day?
- 24 A.I cannot recall the exact day. However, talking about the
- 25 nail-pulling, I think it was about one week into the period of

- 1 interrogation.
- 2 Q.So it means you were beaten and tortured for interrogation and
- 3 during the process of that torture, about a week later your nails
- 4 were pulled. Can you describe clearly in details the way or how
- 5 they pulled your nails during that interrogation?
- 6 A.Mr. President, the beating with the stick was on a daily
- 7 basis. They had a bunch of the sticks ready. So I raised my
- 8 left hand to defend myself and one of my fingers was broken, but
- 9 because I kept the same response that I did not know anything
- 10 about the KGB or the CIA, then they used a plier to twist my
- 11 toenail and because it was not pulled out then the person pulled
- 12 out my toenail.
- 13 [10.08.11]
- 14 Q.So they did not have to use any extra equipment because your
- 15 legs were already shackled, so they used a pinch or a plier to
- 16 squeeze on your toenail, and then they pulled it out. Did the
- 17 nail detach?
- 18 A.Mr. President, yes, the nail was completely detached from my
- 19 toe. They twisted the nail with the plier and because the nail
- 20 did not come out, so they pull out.
- 21 Q. You mean the entire nail was pulled out or only just part of
- 22 the nail was pulled out?
- 23 A.Mr. President, actually, it's the entire nail was detached
- 24 from the toe.
- 25 Q.Did the nail grow?

- 1 A.Yes, but it was not in formity (phonetic). It was deformed.
- 2 It grew back but it was deformed.
- 3 Q.Can you show us that nail or that toe with the deformed nail?
- 4 That should be it?
- 5 A. (Microphone not activated)
- 6 MR. PRESIDENT:
- 7 The interpreter can not hear the witness.
- 8 [10.09.48]
- 9 BY MR. PRESIDENT:
- 10 Q.You mean the toes from -- on both feet were pulled out?
- 11 (Witness approaches the Bench)
- 12 MR. PRESIDENT:
- 13 The AV Unit, can you zoom into the toes of the witness?
- 14 You can now go back to the table. Thank you.
- 15 BY MR. PRESIDENT:
- 16 Q.So when they tortured you, they used pliers to squeeze and
- 17 pull out your nail. They did on both toes of your feet; is that
- 18 correct?
- 19 A.Yes, that is correct.
- 20 Q.The toe pulling -- was it done just in one session or was it
- 21 done in a subsequent session as well?
- 22 A.On one day, one side of the nails were pulled and the other
- 23 side was pulled out the next day.
- 24 Q. When you were interrogated with torture in the form of
- 25 electrocution, how many times did they electrocute you?

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 30/6/2009

Page 27

- 1 A.Mr. President, I was electrocuted twice and I fell unconscious
- 2 for both times.
- 3 [10.11.49]
- 4 Q.You stated that the electrocution was not in the same form as
- 5 stated by the accused; that is without using the dynamo winding
- 6 manually, but actually the electricity was a full current, 220
- 7 volts from the wall outlet. That is the normal voltage used in
- 8 the office; is that correct? So they used one wire to put into
- 9 your ear?
- 10 A.Yes, when one wire was put into my ear, and when I fell
- 11 unconscious, they pulled the wire out.
- 12 Q. The accused said the method of electrocution was only in the
- 13 form of manual winding dynamo but in real practice, the
- 14 interrogator actually used the current, the voltage from the wall
- 15 outlet. But from what the accused said, the original plan was to
- 16 use the manually winding dynamo, but then if the volt outlet was
- 17 used by the interrogator, probably it was done by the
- 18 interrogators and without his knowledge.
- 19 My next question to you is that during the times that you were
- 20 tortured; for example, when you were beaten up with a lot of
- 21 lashes or when your nails were pulled out or when you were
- 22 electrocuted, a moment after the torture, did they have any
- 23 medics to fix your wound?
- 24 A.No, there were no medics to come and check up on me. I could
- 25 even hardly walk.

- 1 Q.You said on the 7th of January 1979 at 11 a.m. the situation
- 2 was changed so you gathered together with other survivors and
- 3 left the location under the threat by the armed guards to walk in
- 4 line.
- 5 [10.49.49]
- 6 And the question is -- first, how many survivors or at that time,
- 7 how many prisoners were there who walked along with you at
- 8 gunpoint leaving the S-21 office to walk to Tuol Tompong and Prey
- 9 Sar and other locations as you described? How many of you were
- 10 all together and were you cuffed?
- 11 A.Mr. President, I did not count the actual number, but there
- 12 were more than 10 of us. They did not cuff us. We could walk
- 13 freely but they pointed the guns at us.
- 14 Q. How many of you?
- 15 A. There were about 15 of us, Mr. President.
- 16 Q.When you left -- from the time that you left and while you
- 17 were in the forest or while you were lost in the forest or during
- 18 your journey, did you ever meet the accused?
- 19 A.I never met him. Even if I met him, I would not recognize
- 20 him.
- 21 Q.Can you recall the day that Thy came to look for the sewing
- 22 machine repairer or mechanic? Do you know the date?
- 23 A.Mr. President, when he came to ask about that matter I was no
- 24 longer interrogated so they came to look for me at the detention
- 25 cells.

- 1 [10.17.13]
- 2 Q.So you were interrogated for 12 days and 12 nights and after
- 3 that they stopped interrogating you. What was the reason for
- 4 stopping the interrogation?
- 5 A. They stopped interrogating me because I confessed that I
- 6 joined the CIA and the KGB. It was due to my confession.
- 7 Q.Why did they believe your confession? Did you implicate other
- 8 people? Because in the form of interrogation on the biography
- 9 and then your personal activities, and then the activities of
- 10 your network, or the traitorous network and that was a part of
- 11 the structure of the confessions.
- 12 Was the form of the interrogation on you in a similar way,
- 13 talking about your own activities and the activities of your
- 14 network?
- 15 A.Mr. President, I confessed that I did join the CIA or the KGB
- 16 but actually it was a fabrication because I was beaten so
- 17 severely, so I just implicated other people.
- 18 Q.We understand on the truthfulness of the confession but we
- 19 wanted to know about whether after the confession was extracted
- 20 then they stopped torturing you. So they interrogated you and
- 21 then you made a false confession that you acknowledged that you
- 22 were part of a CIA or KGB network with your own traitorous
- 23 network and you just used names of various other people in order
- 24 to avoid being tortured. Is that correct?
- 25 A. That is very correct, Mr. President.

- 1 Q.You entered S-21. Do you recall the date?
- 2 A.I entered on the 28th of October 1978.
- 3 [10.19.54]
- 4 Q.From the 28 of October 1978, besides the experience of what
- 5 you encountered regarding the treatment on you by the S-21
- 6 security staff, did you observe the general situation in this
- 7 office; for example, the condition of the detention, the torture
- 8 or any other situation that you might have observed?
- 9 A.Mr. President, besides myself, the rest -- one day when I was
- 10 fixing the sewing machine, a person was -- three people were
- 11 carried behind my back to be buried near the one big tree.
- 12 Q.Did you ever see any torture being done on other prisoners?
- 13 A.No, I did not, but I could hear the screaming.
- 14 Q.Did you ever see the accused committing any torture on any
- other people during your detention there?
- 16 A.No, I did not see that.
- 17 Q.Because you said you did not even know the accused at the
- 18 time, right?
- 19 When you were released to go and repair the sewing machines,
- 20 besides repairing the sewing machines you were also asked to
- 21 repair a generator, or was it a water pump? So then you were
- 22 asked to repair a water pump. So during that time at night -- so
- 23 let's first ask about your working hours.
- 24 A.Mr. President, the working hours were non-stop. There was no
- 25 rest.

- 2 Q.What do you mean? If people worked without -- non-stop, they
- 3 probably died after one week. So how many sessions did you work?
- 4 day, night, or day afternoon and night shift?
- 5 A.When I was allowed to work in the back I worked in two
- 6 sessions. In the morning I worked from morning until 4 p.m. and
- 7 I only stopped for a meal.
- 8 Q.And at night where did they allow you to sleep?
- 9 A.At night I was taken to the upper floor, to the very top
- 10 floor, and I was put in those long shackles. So I slept in a
- 11 stack of other people. I slept with Ta Tuon , the dentist.
- 12 Q.So it meant even if you were allowed to work to fix the sewing
- 13 machines or the water pumps, at night time after you finished
- 14 your work, after your evening meal, then you were taken to the
- 15 second floor in the common room and you were shackled in a long
- 16 bar as other prisoners, right?
- 17 A. That is correct, Mr. President. We were shackled during the
- 18 entire night and in the morning I was unshackled and then I went
- 19 to work.
- 20 Q.What about the incidents that you saw to children while you
- 21 were working there. You said you saw the two children there
- 22 already or you only saw the two children only on the last day;
- that is the 7th of January 1979?
- 24 A.Mr. President, those two children, from what I could say, they
- 25 went to the location at the back for about one month. In the

- 1 morning they went there. So I looked at them and I asked Comrade
- 2 Sok, who was cooking there, whose children, and I was told they
- 3 belonged to Ta Cheng On, so I stopped asking questions.
- 4 [10.26.02]
- 5 Q.Did you know the fate of what happened to the two children?
- 6 A.No, I did not. However, when I went inside and when the gate
- 7 was closed, the two children were there left where they cooked
- 8 the food.
- 9 Q.Before you left did you observe that within the compound of
- 10 S-21 were there any other remaining prisoners?
- 11 A.Mr. President, from what I could estimate there was no
- 12 remaining prisoner. Maybe only those two children remained. I
- 13 later on heard that the two children stayed amongst the pile of
- 14 clothes.
- 15 Q.I want to know about the remaining soldiers. Were there any
- 16 other prisoners remained or the noise from them that led you to
- 17 conclude that there would be some other prisoners?
- 18 A.No, I did not, Mr. President, because when I left, I left.
- 19 [10.27.30]
- 20 Q.When did you return to Prey Sar Security Office after the
- 21 liberation day of 7 January 1979?
- 22 A.Mr. President, could you please ask again?
- 23 Q.After your trip to Amleang, after you got lost and later on
- 24 you met your current wife and that you tried to hide from the
- 25 Vietnamese soldiers, I want to know when did you return to that

- 1 location at S-21 or Tuol Sleng?
- 2 A.Mr. President, at that time I was working with the Transport
- 3 Section in Oudong.
- 4 It was several months later when Mr. Oeng Bech called me to make
- 5 a movie and the photographs, so all together there were only
- 6 seven of us and I asked why they needed to photograph us. I was
- 7 told that it was for the purpose of giving to an international
- 8 organization and that the previous photos taken by the German
- 9 group was not believed by the United Nations. So the German team
- 10 came again and found the seven of us, took our photos and later
- 11 on it was believed by the UN.
- 12 Q. Thank you, Uncle.
- 13 MR. PRESIDENT:
- 14 It is now time to take an adjournment, so we will adjourn for 20
- 15 minutes and resume at 10 to 11.
- 16 The Court official, could you please help make sure that the

- 21 MR. PRESIDENT:
- 22 Please be seated. The Court is in session.
- 23 We're going to hear the testimony from Mr. Chum Mey and, before
- 24 we proceed further, we would like to remind Uncle Chum Mey that
- 25 you should not press any button on that mike because we have

- 1 already discussed with the A/V Unit and that the mike will be
- 2 activated automatically. So after I put any questions to you or
- 3 other parties put questions to you, what you have to do is to
- 4 wait a moment after you see the red light on the mike to indicate
- 5 that you can start responding.
- 6 And because your testimony will go through the interpretation and
- 7 it takes some time before the questions can be interpreted into
- 8 another language, and then you can also wait before you can
- 9 respond to any questions.
- 10 And the Court officer is advised to please make sure that the
- 11 mike is placed somewhere so that it is convenient enough for him
- 12 to see the red light, so that he knows when to begin responding.
- 13 BY MR. PRESIDENT:
- 14 Q.Uncle Mey, can you tell the Court about the consequences and
- 15 the sufferings you have been inflicted on by the Khmer Rouge
- 16 soldiers and the tortures you sustained during the time when you
- 17 were under captivity at Tuol Sleng? Tell us about the suffering
- 18 you have suffered physically and mentally.
- 19 A.Mr. President, I had been tortured and I have a feeling that I
- 20 was treated more like an animal, and it was so painful because
- 21 when I entered the cell I saw the ammunition box that they put
- 22 for us to relieve ourselves, and I told myself that it was
- 23 horrible because we could not find anything to sleep on except
- 24 lying directly on the bare floor. And we had to relieve
- 25 ourselves at the same place where we ate and slept. And twice a

- 1 week we would be sprayed the water on.
- 2 [10.57.37]
- 3 (Microphone not activated)
- 4 Q.The Chamber notes that your toes have been severely damaged
- 5 because they were tortured and they were pulled by pliers, and
- 6 that you'd also been beaten with sticks and electrocuted.
- 7 However, we have not seen any scars left over from other torture
- 8 techniques except the damaged toes, but we want to know mentally
- 9 how you have suffered from that traumatization.
- 10 Please do not press the mike. Only wait until you see the red
- 11 light, then you can start responding to the question because the
- 12 light only is on when the translation from my question is
- 13 rendered.
- 14 A.When I was tortured I was not a human being; I was an animal.
- 15 And I saw the ammunition box they gave us to relieve ourselves
- 16 and put us to sleep on the bare floor, and I could smell the
- 17 excrement and urine, and they sprayed water on us twice a week.
- 18 Q.Please tell us about your mental fitness after you have
- 19 encountered such experience. How can you cope with such torture?
- 20 So has your mental fitness changed after that?
- 21 A.Mentally I have been paying so much attention to the Court and
- 22 I really would like the Court to find justice for me. That's
- 23 what I am concentrating on. So far I have paid a visit to the
- 24 Court regularly because I would like to know from -- I mean the
- 25 proceedings of the Court.

- 1 [11.01.02]
- 2 I cry every night. Every time I hear people talk about Khmer
- 3 Rouge it reminds me of my wife and kids. I am like a mentally
- 4 ill person now because I could think back about the time when my
- 5 wife was put at S-24, Prey Sar, and I was placed at S-21. She
- 6 was pregnant and I did not know how she could deliver the baby.
- 7 And one day I heard the Judge ask questions about the situation
- 8 at Prey Sar, and I learned that the eight pregnant women -- and
- 9 then I could not hold back my tears when having heard about the
- 10 pregnant women. I could presume that my wife would be among
- 11 them.
- 12 And then when I met her and she said that she had delivered the
- 13 baby already two months back, and then I went -- during my
- 14 journey I saw a woman delivering a baby under the shade of a palm
- 15 tree, then I gave her a krama scarf before I went on with my
- 16 journey. That's why I could not hold back my emotion.
- 17 MR. PRESIDENT:
- 18 Is there any Judge of the Bench who would wish to put questions
- 19 to the witness?
- 20 The floor is yours, Judge Silvia Cartwright.
- 21 BY JUDGE CARTWRIGHT:
- 22 Q. Thank you very much, Mr. Chum Mey, for coming today and for
- 23 being here all through the proceedings. I have just two or three
- 24 questions for clarification.
- 25 Earlier on, the President asked you if you knew what charges you

- 1 were charged with when you were arrested and taken to S-21.
- 2 Unfortunately we didn't hear the translation of that, so I'd like
- 3 to know what your answer was, please.
- 4 [11.04.36]
- 5 A. Your Honour, at that time I was accused of being the CIA and
- 6 KGB agent, and I did not know anything about the groups, although
- 7 I heard of them, and I did not know the roles of those people.
- 8 And even until now I am still longing for the reason why I was
- 9 accused of being CIA and KGB, because I have never known anything
- 10 about them.
- 11 Q.So the first people to mention CIA or KGB to you were those
- 12 who arrested you. Is that correct?
- 13 A. That is correct. However, I am not satisfied even until now
- 14 because my two-month old baby was taken away to be executed and
- 15 that at the location there were about 2,000 children who were
- 16 detained, and I saw a very old lady who was detained. I did not
- 17 know how this old lady and the young children could end up being
- 18 CIA or KGB agents. So I could presume that what they were doing
- 19 was to really eliminate a race.
- 20 Q.When you say that 2,000 children were detained and your
- 21 two-month old child was taken away, are you talking about Prey
- 22 Sar or S-21?
- 23 A.When I left S-21 I met my wife at Prey Sar, further from Prey
- 24 Sar. It was Ang Snuol area and my wife already gave birth to my
- 25 son, and we met three women and I asked if I could carry the

- 1 baby. Then we crossed the road to the other side -- to the
- 2 north, of course -- and then there were two Vietnamese trucks,
- 3 and then people fired from the trucks on us and we were
- 4 separated, and I went to the north with Grandfather Eng and
- 5 Grandfather Dy Phon.
- 6 [11.08.00]
- 7 Q. Thank you.
- 8 It's probably a translation problem, but may I just clarify?
- 9 Were you carrying your two-month old son after you met your wife
- 10 and the three women, or was this some other person's child?
- 11 A.Your Honour, I was carrying my own son at the time and when we
- 12 were crossing to the north side of the road the Vietnamese shot
- 13 at us so we split; half went to the front and the rest stayed
- 14 behind. I saw my son from 7 a.m. until 7 p.m. when we were
- 15 separated.
- 16 Q.So did your wife and son both get killed at that stage when
- 17 the Vietnamese fired on you?
- 18 A. Your Honour, my son did not die at that time. After the
- 19 Vietnamese soldiers shot at us, I made a journey together with my
- 20 wife. And when we reached near Srah Thol, I saw a woman
- 21 delivering a baby under the shade of the palm tree, so my wife
- 22 gave a scarf to that woman. And then we continued our journey
- 23 until we reached Srah Thol Pagoda, and at that pagoda we entered
- 24 the pagoda asking for some rice from the villagers in order to
- 25 cook our rice or gruel.

- 1 [11.10.12]
- 2 And at that location we saw about 50 soldiers and they asked us
- 3 where we came from and I told them we came from the sewing
- 4 factory and that I came from the -- my village was from the east.
- 5 And we were asked to wait until we get the letter from Angkar
- 6 then we would be given the food ration. So we stayed there.
- 7 And from what I can recall it was about 12 o'clock. The soldiers
- 8 left and there was one militia man who was quarding us, walking
- 9 around the bed that we were sitting on, and it was about 12 a.m.
- 10 midnight. There were some armed people coming to ask for us,
- 11 "Where are those three who are supposed to be killed?" and the
- 12 militia men told, "They were here sleeping on the bed." So when
- 13 I heard that I woke up.
- 14 And then they told me now they already receive a letter from
- 15 Angkar and we had to travel, and they said the females had to go
- 16 first because they walked slow. And after we walked past the
- 17 pagoda, about one kilometre, however, it was a full moon so we
- 18 could see, and then there was a spray of fires, the bullets
- 19 flying around, and my wife shouted for me to go, to flee. And
- 20 then Ta Eng, who was in front of me, he collapsed, and he also
- 21 told me to run.
- 22 So I run away and they shot behind me, and then I concealed
- 23 myself behind a termite mound and then I crawled along the rice
- 24 dyke and they were looking for me around the termite mound but I
- 25 already left the termite mound at the time.

- 1 [11.12.23]
- 2 So I fled, however, I did not know which direction I took because
- 3 I was lost. And it's about dawn. I went back and hide myself in
- 4 the bush, and then when it was dark I continued running again for
- 5 three nights in a row. So on the third night, I saw two women
- 6 carrying a basket of rice on their head and I asked them whether
- 7 I was almost near Thmat Pong and I was told that "No, it's wrong.
- 8 You are almost reaching Amleang and Thmat Pong was behind."
- 9 So I ran back. After I ran back, when it was light then I went
- 10 and hide myself in the forest and when it's dark I continued
- 11 running again. And when I almost reach Thmat Pong Mountains --
- 12 it's called Phum Thom Village -- after I asked them, they told me
- 13 that it's not far -- that Thmat Pong was not far -- and that was
- 14 about 4 or 5 a.m. So I made my trip to Thmat Pong Mountain and
- 15 at the base of the Thmat Pong Mountains -- when I left, there
- 16 were a lot of people living on the base of the mountain but when
- 17 I went back nobody was there; all gone.
- 18 So I went into a hut and I found a long knife and I took the
- 19 knife and carried the knife and I cut two sugar canes. I ate the
- 20 sugar canes and I almost swallowed the sugar canes after I sucks
- 21 at the juice because I was so hungry.
- 22 So I took the same path that I went in order to go back, and then
- 23 along the way I met a group of 15 people who were asked to
- 24 prepare the oxcarts going to Amleang, and I was asked where I
- 25 went. I told the person that I went to Snao Co-operative to pick

- 1 up my children.
- 2 And when I went to Snao, I was asked again and I told them that I
- 3 went to Kreng to pick up my children. And at Kreng, I met my
- 4 current wife who was there. So we stayed in that house. We
- 5 collected some rice. And once the Vietnamese truck convoy
- 6 driving past, I fled and I was warned not to flee otherwise I
- 7 would be shot, so I concealed myself.
- 8 [11.15.19]
- 9 And, later on, near -- I came to Baek Chan when people came to
- 10 the village of Baek Chan.
- 11 And at Baek Chan factory, I stayed there for a while and I was
- 12 still fearful of Vietnamese soldiers, so every time I saw
- 13 Vietnamese soldiers walking by, I concealed myself in the rice
- 14 barn. Every time I saw Vietnamese soldiers, I was so scared and
- 15 I hide.
- 16 Q.Can I just go back to when the militia men fired guns at your
- 17 wife? I understand everything that you have told me, but I need
- 18 to clarify, is that when your wife was killed and was that when
- 19 your baby was killed? Is that the correct time?
- 20 A. Your Honour, at that time my son was alive. He was crying.
- 21 After I fled for quite a long distance, I could not hear his cry
- 22 anymore.
- 23 Q.Now, just going back very briefly to the CIA and KGB, you have
- 24 told me that you had heard those words before but you did not
- 25 understand what they meant. Is that correct?

- 1 A. Your Honour, that is correct.
- 2 Q.Thank you. And, finally, you said you saw two children as you
- 3 left S-21 and you knew whose children they were. Did you know
- 4 the parents of these children? Were they also detained at S-21
- 5 or how did you know their names?
- 6 [11.17.54]
- 7 A. Your Honour, the children whom I saw I didn't know how they
- 8 survived, but when I was working at the back, the children came
- 9 out to look for food or gruel, and at night time I did not know
- 10 where they slept, however, during the day they went to the
- 11 kitchen at about 7 or 8 a.m. And when I asked the cook, Comrade
- 12 Sok, about the children and about their parents and I was told
- 13 that they belonged to Ta Cheng On.
- 14 Q.And was Ta Cheng On a member of the staff or someone who was
- 15 also a prisoner at S-21?
- 16 A. Your Honour, I did not know who Cheng On was.
- 17 Q. Thank you very much.
- 18 JUDGE CARTWRIGHT:
- 19 Mr. President. I have no further questions.
- 20 MR. PRESIDENT:
- 21 Judges of the Bench, do you have any questions?
- 22 Judge Lavergne, you take the floor.
- 23 [11.19.22]
- 24 BY JUDGE LAVERGNE:
- 25 Q.Good morning, Mr. Chum Mey.

- 1 If I understood correctly your statement, you have said that you
- 2 did not know the accused at the time when you were detained in
- 3 S-21. Is this what you really said or did you meet the accused
- 4 at that time?
- 5 A.Your Honour, I did not meet the accused or know him. I only
- 6 heard through Comrade Sok that the children belonged to Ta Cheng
- 7 On, and after the fall of Phnom Penh then when the gate was
- 8 closed the children were left behind at the kitchen and later on
- 9 I learned that the children concealed themselves behind a pile of
- 10 clothes.
- 11 Q.I also understood you to say that when you were arrested you
- 12 were immediately ill treated. You were photographed, you were
- 13 asked to give your biography, and after that you were led into an
- 14 individual cell. Is this correct? Is this what you actually
- 15 said?
- 16 A. Your Honour, before I was taken to that detention I was
- 17 stripped of the clothes. I only had shorts on my body. At that
- 18 time I was taken to the cell. They put the chain on me first,
- 19 then they removed the cuffs and the blindfolds.
- 20 Q.Could you for the Court give us a brief description of this
- 21 cell? How large was it? Could you lie down? Were there other
- 22 detainees in the cell with you or close to you? Could you give
- 23 us a description of what it was like?
- 24 [11.24.09]
- 25 A. Your Honour, in that cell when I was placed in there I was

- 1 asked to sleep on the floor directly and I was told the cartridge
- 2 was for me to relieve myself and the plastic container was for me
- 3 to urinate, and I was ordered not to talk to the neighbours, to
- 4 the prisoners who were in a separate room. And when they put the
- 5 chains on my legs I was ordered to ask for permission if I
- 6 changed my position when I slept. Otherwise, I would receive 200
- 7 lashes.
- 8 Q.You remained in that cell throughout the whole duration of
- 9 your interrogation period and then it is only after the end of
- 10 your interrogation that you were put in a collective cell. Is
- 11 this correct?
- 12 A.Your Honour, at that time when I was placed in the individual
- 13 cell during the interrogation period, once the interrogation
- 14 completed I was moved to put in a common room where I was
- 15 shackled in a long row of bars with other inmates. At that time
- 16 Dy Phon, the dentist, was also detained in that same room with
- 17 me.
- 18 Q.It is at the time when you were in the common room that
- 19 somebody came up asking whether there were any mechanics
- 20 available, or was that question put to you before you got to go
- 21 and stay in the common room?
- 22 A. Your Honour, before I was placed in the common room I was in
- 23 the individual cell but once the interrogation was over I was
- 24 asked whether I came from the sewing factory and I told him yes.
- 25 Then Comrade Thi (phonetic) told me that tomorrow I would go to

- 2 to flee. Otherwise, I will be shot dead.
- 3 So the next morning I was given a set of clothes.
- 4 [11.26.11]
- 5 Q.Could you please tell us -- no, excuse me -- these common
- 6 rooms were on the second or third floor of the building. Is this
- 7 correct? The common rooms were upstairs or where were they?
- 8 Could you explain to us where they were located in the building?
- 9 A. Your Honour, It was on the top floor. It was the third floor
- 10 of that building. The first floor was the individual cells. The
- 11 second floor was those with the wooden cells and on the top floor
- 12 it was the common room with the shackles and the long bars.
- 13 Q.In the common room was there a blackboard with instructions
- 14 and rules that you had to follow?
- 15 A. Your Honour, in the common room there was no blackboard.
- 16 Q.All the detainees in the collective room in the common room,
- 17 were they all in the same kind of situation as you? Were they
- 18 going to be working like you for S-21 or were there in that
- 19 common room people who were detainees on a constant basis?
- 20 A. Your Honour, I did not know clearly whether they were
- 21 detainees there on a permanent basis but usually when I entered
- 22 in the evening all of us were shackled. And when we were all
- 23 shackled, I quietly asked the person next to me why the truck
- 24 arrives at that hour, and the person whispered to me that, "Be
- 25 quiet, the truck came to take us to be killed at Choeung Ek."

- 1 That's what I was told.
- 2 That was told to me by the person who lied down next to me.
- 3 Q.You were detained in that common room until the release from
- 4 S-21, or did you have some other detention arrangement or regime?
- 5 A. Your Honour, I did not stay in anywhere else besides that one.
- 6 Q.During the duration of your detention, which was of several
- 7 months, can you give us an idea of how long you stayed in this
- 8 common cell or can you tell us if you noticed that prisoners were
- 9 being taken away by the guards?
- 10 [11.30.29]
- 11 Was there a lot of change or were there always the same prisoners
- 12 staying there?
- 13 A.At that time there were always new detainees. Sometimes for
- 14 one night new people, new prisoners were in that room and some
- 15 old ones left. For the new ones who came in I saw the clothes
- 16 with the mud on.
- 17 Q.Do you know what happened to these co-prisoners who were
- 18 sharing the same cell with you? Do you know, in particular
- 19 before the end of S-21, if the cell was emptied out in one go or
- 20 were people leaving successively?
- 21 Could you tell us a little bit what happened? And can you tell
- 22 us the amount of people who were detained with you in this cell?
- 23 A. Your Honour, some people left; some people returned; and some
- 24 people reached Amleang. What I was knowing for sure, Ta Thuon,
- 25 the watch repairer, died and Dy Phon, he also died. Dy Phon was

- 1 the dentist whom I refer to.
- 2 Q.When you say they died, you mean they died at S-21 or did they
- 3 die afterwards?
- 4 A. Your Honour, they died at the vicinity near Amleang. From
- 5 what I know, the accused also said the other day during his
- 6 hearing that Dy Phon died of illness.
- 7 [11.33.07]
- 8 Q.Do you have an idea of the amount of people who were in this
- 9 cell, the amount of people who were with you who were detained in
- 10 this common cell?
- 11 A.In the common room, from what I could estimate, there were
- 12 about 40 of us.
- 13 Q.Can you tell us where the workshop was located; the workshop
- 14 where you were working?
- 15 A.Your Honour, the workshop where I did the repair, it was to
- 16 the back. It was outside the fence. At that time there was
- 17 another fence and the workshop was on the big compound covered
- 18 with zinc. However, the workshop had no walls and there was a
- 19 pile of clothes. When the prisoners were taken and killed at
- 20 Choeung Ek, they brought back the clothes and they piled the
- 21 clothes there.
- 22 Next to that location there was a kitchen with a big rice cooking
- 23 pot. And next to that, that was the workshop where I repaired
- 24 the machines. At another location nearby at Ta Kong's location,
- 25 it was a wood workshop. He fixed chairs, tables, etcetera.

- 1 Next to that it was like a rabbit or chicken farm and pig pen.
- 2 So I usually fixed the sewing machines in the workshop and
- 3 sometimes I saw dead prisoners were carried to be buried next to
- 4 the big tree there.
- 5 They did not have any proper stretchers to carry, but they have a
- 6 handmade zinc just to carry the dead bodies, and that big tree
- 7 was just opposite the workshop where I fixed the sewing machines.
- 8 [11.36.04]
- 9 Q.So if I understand correctly, the workshop was not in one of
- 10 the buildings of the main compound, it was behind the buildings
- 11 and you said that there were no walls. Was there a roof,
- 12 however?
- 13 A. That is correct, Your Honour. There were no walls. However,
- 14 there was a roof on the workshop.
- 15 Q. When you were in the workshop, was there a guard there on a
- 16 constant basis to watch over you? Were you chained? Were there
- 17 measures taken concerning you or did you enjoy a certain amount
- 18 of freedom -- well, freedom quote unquote, we can say.
- 19 A. Your Honour, we were not allowed to move freely. Where we
- 20 worked, we had to stay at that location. Of course, if we just
- 21 go to relieve ourselves, yes, we could. And there was a person
- 22 guarding us. His name was Chab.
- 23 Q. How many people were working with you in this workshop?
- 24 A.Your Honour, there were Ta Pech, Ta Kong, myself, and Ta Dy
- 25 Phon. So there were four or five of us altogether. Pech, Dy

- 1 Phon, Ta Kong and myself, so four.
- 2 Q.Well, what happened to these prisoners? Were they still there
- 3 when S-21 was liberated, or what happened at the end of S-21?
- 4 A.At that time two people returned, but Grandfather Thuon and
- 5 Grandfather Dy Phon did not return, leaving only Mr. Pech and
- 6 Grandfather Kong who have seen returned. Now Grandfather Kong
- 7 and Pech already died. They just died recently.
- 8 Q.When you say that two people did not come back, return, do you
- 9 mean that they disappeared because they had been taken away by
- 10 S-21 guards or were they alive and they did not return because,
- 11 well, you didn't get any news from them?
- 12 A.I have not heard any news about them, but I heard the accused
- 13 say that Grandfather Dy Phon died, and I asked people who
- 14 returned who confirmed that Ta Thuon, or Grandfather Thuon, also
- 15 died.
- 16 [11.41.08]
- 17 O. You explained to us that you were able to find your wife again
- 18 at Prey Sar and during your entire stay at S-21 did you receive
- 19 any news from your wife and from your family? For you, seeing
- 20 your wife again, was it a real discovery to find her again and to
- 21 find her alive?
- 22 A.At that time I had no connection with my family who were
- 23 detained at Prey Sar. Only after I left Tuol Sleng I met her
- 24 accidentally at the watermelon plantation while the Vietnamese
- 25 troops opened fire on us.

- 1 Q.Well, I know that many questions were put to you and it must
- 2 be very painful for you, but I still need to clarify this. So if
- 3 I understood well, you met your wife again with your baby and
- 4 then this attack occurred, an attack coming from soldiers who
- 5 were in a Vietnamese army truck, and it is as of that moment that
- 6 you were separated from your wife and that you no longer had any
- 7 news from your wife and from your baby? Is that what I must
- 8 understand? Or did you find your wife again after this incident
- 9 with the Vietnamese soldiers?
- 10 A.When I left Tuol Sleng, we were walking and we spent a moment
- 11 at Prey Sar. We only left Prey Sar at dawn and we reached Ang
- 12 Snuol when I met my wife, who had given birth to my baby two
- 13 months ago, and then my family was asked to walk to Amleang with
- 14 other women, and I asked them if I could carry my baby. Then we
- 15 were walking -- we were crossing the road to the other side,
- 16 heading to Ang Snuol.
- 17 [11.44.25]
- 18 Then we saw two trucks of Vietnamese soldiers who immediately
- 19 opened fire at the Khmer Rouge soldiers, and during the attack we
- 20 were separated. I mean the group of people were separated and
- 21 then people went to the north and I walked with my wife to the
- 22 north while the attack was still intensified. And then after
- 23 all, only I, my wife and Grandfather Eng were walking separately
- 24 to Amleang, though we didn't know where Amleang would be.
- 25 Q.Can you tell us the number of people from your family who died

- 1 during the Democratic Kampuchea period? You spoke about a child
- 2 that you lost during the evacuation from Phnom Penh. Did other
- 3 members of your family die during this period?
- 4 A.First my child died at Preik Kdam and other two daughters, and
- 5 later on when I worked at Orussei my daughters were made to sew,
- 6 and when Phnom Penh was liberated we were deported and I did not
- 7 know where the daughters had gone. So I presume that they all
- 8 died, including -- altogether five members of my family died.
- 9 And when I got back to my village, all members of the three
- 10 families, only two returned. The other disappeared. They
- 11 belonged to my relatives.
- 12 Q.Thank you very much, Mr. Chum Mey, for your testimony. I no
- 13 longer have any further questions. Thank you.
- 14 [11.47.53]
- 15 MR. PRESIDENT:
- 16 Is there any other judge who would wish to put further questions
- 17 to the witness? The floor is yours.
- 18 There are no further questions from the Bench, and since it is
- 19 now time to take an adjournment for lunch, so we will take the
- 20 adjournment and resume at 1.30 p.m.
- 21 The court official, please make sure that Uncle Chum Mey is
- 22 offered refreshment and food, and the accused is now advised to
- 23 be taken back to the detention facility by the guards and
- 24 returned to the courtroom by 1.30 p.m.
- 25 (Judges exit courtroom)

- 1 (Court recesses from 1148H to 1331H)
- 2 (Judges enter courtroom)
- 3 MR. PRESIDENT:
- 4 Please be seated.
- 5 The Court is now in session.
- 6 Before we proceed further, when the floor is given to the
- 7 prosecutors, the Chamber would like to inform the parties to the
- 8 proceeding concerning the schedule for hearing the testimony of
- 9 the witness raised by the parties.
- 10 So the Chamber would like to inform that we have our actual plan
- 11 to hear the witnesses starting from the second week of July.
- 12 Then, by then we will have the planned schedule, because now we
- 13 have been waiting to select the witnesses to be heard here,
- 14 except witness KW-24, because yesterday the Chamber told the
- 15 parties and has given the opportunity to the prosecutor to give
- 16 their remarks concerning the removal of witness KW-24.
- 17 [13.33.50]
- 18 So after the decision is made regarding that witness, the Chamber
- 19 will issue the schedule -- the actual schedule to the parties,
- 20 and we believe that it is not yet too late for issuing such
- 21 schedule, because during this week we are going to hear only the
- 22 survivors of the S-21.
- 23 We would like now to give the floor to the prosecutors to put
- 24 questions to Uncle Chum Mey. The prosecutors are advised that
- you have 30 minutes to put such questions.

- 1 The floor is yours.
- 2 QUESTIONNING BY THE CO-PROSECUTORS
- 3 MR. TAN SENARONG:
- 4 Thank you, the President, your Honours.
- 5 Since the time is limited the prosecutor would like to put the
- 6 questions straight over to the witness.
- 7 [13.35.06]
- 8 BY MR. TAN SENARONG:
- 9 Q.Mr. Chum Mey, during the times when you were detained at S-21
- 10 have you recognized any cadres clearly?
- 11 A.Mr. Co-Prosecutor, I have not recognized those people clearly
- 12 because during the time before I was sent into S-21 I was
- 13 blindfolded.
- 14 Q. The next question: When you were being tortured and
- 15 interrogated, how many people interrogated you during the 12 days
- 16 and nights, as you said, and were the interrogators the same
- 17 people or were there new faces also?
- 18 A.At that time, not only Comrade Sieng interrogated me, Tith
- 19 also interrogated me too. Hor did not interrogate me, he only
- 20 beat me up.
- 21 Q.When you were beaten physically, which parts of your body were
- 22 you hit?
- 23 A. I could not defend myself. I was put to sit on the floor
- 24 while my ankles were shackled. And, when I hurt so much, I used
- 25 my hands to protect me and this led to the fingers broken.

- 1 Q.So you were beaten on the body. Have any scars left so far,
- 2 on your body?
- 3 A.Nothing left. No scars is left except the toes and the
- 4 fingers.
- 5 [13.38.00]
- 6 MR. PRESIDENT:
- 7 Uncle Mey, could you please be reminded again that wait until you
- 8 see the red light otherwise your response would not be
- 9 communicated because interpreter would not be able to get your
- 10 message across.
- 11 The Court official, could you please move the mike away from him
- 12 a little bit so that he can see the red light when it is on?
- 13 Okay, so please, move ahead with your questions.
- 14 BY MR. SENARONG TAN:
- 15 Q.Can I seek your clarification that the three people, Sieng,
- 16 Tith and Hor, were they all present every time during the 12 days
- 17 and 12 nights when you were being interrogated?
- 18 A.Sometimes, I saw Comrade Tith who came to interrogate me for a
- 19 few days. Then they took turns. Then Tith would come. But Hor
- 20 only came to torture me with a stick. When the stick was broken,
- 21 he would take another stick to beat me.
- 22 Q.Who took a record of your confession? Did you give a
- 23 thumbprint on the confession?
- 24 A. At that time, Seng had a typewriter on the table. After
- 25 interrogation, then if I did not respond, then they would beat me

- 1 up and then they would type something.
- 2 [13.39.58]
- 3 Q.So there was only one person who interrogated you and one who
- 4 did the typing?
- 5 A.One person took two roles. I mean, he beat me up and after
- 6 that, he typed. So the same person performed two tasks, beating
- 7 and working on the typewriter. But Hor only came to beat me once
- 8 while the other two would come regularly.
- 9 Q.You said you were electrocuted. During the 12 days and 12
- 10 nights of interrogation, in which day were you electrocuted?
- 11 A.I was shocked maybe on the eighth or ninth day.
- 12 Q.When you were let to work at the workshop to fix the sewing
- 13 machine, do you remember whether the workshop is close to the
- 14 place where Vann Nath would paint his paintings?
- 15 A.It was a bit far from one another. Vann Nath worked on his
- 16 paintings in the workshop, but I worked outside of the fence to
- 17 the other part, near the kitchen.
- 18 Q.Have you ever heard any cries or screams from children or
- 19 people who would have been detained there.
- 20 [13.42.2]
- 21 A.At that time, I didn't think I could hear anything because we
- 22 heard children cries and we heard female and male who exchanged
- 23 verbal attacks and then it -- too noisy to hear other things.
- 24 Q.Thank you.
- 25 When you were detained, the accused and Vann Nath already stated

- 1 that the trousers or the pants that were given to you or other
- 2 prisoners did not have the string or a rubber string. So were
- 3 you given such pants with such string?
- 4 A. The pants that I was given had an elastic string, but before I
- 5 went to S-21, I made use of a car inner tube for my elastic
- 6 string to hold my trousers.
- 7 Q. Thank you. So when you were put to work at the workshop with
- 8 Vann Nath, there were 15 people. Is that correct?
- 9 A. (Microphone not activated)
- 10 MR. PRESIDENT:
- 11 The Uncle, could you please wait to listen to the question and
- 12 then wait a moment until the translation is finished so that you
- 13 can answer. But please respond only when the light is on.
- 14 BY MR. SENARONG TAN:
- 15 Q.When you were guarded and put into a painting room and you say
- 16 that there were 15 people, is that correct?
- 17 A. That's correct.
- 18 [13.44.30]
- 19 Q.Did you see women also inside that workshop?
- 20 A.I did not see any women.
- 21 Q.When you left the prison for Prey Sar, did you notice that the
- 22 women also left with you, because the accused said that Lach
- $\,$ Dara, $\,$ who was the medic and who was the niece of Nuon Chea, also
- 24 left on the 7th of January 1979 while the Vietnamese troops were
- 25 approaching. So did she go with you to Prey Sar at that time?

- 1 A.I did not see any women going with me. While we left Tuol
- 2 Sleng, we stopped at the corner intersection. I did not see any
- 3 women. And then when we reached Wat Sam Sal (phonetic) and for
- 4 the whole night we spent there, I did not see any women.
- 5 And then we moved further until we reached Prey Sar, and I did
- 6 not see any women there. At dawn, we left Prey Sar until we got
- 7 to Ang Snuol, the watermelon plantation; that I saw a few women
- 8 and I saw my wife.
- 9 Q. Thank you, Mr. Chum Mey for answering my questions.
- 10 I would like to give this opportunity to my colleague to put
- 11 further questions.
- 12 MR. PRESIDENT:
- 13 The Co-Prosecutor, the floor is yours.
- 14 [13.46.40]
- 15 MR. SMITH:
- 16 Thank you, counsel. Mr. Chum Mey, good afternoon.
- 17 BY MR. SMITH:
- 18 QI just have a few questions in relation to your testimony this
- 19 morning.
- 20 The first question is when you left Phnom Penh in 1975, on the
- 21 17th of April, you said you were forced out by the Khmer Rouge.
- 22 Is that correct?
- 23 A. That is correct.
- 24 Q.And on the way out of Phnom Penh, you said the roads were
- 25 full; people leaving Phnom Penh, and you said that three people

- 1 were shot. You saw three people shot.
- 2 Can you tell the Court who those people were; were they soldiers
- 3 or civilians? And can you also tell the Court who actually shot
- 4 them? This is on the way out of Phnom Penh.
- 5 A.I probably cannot catch your question. Could you please
- 6 repeat because I did not say that three people were shot. I
- 7 don't remember saying that this morning.
- 8 Q.I apologize. I may have misheard you. In any event, on the
- 9 way out of Phnom Penh, you said there were a number of dead
- 10 bodies. Can you tell the Court whether those dead bodies
- 11 appeared to be soldiers or civilians?
- 12 [13.48.34]
- 13 A.I did not inspect the dead bodies seriously, but I saw the
- 14 swollen bodies and I stepped on them. And when I fetched the
- 15 water and after cooking my meal at about 4 a.m. we were forced
- out and moved further on National Road Number 5, and along the
- 17 road we could see the fish ponds and we saw the dead bodies lying
- 18 along the road and in those ponds, and we saw fish feeding on
- 19 those corpses and we just proceeded further.
- 20 Q. Thank you.
- 21 From your experience from leaving Phnom Penh, are you able to say
- 22 what happened to people that decided that they didn't want to go?
- 23 From your observations, are you able to say?
- 24 A.I think I talked already about the situation at Psar Depo.
- 25 When the Khmer Rouge came, we put up a white cloth to cheer them

- 1 up, along with the other people, and later in the afternoon,
- 2 about 5 p.m. or 6 p.m., then the Khmer Rouge told us that we had
- 3 to leave Phnom Penh, five kilometres far from Phnom Penh, to
- 4 avoid being bombarded by the Americans.
- 5 So we first did not want to leave, but then they forced us and
- 6 opened fire, and a few people collapsed. That's why I could not
- 7 stand any longer, but I came home and brought with me the family
- 8 to leave Phnom Penh.
- 9 Q.And I'm sorry to raise this again, but you said that after you
- 10 were evacuated or forced out of Phnom Penh that your two-year old
- 11 son died. Can you tell the Court whether your son was sick
- 12 before he left Phnom Penh or was it through the process of being
- 13 evacuated that he became ill and died?
- 14 A.My child had not been sick before. When we spent some time at
- 15 the location where I saw the corpses, he was falling ill, and
- 16 then we crossed the river to the other side of the river and then
- 17 it rained, and my child developed diarrhoea and fever, and I
- 18 asked for some medicines from Angkar, but I would be referred to
- 19 another person who would be the Angkar but I could never find the
- 20 Angkar to get the medicine, and later on the sickness was severe
- 21 until he died and I buried him before we could travel or move
- 22 further.
- 23 Q. Thank you.
- 24 Perhaps now if we could move to S-21, when you were there from
- 25 the 28th of October to early January 1979.

- 1 You've testified today that you didn't see the accused, Duch, at
- 2 S-21. You've also testified that you didn't see him torture.
- 3 While you were at S-21 did you hear of his name? And the reason
- 4 why I ask you that is that in your statement to the
- 5 Co-Prosecutors at D200146779 -- that's the English ERN and we'll
- 6 supply the Khmer shortly -- you stated, "I only heard from others
- 7 that Duch was the big chief there."
- 8 [13.53.32]
- 9 My question is did you hear from others that Duch was the big
- 10 chief whilst you were at S 21 back in 1978 and early 1979, or did
- 11 you only hear that afterwards?
- 12 A.Regarding the person named Duch, I never saw him. Even if I
- 13 would have seen him, I would not recognize him. I only heard
- 14 that he was the big chief of Tuol Sleng because Grandfather Dy
- 15 Phon who was detained next to me told me about Duch and I never
- 16 looked into his face, even if I had seen him.
- 17 Q. Thank you.
- 18 And that was told to you whilst you were in the large cell. Is
- 19 that correct?
- 20 A. That is correct.
- 21 Q.I just have a couple of questions about the large cell in
- 22 which you were detained.
- 23 MR. SMITH:
- 24 And I would ask, Mr. President, that we show on the screen D69.
- 25 It's a video clip -- D69/V00172525 and it's at the 42-second

- 1 mark. It's a picture of what we believe to be the large cell,
- 2 and I would ask that the witness be able to comment on that.
- 3 JUDGE CARTWRIGHT:
- 4 Just as a matter of clarification, Mr. Smith, is it a video that
- 5 is part of the material provided by the expert appointed by the
- 6 Court? I can't remember his name. It starts with Z.
- 7 [13.55.55]
- 8 MR. SMITH:
- 9 It's Mr. Zoran Lesic.
- 10 JUDGE CARTWRIGHT:
- 11 Yes.
- 12 MR. SMITH:
- 13 No, it's not. It's separate video material that was provided and
- 14 placed on the case file last year.
- 15 JUDGE CARTWRIGHT:
- 16 But it's not the material that's still under consideration, the
- 17 Vietnamese film?
- 18 MR. SMITH:
- 19 No, Your Honour, it's quite separate.
- 20 JUDGE CARTWRIGHT:
- 21 Thank you.
- 22 [13.56.28]
- 23 MR. PRESIDENT:
- 24 The AV Unit is advised to project that document, please, if you

- 2 BY MR. SMITH:
- 3 Q.Mr. Chum Mey, do you see a photograph on your screen? It's a
- 4 photograph that we believe to be a photograph of a large cell at
- 5 S-21. Can you look at that photograph and comment on whether or
- 6 not that was similar to the situation that you were in when you
- 7 were placed in the large cell in the evening for those two months
- 8 in 1978?
- 9 A.I think, looking at the people who were lying down on the
- 10 floor, it would have been in the large common room, but having
- 11 seen him sitting up like this, I don't know whether it is taken
- 12 from that cell because people would not be allowed to sit up.
- 13 Q. Thank you.
- 14 MR. SMITH:
- 15 And perhaps if we can just show a brief video clip which comes
- 16 from this video, Your Honour. It's from 43 seconds to 59 seconds
- 17 and this is what is believed to be a reconstruction of what a
- 18 large cell looked like back in 1978.
- 19 BY MR. SMITH:
- 20 Q.Can you look at this film clip and tell the Court whether or
- 21 not that's a familiar sight to you, bearing in mind where you
- 22 stayed in the large cell?
- 23 MR. SMITH:
- 24 Your Honour, with your permission can we play the video?
- 25 MR. PRESIDENT:

- 1 Could you please verify the reference number to this video clip;
- 2 for example, the ERN number or D number like that, please?
- 3 MR. SMITH:
- 4 Thank you, Your Honour. It's the same video, D69/V00172525, and
- 5 it's from 43 seconds to 59 seconds and it's a documentary
- 6 produced by Bill Brumell in relation to S-21.
- 7 MR. PRESIDENT:
- 8 The audio and visual officer, could you arrange to have that
- 9 video clip displayed?
- 10 (Video recording played)
- 11 [14.00.14]
- 12 BY MR. SMITH:
- 13 Q.Mr. Chum Mey, that video clip that was on your screen was not
- 14 a video clip from 1978 but a reconstruction as to what witnesses
- 15 had said that large room was like. We would like your comment on
- 16 the accuracy of that video clip, as to whether it accords with
- 17 your experience being placed in that large room for those two
- 18 months.
- 19 A.Mr. Co-Prosecutor, that video clip which I just saw is exactly
- 20 the same to the condition that I was in at the time. However,
- 21 the previous photo of a person sitting was not usual because
- 22 usually if everybody lies down all have to lie down; if you
- 23 wanted to sit up you had to ask for permission.
- 24 Q.And perhaps one question about that large room. You testified
- 25 today that often people were taken out of that large cell and

- 1 never returned. Can you tell the Court how often people were
- 2 taken out of that room? Was it -- well, how often?
- 3 A.People were taken out -- previously they were taken out from a
- 4 different long bar, and in one incident three people from the
- 5 same long bar were taken from my room.
- 6 Q.And when they were taken out did the guard come into the room
- 7 or were they called out from the door?
- 8 A.People would come and unlock the long bar, but before that our
- 9 hands would be cuffed to the back before the long bar would be
- 10 removed, so they first cuffed our hands to the back.
- 11 Q.And one last question. If you can look at E53 Annex 4-46,
- 12 it's a photograph taken by the expert Mr. Zoran Lesic. And, Mr.
- 13 Chum Mey, it's a photograph of you in a small cell at a
- 14 reconstruction last year, and I just have one brief question
- 15 about that.
- 16 [14.03.28]
- 17 MR. SMITH:
- 18 If that could be shown on the screen, Your Honour.
- 19 MR. PRESIDENT:
- 20 The AV unit, can you display the file E53.4 on the screen.
- 21 BY MR. SMITH:
- 22 Q.Mr. Chum Mey, you stated that for the 12 days that you were
- 23 interrogated and tortured that you were placed in this cell for
- 24 that period of time. What was the feeling -- what was the
- 25 feeling you had when you were placed in the, cell day in and day

- 1 out, after being tortured for 12 days?
- 2 A.Mr. Co-Prosecutor, when I entered that room and cell I could
- 3 not expect that I would survive. At that time I only lied down
- 4 on my back waiting just to be killed. It was the first time that
- 5 I lied down directly on the floor, first time in my life, and it
- 6 was the first time in my life that I was hosed with water when I
- 7 was detained there. Even if you raise a pig you have to give
- 8 food to the pig, but for me I only got a spoonful of very thin
- 9 gruel.
- 10 MR. PRESIDENT:
- 11 Mr. Co-Prosecutor, your time runs out.
- 12 Uncle Mey, please recompose yourself. This is the time that we
- 13 are conducting our trial.
- 14 Next, I would like to give the floor to the civil party lawyers
- in Group 1. You have 10 minutes.
- 16 [14.07.12]
- 17 MS. STUDZINSKY:
- 18 Thank you, Mr. President.
- 19 I would like to inform the Chamber, on behalf of all civil party
- 20 groups, that we suggest and we hope that the Chamber will accept
- 21 that those lawyers who represent the civil parties have priority
- 22 and questioning and get most of the time and the other groups
- 23 will only ask additional questions. And I think this is a
- 24 reasonable proposal and also the party lawyers would agree upon
- 25 this proposal.

- 1 And that would mean, concerning Mr. Chum Mey, that mainly Mr.
- 2 Hong Kimsuon, who was his lawyer from the starting point, and I
- 3 myself as international lawyer from the beginning, would like to
- 4 begin today and then the other lawyers would ask additional
- 5 questions.
- 6 And I hope the Chamber will -- of course, not exceeding the 40
- 7 minutes that are provided for questioning. I hope the Chamber
- 8 will agree upon this. Thank you.
- 9 MR. PRESIDENT:
- 10 You can proceed with that arrangement, and I hope the lawyers for
- 11 group one and group three do not object in this approach.
- 12 MR. WERNER:
- 13 We do not, your Honour, and the position is exactly as stated by
- 14 Ms. Studzinsky.
- 15 MR. PRESIDENT:
- 16 Ms. Studzinsky or Mr. Hong Kimsuon, you can now take the floor to
- 17 ask questions to Uncle Chum Mey. The floor is yours.
- 18 MR. HONG KIMSUON:
- 19 Thank you, Mr. President, your Honours.
- 20 [14.09.34]
- 21 Good afternoon, Uncle Chum Mey. I am a lawyer, of course your
- 22 lawyer, and I would like to ask the questions.
- 23 From the day you received a summons to appear in this Chamber,
- 24 what was your feeling?
- 25 A.Mr. Lawyer, my feeling, after I received the summons to appear

- 1 before this Chamber, was so exciting, so happy. I was so clear
- 2 in my mind that I would testify to shed light before this
- 3 Chamber, to tell the truth. I felt so relieved. If I were not
- 4 able to come before this Court to testify before your Honours and
- 5 Mr. Lawyer, my mind was so disturbed, so bothering, and I wanted
- 6 to get it out of my chest.
- 7 Q. Thank you. So it means you want to show the suffering
- 8 physically and emotionally to this Chamber.
- 9 And I would like to ask the question: you already stated to the
- 10 Chamber regarding the torture inflicted upon you at S-21, or
- 11 commonly known as Tuol Sleng Prison, regarding the toe pulling.
- 12 And you also informed the number of the people who tortured and
- 13 interrogated you. Can you recall the name of the person who
- 14 pulled your toes -- toenails?
- 15 A.Mr. Lawyer, the first person who tortured me was Sieng after
- 16 he fed up with beating me up. Then Comrade Hor, he had a scar
- 17 near his eye, and later on Sieng told Hor that I did not confess,
- 18 and so Comrade Hor rolled up his sleeves, got a stick and beat me
- 19 up. After that stick was broken he used another stick to beat me
- 20 up and he scolded me, "You mother-fucker, how come you still hide
- 21 the information?" After he scolded me, then he left.
- 22 [14.12.50]
- 23 Q.My question is: what was the name amongst the three people;
- 24 that is, Comrade Tith, Comrade Hor and Comrade Sieng, was the one
- 25 who used a plier to squeeze and pull out your toenails?

Page 68

- 1 A.Mr. Lawyer, the person who pulled my toenails was Comrade
- 2 Sieng. And Comrade Tith did not pull my toenails. He only beat
- 3 me up.
- 4 Q.Thank you.
- 5 A.Comrade Sieng was the person who pulled my toenails, and he
- 6 also sat on my head and threatened me, "You confess or not."
- 7 Q. Thank you.
- 8 My next question. When your toenails, both toenails were pulled
- 9 out, was there a lot of blood? How painful was it and how long
- 10 did the pain last?
- 11 A.Mr. Lawyer, the toenails pulling was done one each day for two
- 12 days, so it was painful. I could not walk straight. I could
- 13 walk little by little in smaller steps, and in my mind I knew
- 14 physically it was so painful, but I emotionally -- I was so
- 15 painful as well.
- 16 Q.Thank you. So after the nails were pulled out, it was
- 17 wounded. When the wounds recovered? In a month's time? In two
- 18 month's time?
- 19 A.It took more than one month before it's recovered and I could
- 20 walk properly.
- 21 [14.15.22]
- 22 Q. Thank you. You already stated to the Chamber regarding the
- 23 allegation made by the interrogators at S-21 that you were a CIA
- 24 agent. And of course it was not true, so how did you feel,
- 25 because you were not, and that you were wrongly accused? What

- 1 was your feeling?
- 2 A.On this matter I could never forget the suffering that I
- 3 received at S-21, until the day that I die. And once the justice
- 4 can be done by Your Honours, then I would feel better.
- 5 Q.Thank you. And after you were free and left S-21 until today,
- 6 when you heard the name Tuol Sleng Prison, in your mind how do
- 7 you feel?
- 8 A.Mr. Lawyer, on this matter it has been more than three months.
- 9 Whenever the word Tuol Sleng prison comes to my mind I could not
- 10 hold my tears. It drops automatically. Every single day when I
- 11 have heard about S-21, about Tuol Sleng, about torture, then my
- 12 tears just keep flowing. And in my mind I do not know what's
- 13 going to happen to me in the future, as I could not control my
- 14 tears when I have heard such words.
- 15 So then I asked the PBO, the psychological organisation, and I
- 16 was told that because of the anger of the trauma I suffered
- 17 during the Khmer Rouge regime that I need to keep my mind free
- 18 from those feelings. However, how hard I try, my tears still
- 19 drop.
- 20 [14.18.18]
- 21 Q.Uncle, please recompose yourself in order to answer my
- 22 questions. I do not have much time left.
- 23 It's still regarding your emotion. So right now you have
- 24 freedom, you have the right to move around and to speak freely.
- 25 And when you make frequent trips to Tuol Sleng, how do you feel?

Page 70

- 1 You feel you have the freedom that you have now or when you were
- 2 there you feel that you were still in that era, that period of
- 3 time?
- 4 A.On this very matter that I have tried my best for about 30
- 5 years in order to seek assistance from the human rights
- 6 organizations to find justice for me. At that time I had no
- 7 right at all. I could not speak, I could not hear, I could not
- 8 see anything. I was not allowed to see, or hear, or say anything
- 9 during that three years, eight months, 20 days period. It was
- 10 the most suffering period in my entire life. I had no rights, no
- 11 freedom, and I had nobody that I could express the suffering to.
- 12 [14.19.52]
- 13 Q. Thank you. I have another question before I hand the floor to
- 14 the international lawyer.
- 15 When the people who tortured you and then you were sent back to
- 16 the individual cell, you had a very suffering; you wept, you
- 17 cried. Did you have the right to cry so that other people could
- 18 hear the cry?
- 19 A.Mr. Lawyer, at that time, not even weeping, even just
- 20 whispering we were not allowed. We were not allowed to make any
- 21 noise. When I wept I could not make any noise. I wept a lot and
- 22 I had no more tears to weep, I was only waiting for the day that
- 23 I would be killed, at that time.
- 24 Q.Thank you.
- 25 MR. HONG KIMSUON:

- 1 Mr. President, I would like now to give the floor to my
- 2 international lawyer.
- 3 MR. PRESIDENT:
- 4 The international lawyer, the floor is yours.
- 5 MS. STUDZINSKY:
- 6 Thank you, Mr. President.
- 7 BY MS. STUDZINSKY:
- 8 Q.Good afternoon, Mr. Chum Mey. I have only a few questions and
- 9 would like to start with the cell that we have seen from the
- 10 re-enactment. Could you describe a little bit more how were the
- 11 circumstances when you were in this cell? For example, was it
- 12 dark; had you light; how was the exact size of the cell? Could
- 13 you elaborate a little bit on this? Thank you.
- 14 A.Ms. Lawyer, in that individual cell when I entered there was a
- 15 cartridge case and a plastic container. The cartridge case was
- 16 for the faeces and the plastic container was for the urine, and
- 17 when they were full I should tell the quard. The room was about
- 18 two metres times one metre wide.
- 19 [14.22.54]
- 20 Q.Was there a guard in front of your cell, in front of the door
- 21 outside, if you wanted, for example, something to drink, or did
- 22 they come to take the boxes or the ammunition box with them?
- 23 A.Ms. Lawyer, we were guarded constantly. When we were thirsty
- 24 we asked for water. Whatever was given we just took it. We did
- 25 not dare to ask for more. If we were given half full of glass we

- 1 just took it, or if we were given a full glass we just took it.
- 2 Q.Was it your impression that there was a guard outside of the
- 3 cell, or did you have to shout very loud to reach a guard?
- 4 A.Ms. Lawyer, when I was thirsty I would ask "Brother, I want
- 5 some water, I am thirsty," so the guard would fetch a glass of
- 6 water and walk to the cell and give it to me. After that I
- 7 drank. Even if I could get rid of my thirst or not I would not
- 8 ask for more.
- 9 [14.24.45]
- 10 Q. Was the cell dark the whole time or did you have light in the
- 11 cell?
- 12 A.Ms. Lawyer, that cell was constantly dark. There was no light
- 13 because all the windows to that room were all closed. So both
- 14 day and night it was all dark, it was all the same.
- 15 Q.Could you have -- from nowadays on, if you look back, could
- 16 you have any orientation about how long you were in the cell or
- 17 how -- yes, how long you were in the cell; any time orientation?
- 18 A.I was in that individual cell for only 12 days and 12 nights.
- 19 After that I was placed in the common room upstairs until Phnom
- 20 Penh fell.
- 21 Q.Now, additional questions to the interrogators. You have
- 22 already named them and said they had different shifts. I would
- 23 like to know was always only one person in the interrogation cell
- or were more than one present during the interrogation?
- 25 A.Ms. Lawyer, there was only one interrogator. For example,

- 1 Comrade Sieng, he interrogated, as well as he typed on the
- 2 typewriter.
- 3 Q.In the moment when Hor came in to beat you up, as you have
- 4 told us, was he alone in the room or was another interrogator in
- 5 the room?
- 6 A.Ms. Lawyer, at that time I was with Comrade Sieng, who
- 7 interrogated me. When Comrade Hor entered then Comrade Sieng
- 8 reported to him that I did not confess, so after he heard that
- 9 Comrade Hor rolled up his sleeves, he pulled a stick and beat me
- 10 up. One stick was broken, then he used another stick. And there
- 11 were actually a bunch -- quite a large bunch of sticks next to
- 12 the table.
- 13 [14.28.30]
- 14 Q. Thank you.
- 15 That was like -- I could call it like a control through Hor and
- 16 then to intervene that you should confess and to beat you up.
- 17 Can I take it like this that Hor controlled if saying already get
- 18 a complete confession from you?
- 19 A.Ms. Lawyer, I cannot understand the question clearly. Can you
- 20 repeat? Thank you.
- 21 Q.Yes. Am I right that you said that Hor entered the room and
- 22 that he controlled if you have already given a complete
- 23 confession and to intervene then?
- 24 A.I find it difficult to respond because I did not know whether
- 25 Hor came to control the confession or not, but at that time only

- 1 after hearing what Sieng told him, Hor immediately grabbed a
- 2 stick and beat me right in front of Sieng, and Hor was a
- 3 well-built person. And later on he explained to me and asked me
- 4 to recognize him as the person named Hor. He told me later on,
- 5 "I would be easy to be recognized with the scars on my face, so
- 6 please remember it."
- 7 [14.30.44]
- 8 Q. Thank you.
- 9 Was it the only time that Hor entered the room during the 12 days
- 10 and nights?
- 11 A.Yes, it was the only time he came in.
- 12 Q.My next question concerns the time when you have already left
- 13 the individual cell and when you started your work in the
- 14 workshop, and I would like to know, from this moment when you
- 15 started the work until the end when you could leave Tuol Sleng,
- 16 if you have been threatened or beaten or insulted by guards or
- 17 other staff of S-21?
- 18 A.During the time when I was working I was no longer mistreated.
- 19 During the day they would let me work in the workshop outside to
- 20 the other fence and at night they would take me back and put the
- 21 cuffs and shackles on me, and later on of course I was threatened
- 22 to be shot.
- 23 Q. Thank you, Mr. Chum Mey.
- 24 I have a last question and this is that I would like to know
- 25 which question would you like to ask the accused? Could you

- 1 please tell the Chamber what is your painful question?
- 2 A. The question that I would seek the permission from the
- 3 President to ask Duch would be about the CIA and its
- 4 organization. So I only have two questions to ask him.
- 5 [14.34.06]
- 6 BY MR. PRESIDENT:
- 7 Q.What questions are you going to ask to the accused?
- 8 A.My question is: when I was accused of being CIA, have all the
- 9 CIA agents been smashed, all, or are there still any CIA agents
- 10 remain?
- 11 Number two: when you mentioned about Angkar, what kind of Angkar
- 12 was it? Because when I went to Tuol Sleng I was asked by
- 13 students about Angkar and I could not answer to them, and they
- 14 asked me who Pol Pot was and I could not respond to those young
- 15 students because I myself cannot say that Pol Pot and Khmer Rouge
- 16 would be the same, so I am ambivalent when it comes to who is who
- 17 here.
- 18 Q.Would you want to ask him three questions or two, especially
- 19 when it comes to the last one about who would be Pol Pot?
- 20 A.Actually the last question was about the questions the
- 21 students asked me and that I could not find the answer. That's
- 22 why I would probably refer it to Duch.
- 23 MR. PRESIDENT:
- 24 The accused, have you listened to his questions? And the first
- 25 question is that he was accused of being a CIA agent, and he went

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 36

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 30/6/2009

Page 76

- 1 on to say that have all the CIA agents already been gotten rid
- 2 of?
- 3 THE ACCUSED:
- 4 Mr. President and Brother Mey, I would like to clarify that the
- 5 term "CIA" -- I think you have been observing the proceedings
- 6 long ago and that the CIA is the term used to refer to people who
- 7 were opposing them. So CIA here were not people who received
- 8 salaries organized by the Americans. It was meant to refer to
- 9 those who opposed the CPK and that we still have some of them.
- 10 [14.37.01]
- 11 And those who oppose the CPK still remain. That's why they won
- 12 or have beaten the CPK. So the real CIA and the CIA perceived by
- 13 the CPK are different. So CPK, for example, implicated you as
- 14 CIA. They only identified you who were opposing them. That's
- 15 why you were presumed as being the CIA agent.
- 16 So the opponents of the CPK have beaten the CPK, so I don't think
- 17 they have been gotten rid of anyway.
- 18 MR. PRESIDENT:
- 19 The second question from Mr. Chum Mey is seeking your explanation
- 20 about the term "Angkar"; what would it mean?
- 21 THE ACCUSED:
- 22 Thank you, Mr. President.
- 23 I would like to tell Brother Chum Mey that Angkar referred to the
- 24 Standing Committee. Among them they even called Pol Pot as
- 25 Angkar. And, for example, like me, I worked at S-21; I called

- 1 Son Sen Angkar because Son Sen represented the Standing
- 2 Committee; and that's all.
- 3 [14.38.32]
- 4 MR. PRESIDENT:
- 5 Is there any further question the lawyer would like to put to the
- 6 witness; Ms. Studzinsky?
- 7 MS. STUDZINSKY:
- 8 Thank you, Mr. President.
- 9 From our core group, let's say, in this case, there are no
- 10 further questions. I would give the floor to my colleagues.
- 11 Thank you very much.
- 12 MS. JACQUIN:
- 13 Good afternoon, Your Honours.
- 14 BY MS. JACQUIN:
- 15 Q.Good afternoon, Mr. Chum Mey. I would like to ask you the
- 16 following questions. They are related to your period of
- 17 imprisonment at S-21.
- 18 [14.39.19]
- 19 First, when you were detained at S-21, did you have the feeling
- 20 that the guards, the interrogators or other staff of S-21 had
- 21 feelings of fear or even were terrorized?
- 22 A.At S-21, for the period of about four months, I never looked
- 23 at them in the face. I just looked to the ground when I walked
- 24 past them. And during the times when I was there, I was
- 25 blindfolded and shackled, and when I was walking upstairs then

- 1 they would pull my ears up and down. I was so scared that I
- 2 could not look at them into the face.
- 3 Q.When you were detained in S-21, did you ever hear guards or
- 4 interrogators laughing or having fun amongst themselves or did
- 5 you only have a feeling that there was an atmosphere of terror
- 6 prevailing everywhere?
- 7 A.At that time, when I worked behind the location actually, I
- 8 heard when people laughed, when people cried, and I don't know
- 9 whether they laughed for -- I mean, they had fun, having tortured
- 10 prisoners or not. And as Duch already mentioned, he did not hear
- 11 anything, and I don't believe his testimony because even I worked
- 12 far behind the premises, I could even hear the screams, the
- 13 cries, and when people stopped to break, then there would be less
- 14 noisy. Then later on, we would hear some further noises.
- 15 Q. Thank you. My next question.
- 16 When you were detained in the common room along with many other
- 17 prisoners, did you ever see detainees coming back into the room
- 18 after having been interrogated or after having been tortured?
- 19 A. Some could be seen coming back. Some had disappeared.
- 20 [14.43.11]
- 21 Q.Next question. When you yourself were detained in that common
- 22 room after having been tortured, did you explain, even very
- 23 quietly to your neighbours, what had happened to you? Did you
- 24 explain to them how you had been in the individual cell? Did you
- 25 explain to them, even in whispers, how you were tortured?

- 1 A.I did not talk to my neighbours, nor explained anything. One
- 2 day, I heard the noise of a truck at about 11 p.m. and I asked my
- 3 neighbour why the truck came, but in whisper. But we did not let
- 4 the guards who were guarding outside know our whispering. The
- 5 guy told me that the truck would come to collect prisoners to be
- 6 taken away to be smashed at Choeung Ek.
- 7 I had to wait until the moment past 12 p.m. (sic) at night that I
- 8 could sleep because otherwise I would be taken on the truck to be
- 9 smashed. So another day.
- 10 Q. Was there a degree of solidarity, mutual help, co-operation,
- 11 amongst the prisoners?
- 12 A.No one could help anyone else. Everyone was on his or her own
- 13 because how could we help one another because we wore shackles
- 14 and anything could be done upon permission from the guards. Even
- 15 when we moved and then made some noise, then we would be beaten
- 16 if we did not let the guards know about our movement.
- 17 [14.46.10]
- 18 Q.Next question. Was there always one guard who was awake and
- 19 with you in the common room?
- 20 A. Guards would be walking back and forth on the corridor and
- 21 then we would shout to them to bring some water when we were
- 22 thirsty. When we would like to sit up, then we would also ask
- 23 them for permission to do so.
- 24 Q.My last question. Were you aware that you were all victims or
- 25 did even you fear that some of the people, perhaps, who were

- 1 detained and shackled next to you possibly were traitors?
- 2 A.I think everyone who would be shackled there would have been
- 3 perceived as traitors already, though as Duch already mentioned,
- 4 everyone who entered Tuol Sleng would never be released and it is
- 5 obviously true.
- 6 Q.So, in fact, you yourself, as a detainee in Tuol Sleng, you
- 7 were never in a position to be able to trust the other detainees
- 8 shackled next to you? You were never in a position to have any
- 9 amount of trust in your co-detainees?
- 10 A. How could we trust them? Of course, I could whisper into the
- 11 ear of my neighbour about the truck once, but I have never been
- 12 able to ask them why they were arrested because the guard would
- 13 be very vigilant and we could be hurt and we could be in trouble.
- 14 Q. Thank you, Mr. Chum Mey.
- 15 MR. PRESIDENT:
- 16 Now, the time allocated for civil party lawyers has already been
- 17 used and the Chamber would like to take a 20-minute adjournment.
- 18 We will resume at 10 past 3:00 p.m.
- 19 The court officials, could you please take Uncle Chum Mey to have
- 20 a rest before he could be returned to the courtroom?
- 21 (Judges exit courtroom)
- 22 (Court recesses from 1450H to 1510H)
- 23 (Judges enter courtroom)
- 24 MR. PRESIDENT:
- 25 Please be seated. The Court is now in session.

- 1 Before the adjournment, we noticed that the national lawyer was
- 2 on her feet. What would you like to make -- what is your
- 3 comments?
- 4 MS. TY SRINNA:
- 5 Thank you, Mr. President, for giving me the opportunity to make
- 6 comments.
- 7 I raised my hand before the adjournment because I was about to
- 8 ask for permission from the President to put questions, two
- 9 questions, to the witness. We knew that our time has already run
- 10 out, but we would like to ask him about the events when he left
- 11 S-21.
- 12 My next question links to his statement that he tried to stop
- 13 people from torturing him. So I think these will be the two main
- 14 questions I would like to ask.
- 15 [15.12.36]
- 16 MR. PRESIDENT:
- 17 The Chamber has already decided, and we have indicated clearly,
- 18 that the four groups have 40 minutes; 10 minutes each to put
- 19 questions to the survivor.
- 20 Since the Chamber notes that the opportunity for questions to be
- 21 put before Chum Mey have been granted by the international
- 22 lawyers and now that the national lawyer would need to ask only
- 23 two questions, so your request is granted.
- 24 Please, the floor is yours.

- 1 Thank you, Mr. President, for once again giving me the
- 2 opportunity to put questions to Uncle Chum Mey.
- 3 BY MS. TY SRINNA:
- 4 Q.Good afternoon, Uncle Chum Mey. My questions will be brief
- 5 and I will make them short. We would like to thank you very much
- 6 for your testimony.
- 7 Question number one is, during the time when you left S-21, it
- 8 was the event when the Vietnamese troops approached -- nearly
- 9 approached S-21 and the situation at that time was chaotic, and
- 10 the guards of S-21 tried to flee S-21 compound.
- 11 [15.14.22]
- 12 May I ask you, before you left the compound, did you check or see
- 13 any rooms whether you saw dead bodies or other prisoners? Could
- 14 you please elaborate further on this?
- 15 A. Thank you, the lawyer. Before I left S-21 for Amleang, I did
- 16 not inspect any room; I mean the south building. I just left
- 17 immediately and after I returned I was called to have my photo
- 18 taken at Tuol Sleng and, at that time, I saw a bed with the dead
- 19 body, but it's only seen through the photo, not the real event.
- 20 And I asked Oeng Bech about the photos, and he told me that when
- 21 the Vietnamese came and those prisoners who could not walk were
- 22 shot by the Khmer Rouge and they died instantly on those beds.
- 23 And having listened to Duch, he said that only four prisoners
- 24 were ultimately killed, but I have counted the dead body -- I
- 25 mean the people who have died. There were 14 of them.

Page 83

- 1 Q. Thank you. Why did not you check in the rooms? Did you leave
- 2 hastily or were you forced to leave the compound?
- 3 A.When I was leaving, I did not check inside the rooms because
- 4 we were pointed the guns at us and we had to be walking straight
- 5 forward into a straight line, and we could not even dare turn
- 6 back.
- 7 Q.Thank you, Uncle. My second question is, when you were
- 8 tortured to extract a confession, the interrogators who
- 9 interrogated you, did they give you the names or ask you -- or
- 10 dictate the names to be written in the confession or the name
- 11 have been written by yourself?
- 12 A.I'm sorry. I think I may need you to repeat the question.
- 13 Q.I will try to re-phrase the question.
- 14 When you were being asked or interrogated in order that you
- 15 respond with the names of people who were behind your network, or
- 16 people who ordered you to become CIA agent; such things like
- 17 that.
- 18 So were the names given to you to write down in the confession,
- 19 or were the names spontaneously brought up by you yourself?
- 20 A. They did not give me with names. They only asked me to think
- 21 about the people, my network, and how many people of my
- 22 associates who joined the CIA or KGB. I was limited to only
- 23 confess to the matter of CIA and/or KGB, not other matters, and I
- 24 was not given much time to respond. I had to really respond
- 25 immediately without delay.

Page 84

- 1 [15.20.11]
- 2 And at that time, I did not know whether other people implicated
- 3 me in their confession that led to my arrest, because I did not
- 4 make any mistake that led to my arrest at all. So I also wanted
- 5 to know how many KGB or CIA agents still remain, the question
- 6 that I have already asked to Duch, because the question seemed to
- 7 be thoroughly inflicted on us to get to answer the network of CIA
- 8 or KGB so that we could survive, and this matter makes me want to
- 9 ask Duch once again how many KGB or CIA agents still remain, and
- 10 when people were accused of being enemies, how many enemies are
- 11 there? Have they all been smashed or are they still living?
- 12 So who actually created the mechanism to ask questions or
- 13 interrogate prisoners to tell them about the CIA and/or KGB
- 14 networks? I have hear that people were implicated as CIA or KGB
- 15 agents although they have committed -- or maybe made a mistake by
- 16 breaking a pen or committed other wrongdoing. Then they would be
- 17 presumed as CIA or KGB.
- 18 Q.After having responded and implicated people in the
- 19 confession, have you realized the fates of those people you have
- 20 implicated?
- 21 A.I have not observed whether the people I have implicated in
- 22 the confession would be arrested because the time for confession
- 23 was rather short, it was a four-month period, so I did not see
- 24 them.

- 1 Thank you very much, Uncle Chum Mey. I have no further

- 3 And thank you, Mr. President.
- 4 [15.22.46]
- 5 MR. PRESIDENT:
- 6 I would like to give the floor to the defence counsel to put
- 7 questions to the witness if they would wish to do so.
- 8 MR. KAR SAVUTH:
- 9 Thank you, Mr. President and the Chamber. I would like to ask a
- 10 question to the witness.
- 11 QUESTIONING BY DEFENCE COUNSEL
- 12 BY MR. KAR SAVUTH:
- 13 Q.You said that two children went to look for gruel. Could you
- 14 identify whether they were boys or girls?
- 15 A.Mr. Lawyer, they were boys. The youngest one was about one
- 16 year or so, the elder brother was about three years old, and they
- 17 would go there to find gruel for eating.
- 18 Q. Thank you.
- 19 You said that after you asked questions to the cook, who told you
- 20 that the children belonged to Cheng On, and the persons still --
- 21 one of them still survives among the two.
- 22 My next question: was the cook, the female cook you called alias
- 23 Sor (phonetic) -- do you know where she lives now?
- 24 A.I don't think I know where she lives. I am searching for the
- 25 information of Comrade Sor (phonetic) because we had worked

- 1 together closely near the kitchen and I would like to know where
- 2 she is also.
- 3 [15.24.50]
- 4 Q.Thank you.
- 5 The third question: at the workshop where you were working did
- 6 you have a hammock?
- 7 A.I did not have a hammock.
- 8 Q. Thank you.
- 9 The reason I asked that question, because some people told us
- 10 that the two children would sleep on that hammock there.
- 11 The fourth question: did you organize or put the instruments in
- 12 the workshop in order or were they scattered around everywhere?
- 13 A. The workshop was not well-organized. It was a mess. The pans
- 14 used for cooking gruel would be left at one place while the
- 15 machines, the sewing machines that I got fixed, would be lying
- 16 disorderly.
- 17 Q. Thank you.
- 18 Question number five: when the Khmer Rouge soldiers shot your
- 19 wife dead and your two-month-old son, did you notice that your
- 20 son got killed when your wife was dying?
- 21 A.At that time she was carrying the baby and I think that when
- 22 the mother died they would also kill the baby because it is the
- 23 nature of the Khmer Rouge.
- 24 [15.27.12]
- 25 Q. Thank you.

Page 87

- 1 Last question: when you were introduced to the re-enactment at
- 2 S-21 and when Duch made the statement to apologize to all the
- 3 victims, I remember that you said you were waiting for this
- 4 phrase for almost 30 years. Do you still recall having said
- 5 that?
- 6 A.Mr. Lawyer, I do remember having said that.
- 7 Q. Thank you for recalling the statement.
- 8 Could you please tell us that you have been waiting for 30 years
- 9 to hear that words, so can you elaborate further on that phrase?
- 10 A.I have been waiting for many years to hear the words from
- 11 Duch, who would say that -- because at the beginning he said he
- 12 was an intellectual, he was a teacher and he said that he would
- 13 not be easily moved by the other -- the four groups of people and
- 14 I thought that he realized that and awakened that he had killed
- 15 people. And I thought that he would not any day say such things
- 16 like that.
- 17 That's why having heard that, I was happy, and he shed his tears
- 18 before me at Tuol Sleng. I told him that I would not use a few
- 19 teardrops to wash away the suffering of the more than two million
- 20 Cambodian people who perished during the regime. So the sheds of
- 21 tears would not be able to wash away those sufferings. Only the
- 22 Court can help to wash away those suffering.
- 23 MR. KAR SAVUTH:
- 24 Thank you, Mr. President. I do not have any more questions.

- 2 Defence counsel, the international defence counsel, do you have
- 3 any questions to be put to Uncle Chum Mey? If you have, the

- 5 MS. CANIZARES:
- 6 Thank you, Your Honour. I have no questions for Mr. Chum Mey.
- 7 MR. PRESIDENT:
- 8 Judges of the Bench, do you have any questions to be put to Uncle
- 9 Chum Mey?
- 10 JUDGE CARTWRIGHT:
- 11 Yes, President. I would appreciate locating on the aerial
- 12 photograph of S-21 precisely where Chum Mey's workshop was during
- 13 the period that he was working there as a mechanic.
- 14 I am wondering if the Prosecutors have the reference to that
- 15 aerial photograph, please?
- 16 MR. SMITH:
- 17 Yes, Your Honour, we have called it up now, and we ask that it be
- 18 switched to our screens.
- 19 JUDGE CARTWRIGHT:
- 20 Is it acceptable, President, to ask for it to be switched to the
- 21 Prosecutor's screen?
- 22 MR. PRESIDENT:
- 23 The A/V Unit, can you switch the screen to the Co-Prosecutor's

- 1 JUDGE CARTWRIGHT:
- 2 Thank you.
- 3 BY JUDGE CARTWRIGHT:
- 4 Q.Chum Mey, you have said that you were working in a workshop as
- 5 a mechanic and it was near the kitchen or part of the kitchen.
- 6 Can you tell us exactly where that workshop was by looking at
- 7 this photograph which has been taken from the air?
- 8 First of all, do you recognize the buildings the way they are
- 9 laid out in that photograph?
- 10 A. Your Honour, all these buildings are the actual reflection of
- 11 the situation, but there was actually a rear gate. Now there are
- 12 a lot of flats. Usually at the exit there was a long building
- 13 with a corrugated metal roof.
- 14 First, Comrade Sok put all the food supplies into one side and
- 15 then there was also a sewing machine at that location. And also
- 16 a pile of a lot of clothes were along that building, and next
- 17 there was a kitchen with those large cooking pans for gruel.
- 18 And after that, that was Ta Kong's location. It's a wood
- 19 workshop for building and fixing chairs and tables. And next
- 20 there would be a rabbit raising ground and then pigpens to the
- 21 south.
- 22 And a little bit to the west there was a big tree and that was
- 23 the location where dead bodies were carried behind my back to be
- 24 buried under that big tree.
- 25 [15.34.38]

Page 90

- 1 And when I worked in my workshop, I was facing that big tree, and
- 2 Mr. Bech was working nearby as well. So they dug the pit under
- 3 the big tree and they buried the dead bodies. I don't know how
- 4 many dead bodies there, but for the incident that I saw, I saw
- 5 three dead bodies.
- 6 They were carried in the corrugated zinc plate. It's like a
- 7 stretcher, and those dead bodies were buried under that big tree,
- 8 however, now that big tree was gone.
- 9 Q.Thank you. Is the building that you have described shown on
- 10 this photograph?
- 11 A.Your Honour, from what I can see, it's hard to say anything
- 12 because at that time that building had no walls. There was only
- 13 a roof on that building. It was not in the horizontal formation.
- 14 Q. When you talk about the rear entrance where this roofline was,
- 15 was that behind Blocks B and C?
- 16 A.It's hard for me to recognize the building B or C, but if you
- 17 talk about the east or the west then, yes, I probably can say it
- 18 better. It was actually behind those two buildings.
- 19 Q.If you look at the top right of this photograph where the
- 20 little circle is highlighting, you can see that north's to the
- 21 right and west to the top of the picture. Can you see that?
- 22 A.Yes, I saw that direction. The building was to the west of
- 23 that building.
- 24 [15.37.33]
- 25 Q. The building you have described as really just being a roof

- 1 attached to a fence was behind B and C. Is that right; on the
- 2 western boundary?
- 3 A. Your Honour, it was not attached to the fence. From that
- 4 fence, there was a large ground, and after passing that large
- 5 ground, then there would be the kitchen and my workshop. If we
- 6 went across further to the top, that would be the other
- 7 buildings. So that building was not attached to the fence near
- 8 these two buildings.
- 9 Q.But the building was behind B and C, to the west of B and C.
- 10 Is that correct?
- 11 A. Your Honour, yes, it's clearly that the building was to the
- 12 west of these two buildings.
- 13 JUDGE CARTWRIGHT:
- 14 Thank you. Mr. Prosecutor?
- 15 MR. SMITH:
- 16 Thank you, Your Honour. That seems to clarify the matter. There
- 17 is a -- when you look on the screen -- and this is D45-11 -- you
- 18 can see the blue dot and at the bottom of the screen, and that
- 19 shows the photograph from a different angle, but sounds like it's
- 20 been clarified.
- 21 [15.39.27]
- 22 Your Honours, in relation to the Vietnamese video, which your
- 23 Honours are still determining the admissibility of, that video, I
- 24 believe, shows this workshop. Shows the pile of clothes, and
- 25 shows the very things that Mr. Chum Mey is referring to.

- 1 So either that could be shown now or, alternatively, I would just
- 2 ask that that be remembered when looking at that particular
- 3 video; the way he's described it.
- 4 JUDGE CARTWRIGHT:
- 5 Thank you, Mr. Prosecutor. I think the President made it clear
- 6 yesterday that we have still to determine that issue.
- 7 I have no further questions of this witness. Thank you.
- 8 MR. PRESIDENT:
- 9 Judge Lavergne?
- 10 (Microphone not activated)
- 11 Mr. Kaing Guek Eav, what has been said by Chum Mey regarding the
- 12 likely location of the workshop and the kitchen within the S-21
- 13 compound, it was told the upper part of the photo, it means it
- 14 was to the west of building B and C, and there was a fair
- 15 distance from those two buildings, so there was a large ground in
- 16 between those two buildings and the workshop.
- 17 Does his description reflect the actual location of the kitchen
- 18 and the workshop?
- 19 [15.41.50]
- 20 THE ACCUSED:
- 21 Mr. President, the description of Brother Mey is correct. The
- 22 workshop building where Brother Mey worked was the former Tuol
- 23 Sleng high school. I went into that building for one time for
- 24 about two minutes to see how people deal the cases for ammunition
- 25 storage.

- 1 And the Prosecutor, Tan Senarong, also showed me the photo. So
- 2 actually, formerly, it was a school building, and it is true that
- 3 it was to the west of these two buildings.
- 4 MR. PRESIDENT:
- 5 The international Co-Prosecutor requested -- yesterday by Robert
- 6 Petit regarding the video clip, and we deferred the decision on
- 7 that until an appropriate time when a decision can be made after
- 8 our discussion.
- 9 So, actually, on last Friday, we discussed the remaining issues
- 10 and made some decisions on certain issues but that issue and a
- 11 few other issues are yet to be decided, so we defer the matter
- 12 until further notice.
- 13 And now the hearing of the testimony of Chum Mey, the survivor of
- 14 the S-21 Security Office, has come to an end. Therefore, the
- 15 Chamber will adjourn today's hearing.
- 16 The Chamber will resume at 9 a.m. tomorrow morning by hearing the
- 17 testimony of another survivor as scheduled by the Chamber, and
- 18 which have been informed to the public and parties already.
- 19 [15.44.28]
- 20 Court official, can you arrange for Uncle Chum Mey to return to
- 21 his residence?
- 22 And the security officer, take the accused back to the detention

- 24 The court is now adjourned.
