- 3 MR. PRESIDENT:
- 4 Please be seated. The Court is now in session.
- 5 During today's sessions, we continue hearing the testimonies of

- 8 witness.
- 9 Before we proceed to hand over to counsels for the civil party,
- 10 Trial Chamber greffier is now instructed to report on the -- on

- 12 reserve witness, if available.
- 13 THE GREFFIER:
- 14 Good morning, Mr. President. All parties to the proceeding are
- 15 present, except Mr. Ieng Sary who is in the holding cell. Mr.
- 16 Ieng Sary has waived his right to be present directly in the
- 17 courtroom. The waiver has already been given to the greffier.
- 18 Reserve witness TCW-488 is present and has taken an oath. The

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Ieng Sary has waived his right to be present in the courtroom and
- 2 asked that he be allowed to observe the proceedings from his
- 3 holding cell for the full day due to his health concern. He
- 4 indicates that he cannot remain seated long -- for longer period
- 5 of time in the courtroom. The request is also supported by the
- 6 recommendation by the doctor who indicates that the accused
- 7 person cannot -- cannot take part in the proceedings in the
- 8 courtroom, but still can observe the proceedings from his holding
- 9 cell.
- 10 The Chamber notes that Mr. Ieng Sary has already waived his right

- 12 allowed to observe the proceedings from the holding cell through
- 13 video-link.
- 14 The Chamber, therefore, grants the request. Mr. Ieng Sary is now

- 25 QUESTIONING BY MS. TY SRINNA RESUMES:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Thank you, Mr. President. Good morning, Your Honours. Good
- 2 morning, Mr. Sarun.
- 3 Q. Yesterday, I put a question relating to the time when you
- 4 became the secretary of Sector 105, but another question will be
- 5 focusing on the time when Ta Laing was in power.
- 6 Yesterday, you said the sector office was K-17. What was the
- 7 function of the office?
- 8 MR. SAO SARUN:
- 9 A. The sector office is not something I know much about because I
- 10 was at the district and I had no idea what the office was doing.
- 11 [09.12.49]
- 12 Q. Were you ever aware of how many offices there were in the
- 13 sector when Ta Laing was the head?
- 14 A. So far as I know, there was three or four offices including
- 15 the one for commerce.
- 16 Q. Could you name the four offices to the Court?
- 17 A. I can do that: first, K-17; second, K-11; third, K-16; and
- 18 number 4 is the commerce office. I don't know the code name for
- 19 that office.
- 20 Q. Were you aware of the composition of people in the leadership
- 21 of that -- of those offices?
- 22 A. I don't know. I worked at the district level and I don't know
- 23 about that.
- 24 Q. What about the management of the offices? How many people or
- 25 how many members each office had?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. I don't know.
- 2 [09.15.16]
- 3 Q. With regard to each district, so far, you testified before the
- 4 Court that there were districts. Could you tell us whether in
- 5 each district there would be offices for each respective section
- 6 or not?
- 7 A. No, there were no other offices other than an office at the
- 8 district and another office at the commune.
- 9 Q. Were you ever aware of a Phnom Kraol Security Centre?
- 10 A. I am aware of the name, but I never been there.
- 11 Q. Do you know when Phnom Kraol security office was established?
- 12 A. I don't remember.
- 13 Q. Do you know the purpose of the establishment of Phnom Kraol
- 14 security office?
- 15 A. No, I don't know. Again, I worked at the district; I had
- 16 nothing to know about the business of the sector level.
- 17 [09.17.13]
- 18 Q. How far is the Phnom Kraol security office from the sector
- 19 office or from K-17?
- 20 A. The office was not far from that office; it was about a
- 21 hundred metres apart.
- 22 Q. How was that security office like? Was it surrounded by a
- 23 wall, a fence, or else?
- 24 A. I have no idea about this because, as I indicated, I have
- 25 never been there.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Q. Have you ever heard whether people were detained at the
- 2 office?
- 3 A. No, I worked at the of at the district office and I have
- 4 never been to that location.
- 5 Q. Since you said you don't know or have never been there, I
- 6 would like to refer to a document you -- in which you gave
- 7 statement before the Co-Investigating Judges to refresh your
- 8 memory, document E3/383 or D201/5.
- 9 With Mr. President's leave, I would like the document to be read
- 10 to the witness to refresh his memory.
- 11 MR. PRESIDENT:
- 12 You may proceed. You may ask your assistant to ensure that the
- 13 document be put up on the screens so that the parties and the
- 14 public can also see them.
- 15 [09.19.56]
- 16 MS. TY SRINNA:
- 17 Mr. President, since we have very limit time, may we just read
- 18 out the portion to the witness without having them put up on the
- 19 screen, please, just to refresh his memory?
- 20 MR. PRESIDENT:
- 21 You may proceed, but, again, make sure that ERN of the document
- 22 is also spelled out.
- 23 BY MS. TY SRINNA:
- 24 Q. In Khmer, ERN 00345915; in English, 0035266; French ERN
- 25 00361765.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 At that time, you were asked: "Did you ever send people to any
- 2 security offices within the sector?"
- 3 And you said: "When I was on the sector committee, there were
- 4 only releases."
- 5 [09.21.17]
- 6 Do you still stand by your statement?
- 7 MR. SAO SARUN:
- 8 A. Yes, I do. There was no arrest, but releases.
- 9 Q. At that time, you were asked about security offices, so in
- 10 which particular security office you referred to when you talked
- 11 about releases?
- 12 A. I was referring to that particular security office in that
- 13 sector only.
- 14 Q. What is the name of that security office? Can you tell the
- 15 Court?
- 16 A. I don't remember. I don't know. I just heard that it was
- 17 called sector security office; that's all.
- 18 Q. With regard to the security office of the sector you are
- 19 referring to, where is it?
- 20 A. It's located near the sector's office, and as I indicated, the
- 21 offices were just about a hundred metres apart from one another.
- 22 [09.23.06]
- 23 Q. Who was overseeing that office?
- 24 A. It was Sophea who was in charge.
- 25 Q. With regard to this security office, the office you said was

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 about a hundred metres away from one another, was it the same
- 2 office as Phnom Kraol security office?
- 3 A. I am not sure I've got your question; please, have it stated
- 4 again.
- 5 Q. You said earlier on that Phnom Kraol security office was about
- 6 a hundred metres from the office of the sector. And, later on, I
- 7 asked whether there were any other offices, and you said, "Yes,
- 8 there were a security office for the sector", and you said you
- 9 did not know the name of that office.
- 10 Now, my question is: Were the security office of the sector and
- 11 Phnom Kraol security office are the same -- just one name?
- 12 A. No, these -- these are the two offices.
- 13 [09.25.09]
- 14 Q. Do you still remember that you released people from the
- 15 sector's security office? How many people did you release?
- 16 A. Quite a number of people and I think it was a long time ago;
- 17 my memory doesn't serve me very well now.
- 18 Q. How often did you release them?
- 19 A. On two occasions.
- 20 Q. I would like now to proceed to another question on the same
- 21 document under the same ERN numbers.
- 22 The question you were asked was that: "Did you consult with the
- 23 Centre before releasing prisoners?"
- 24 And you said: "No, I did not. That was my authority."
- 25 [09.26.41]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Why did you dare to release those senior prisoners?
- 2 A. The reason I dare release these people because after some
- 3 interrogations, I could learn that there was no substantial
- 4 wrongdoings or mistakes these people committed. They could have
- 5 done some minor disputes among themself so that's the reason I
- 6 could release them.
- 7 Q. When releasing these prisoners, did you do that when you
- 8 received or upon receiving the new policy rendered by the
- 9 Party, as cited by the prosecutor to you yesterday? Is that
- 10 correct to say so?
- 11 A. Yes, it is correct. I did that upon receiving the instruction
- 12 from the Party and after learning that these people did not
- 13 commit any serious wrongdoings.
- 14 Q. Thank you. I would like to put another question to you.
- 15 [09.28.14]
- 16 On the 6th of June 2012, you stated -- which responds to the
- 17 question by the prosecutor -- that there was a re-correction
- 18 centre in the sector. Are you referring to the same security
- 19 office when talking about re-correction centre?
- 20 A. This office had the same name. Either it is re-correction
- 21 centre or security office, they are all the same.
- 22 Q. May I seek clarification on this? Are these offices actually
- 23 the same, the re-correction and the security office?
- 24 A. As I indicated, they are the same office.
- 25 Q. Thank you. Do you know what kind of people were being detained

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 at this re-correction centre?
- 2 A. As indicated already, some people who had some fighting among
- 3 themselves. For example, like the married couples who had some
- 4 arguments and who were arrested and detained. They would be
- 5 questioned and these people were detained because of these small
- 6 things. So, then, these are the kinds of people detained at the
- 7 Centre.
- 8 [09.30.20]
- 9 Q. Were those who betrayed the revolution brought to those
- 10 office?
- 11 A. I never heard of that. I never heard of those who -- who
- 12 betrayed the revolution.
- 13 Q. How about during the times that Laing was in charge? I mean,
- 14 was anyone accused of being -- betraying the Party or the
- 15 revolution? If so, what was the procedure to deal with such a
- 16 person?
- 17 A. I do not know about that especially during his control. I did
- 18 not know about his work.
- 19 Q. Did you ever hear people say about people who betrayed the
- 20 revolution in your sector?
- 21 A. No, I did not.
- 22 Q. When you went to Phnom Penh to attend meeting, were you
- 23 explained about those who betrayed the revolution, that is, how
- 24 to deal with those who betrayed the revolution? Were you
- 25 explained that?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. No, I did not hear that.
- 2 Q. Can you clarify the way Laing controlled his office? Can you
- 3 tell the Court about the way he managed his office?
- 4 A. I do not know about how he controlled his office or how he
- 5 worked, I only knew about the work in the district.
- 6 [09.33.05]
- 7 Q. What was the relationship between Laing and the district
- 8 committee? For example, you, at that time, was the secretary of
- 9 the district. What was your relationship with him and his
- 10 relationship with other district secretaries, for example, when
- 11 he comes to meetings or discussions about any particular issues?
- 12 A. About our relationship, we only come to meet when we were
- 13 called to attend meetings.
- 14 Q. When you went to the meetings, were issues within the sector
- 15 discussed?
- 16 A. During the meeting, various matters -- for example, issues
- 17 dealing with the rice field, dam building were discussed.
- 18 Q. Regarding building dam, I would like to know: How many people
- 19 in that sector were there who went to work on the dams?
- 20 A. There were many of them, but I cannot tell you exactly as to
- 21 how many there were. Probably, there were about 100 or 200
- 22 people, but I am only estimating.
- 23 [09.35.19]
- 24 Q. Were only the local people required -- were only the people in
- 25 their particular district required to build dams or people from

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 all over the sector were required to do that work as well?
- 2 A. People would build dams in their respective districts.
- 3 Q. How was the work like?
- 4 A. People carried earth soil.
- 5 Q. How many hours did people have to work each day?
- 6 A. They first ate at 6 o'clock and they began working at 7
- 7 o'clock, and they will they would take rest at 10.30.
- 8 Q. I would like to ask you more about rice farming. Regarding the
- 9 productions from rice farming, as you indicated last week, you
- 10 said that the productions was to support the local people. I just
- 11 want to know whether the products were ever used to support the
- 12 people.
- 13 [09.37.24]
- 14 A. Rice production was also distributed to people. People were
- 15 given 30 buckets of rice per year.
- 16 MR. PRESIDENT:
- 17 Counsel, please pay attention to your question. Make sure that
- 18 your question do not move beyond the facts charged against the
- 19 accused persons.
- 20 Regarding the facts in Office 105, we are dealing with only the
- 21 fact at Phnom Kraol Office. So can you be reminded to confine
- 22 your question within the facts set out, those facts set out
- 23 within the segment Case 002, and make sure that you will not move
- 24 beyond those confines? Please be reminded that we are only
- 25 dealing with Phnom Kraol Security Centre here.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 [09.39.17]
- 2 BY MS. TY SRINNA:
- 3 Thank you, Mr. President, for your reminder.
- 4 Q. I would like to ask you about disappearance. Last week you
- 5 said in response to the Co-Prosecutors that -- I would like to
- 6 rephrase my question. About the meeting, when you attended each
- 7 meeting at the sector level, did you ever see or experience any
- 8 occasion where a meeting attendant made any complaint and
- 9 afterward that person disappeared?
- 10 MR. SAO SARUN:
- 11 A. Can I have the question again? I am not clear with it.
- 12 Q. When Laing was in charge, you attended meetings several times.
- 13 My question is: Did you ever notice that a member of the meeting
- 14 made a particular complaint and afterward that member
- 15 disappeared?
- 16 A. No, I don't think so. No one disappeared.
- 17 Q. Who did Mr. Laing reported to?
- 18 [09.42.14]
- 19 A. I do not know about that because he was the sector secretary.
- 20 It was beyond my knowledge as to how he -- or to whom he reported
- 21 his work.
- 22 MS. TY SRINNA:
- 23 In order to refresh your memory--
- 24 Mr. President, I would like to seek your leave to refer to
- document E3/404, if I may, Mr. President.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. PRESIDENT:
- 2 You may proceed.
- 3 Court officer is instructed to display this document onto the
- 4 screen as well.
- 5 MS. TY SRINNA:
- 6 May I also request, Mr. President, that I read the relevant part
- 7 to the witness to save time?
- 8 MR. PRESIDENT:
- 9 Yes, you may proceed; I said once.
- 10 [09.43.27]
- 11 BY MS. TRINNA:
- 12 Q. The document E3/404; ERN in Khmer, 0398483; in English,
- 13 00403027; French, 00484201.
- 14 The question asked: "To whom did Ta Laing report to?"
- 15 And you said: "He reported only to Pol Pot."
- 16 Do you still stand by your answer?
- 17 MR. SAO SARUN:
- 18 A. I once indicated this before the Investigating Judge.
- 19 Q. When you was appointed to be in charge in replacement of Ta
- 20 Laing, did you use your own method as to how you were to report
- 21 to the superior?
- 22 A. Can I have the question again? Can you be slower?
- 23 [09.45.13]
- 24 Q. My question is: When you was in charge as the sector secretary
- of Sector 105, when you reported to Pol Pot, did you follow the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 method used by Ta Laing or you used your own?
- 2 A. After I was in charge of the office -- of the sector, I
- 3 reported to Pol Pot because I was instructed to report to him.
- 4 Q. My question concerns the authorities of Communist Party of
- 5 Kampuchea between 1975 and 1979. What was the authority of the
- 6 Party like?
- 7 A. I do not know about the scope of the authority of the Party.
- 8 Q. When you attended meetings in Phnom Penh during Democratic
- 9 Kampuchea period, did you know as to who were important figures
- 10 within the Party?
- 11 A. I do not know who had more important roles than who.
- 12 O. About the communication between senior leaders or the Central
- 13 Committee, I would like to know which member of Sector 105 had
- 14 the authority to communicate with Central Office.
- 15 [09.48.10]
- 16 A. I do not understand your question; can I have it again?
- 17 Q. I would like to rephrase my question. My question is: Which
- 18 member of the sector committee in Mondulkiri was communicated
- 19 directly by the Central Committee?
- 20 A. I don't think there was one; only the chief of the sector had
- 21 the communication.
- 22 Q. Thank you.
- 23 Concerning the authority to decide to remove people either from
- 24 the regiment or battalions, who had such authority to do so?
- 25 A. My answer is that I do not know. I do not know who had the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 authority to appoint or to remove, maybe those from the
- 2 superiors.
- 3 Q. When you said the superiors or people from the upper level,
- 4 who were you referring to?
- 5 A. I was referring to Pol Pot, because he was in charge of the
- 6 whole country.
- 7 [09.50.10]
- 8 Q. My next question deals with forced marriage. During the
- 9 control of Ta Laing, did you know anything about the marriage
- 10 within the cooperatives?
- 11 MR. PRESIDENT:
- 12 The witness does not have to answer this question; it is
- 13 repetitive. The Co-Prosecutors have already asked about this.
- 14 MS. TY SRINNA:
- 15 Mr. President, the last time a witness said about -- or talked
- 16 about the marriages during the time that he was in charge. But my
- 17 question deals with the time that Ta Laing was in charge, and I
- 18 will have a number of other following up questions which are
- 19 different from those by the prosecutors, if I may, Mr. President.
- 20 MR. PRESIDENT:
- 21 You are not allowed to do so.
- 22 [09.51.20]
- 23 BY MS. TY SRINNA:
- 24 I will now begin with other questions, then.
- 25 Q. On the 6th of June 2012, last week, you said to the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 prosecutors that if there was a request from an individual or the
- 2 chief of a group rather, after -- when there was a request from
- 3 an individual, the group's chief shall ask for the consent from
- 4 that other individual and report that to the superior.
- 5 My question is: Do you remember what if someone refused to get
- 6 married?
- 7 MR. PRESIDENT:
- 8 Witness does not have to answer this question; this is a
- 9 hypothetical question.
- 10 You are not allowed to ask such a question in this Court.
- 11 Hypothetical questions are not allowed. Counsel is reminded to
- 12 ask more specific questions.
- 13 BY MS. TY SRINNA:
- 14 Q. Was there anyone who refused to get married? And if so, what
- 15 happens to that person?
- 16 [09.53.08]
- 17 MR. SAO SARUN:
- 18 A. I already answered this question to the Investigating Judges
- 19 and the Co-Prosecutor. We did not have any right to force them to
- 20 get married. We had to ask for the consents from their parents.
- 21 Q. I would like to move back to the structure of cooperatives.
- 22 Last week you told the Co-Prosecutors that at the cooperatives
- 23 there was a committee -- the respective committee in the
- 24 cooperatives; can you elaborate further regarding the composition
- of the committees?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. As I told the prosecutors--
- 2 Q. Were the committee members assigned with respective work to
- 3 do?
- 4 A. They were assigned with different roles, some were responsible
- 5 for economic, some were responsible for supplying food, so these
- 6 are the distribution of the work.
- 7 [09.55.51]
- 8 Q. Yesterday, you said that there were also sector military.
- 9 And my question: How many kinds of military forces were there in
- 10 Sector 105?
- 11 A. There was only one kind, it was called the sector's military.
- 12 Q. Was there any central military positioning there?
- 13 A. Yes, there was, there was a division of the military there.
- 14 Q. What was the relationship between the sector military and the
- 15 military from the Central Committee?
- 16 A. From my understanding, the military from the Central Committee
- 17 were not aware of the geographical location, and that was
- 18 different for the sector military who lived there, they knew more
- 19 about the geographical location.
- 20 Q. How did they report their work? Did they report their work to
- 21 the same target?
- 22 [09.57.56]
- 23 A. It's like what I told the prosecutors, I maintain my answers
- 24 to the Co-Prosecutors.
- 25 Q. Did you ever hear of the word "the chief of the division"? If

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 so, do we have other words such as the secretary of the division,
- 2 or the division committee?
- 3 A. As I said, they are the same.
- 4 Q. What was the composition of each division?
- 5 A. To be frank, I do not understand that, I do not know about
- 6 that.
- 7 Q. From your experience living in that sector, I want to know how
- 8 many military personnel were there in each division and what was
- 9 the structure like in each division? Can you tell that to the
- 10 Court?
- 11 A. I do not know about that, about the number of the personnel.
- 12 MS. TY SRINNA:
- 13 Mr. President, I would like now to refer to document E3/367
- 14 again.
- 15 [10.00.21]
- 16 MR. PRESIDENT:
- 17 You may proceed, but please advise the Chamber on the
- 18 identification of the document, the ERN and your main purpose for
- 19 reference to this document, because if you keep asking the
- 20 President to allow you to -- just one point at a time, it will be
- 21 difficult and it really takes so much time.
- 22 MS. TY SRINNA:
- 23 Thank you, Mr. President.
- 24 I'm referring to this document -- this document is under ERN
- 25 00251440 in Khmer, 00278697 in English, and 00486013 in French.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. PRESIDENT:
- 2 You may proceed.
- 3 [10.01.37]
- 4 BY MS. TY SRINNA:
- 5 Q. You stated, with regard to the question concerning who else
- 6 you knew, and you said that "during the congress, Pol Pot
- 7 indicated -- or declared that civilian and military cadres should
- 8 stop the killing and the arrests unless a prior summon from the
- 9 Centre's Court was obtained".
- 10 My question is: What happened that made Pol Pot declare such
- 11 statement?
- 12 MR. SAO SARUN:
- 13 A. As I already stated before the Co-Prosecutors, I think the
- 14 position is clear.
- 15 Q. I think I need to repeat the question and my -- I'm afraid I
- 16 didn't make myself clear.
- 17 The question is: What had happened that led to the declaration by
- 18 Pol Pot to ask military cadres to stop killing and arrests?
- 19 A. I don't know. I just heard that the announcement was made that
- 20 there should never be more arrests or killing, and when people
- 21 committed any wrongdoings, they shall not be killed or arrested,
- 22 instead they should be educated.
- 23 [10.03.56]
- Q. What happened at other sector? Do you know?
- 25 A. No, I don't.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Q. With regard to another question, what did you know about
- 2 military affairs and security management in that sector? You said
- 3 the sector committee was the one who supervised the sector
- 4 military chiefs.
- 5 My question to you is: What is your understanding of sector
- 6 committee?
- 7 A. I think I already made it clear.
- 8 Q. Does sector committee refer to an individual or a group of
- 9 people? I understand that the secretary of the sector would be an
- 10 individual person, but when it comes to committee, was it only
- 11 one person or a group of people?
- 12 [10.05.17]
- 13 A. When it comes to committee, it must comprise of at least three
- 14 people, otherwise it could never be called committee.
- 15 Q. Could you tell the Court about the structure and the roles of
- 16 the sector committee?
- 17 A. People were tasked with different duties and tasks. For
- 18 example, some would be assigned with the task in commerce,
- 19 military, and so on and so forth.
- 20 Q. On the same document, and indeed you indicated before the
- 21 Co-Prosecutor, I just need the clarification concerning your
- 22 chit-chat with Mr. Khieu Samphan. You said you had a chit-chat
- 23 with Mr. Khieu Samphan concerning commerce. Could you please be
- 24 more precise; what exactly was his -- was he talking about when
- 25 it comes to commerce?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 [10.06.49]
- 2 A. Well, he was talking about economy, about growing vegetables,
- 3 about production, about food ration of the people, and that's
- 4 all.
- 5 Q. Did he also talk to you about the four-year plan of the CPK?
- 6 A. No, I didn't.
- 7 Q. Yesterday, document D189.1 was presented to you by the
- 8 prosecutor concerning the political rather, the Party's line
- 9 relating to the people who affiliated with the KGB and other
- 10 agents. And yesterday you already indicated time and again on
- 11 this.
- 12 But my question today is -- After being explained and instructed,
- 13 you said you disseminated this information on one occasion to
- 14 your local people. Now, after such dissemination of information
- 15 to your local people, how was the information being implemented
- 16 or taken care of?
- 17 [10.08.57]
- 18 A. I already talked about this to the prosecutor.
- 19 The local people had to follow whatever they expected of.
- 20 Q. Was there anyone who refused to implement the instruction and
- 21 what happened to them?
- 22 A. Nothing happened to them.
- 23 Q. With regard to your statement before the Co-Investigating
- 24 Judges and the Co-Prosecutors relating to the meetings you were
- 25 called to attend after the death of Mr. Laing, you said Pol Pot

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 called you to take over from Mr. Laing.
- 2 My question is: When you first came to the meeting at Pol Pot's
- 3 workplace, were you ever told about each and individual person's
- 4 roles and responsibility in the meeting by Pol Pot?
- 5 A. I talked to the Co-Prosecutors yesterday already about this,
- 6 and it is clear.
- 7 Q. Did you observe the relationship between the individuals
- 8 involved? I would like to rephrase it. You said that Nuon Chea,
- 9 Son Sen, Ieng Sary, Khieu Samphan, and Ieng Thirith were present.
- 10 [10.11.18]
- 11 So my question is: What was your impression concerning the
- 12 relationship between each individual in the meeting?
- 13 A. I think I noted that only Pol Pot presented -- or was chairing
- 14 the meeting and the other people were simply listeners.
- 15 MR. PRESIDENT:
- 16 Counsel, you may proceed.
- 17 MR. VERCKEN:
- 18 Thank you, Mr. President. Just a brief observation for the
- 19 record.
- 20 The witness never mentioned to Mr. Khieu Samphan's name during
- 21 that meeting, and I believe that this is an oversight on the part
- 22 of civil party counsel.
- 23 MR. PRESIDENT:
- 24 Counsel for the civil parties, you may continue.
- 25 [10.12.32]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MS. TY SRINNA:
- 2 I have a document to prove this, in particular with regard to the
- 3 statement he made. I did not present the document when I put this
- 4 question to the witness because I wished to save some time for my
- 5 questions. However, if counsel insisted that I show the relevant
- 6 portion where the name of Khieu Samphan mentioned, I would be
- 7 very pleased to do so.
- 8 MR. PRESIDENT:
- 9 Do you have any further questions to put to the witness?
- 10 BY MS. TY SRINNA:
- 11 Q. Last week, you indicated before the Co-Investigating Judges
- 12 that people were called and disappeared, and other were scared
- 13 and afraid.
- 14 My question is: Were you also afraid?
- 15 [10.13.47]
- 16 MR. SAO SARUN:
- 17 A. I was afraid. I couldn't help not being afraid because other
- 18 people were being called and disappeared and the very close
- 19 person of mine in my family, my brother-in-law, was also called
- 20 and disappeared.
- 21 MS. TY SRINNA:
- 22 Thank you, Mr. Witness, for your time answering my questions. I
- 23 would like to hand over now to my colleague to put further
- 24 questions.
- 25 MR. PRESIDENT:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 You may proceed, Counsel.
- 2 [10.14.38]
- 3 QUESTIONING BY MS. SIMONNEAU-FORT:
- 4 Good morning, Mr. President. Good morning, Your Honours. Good
- 5 morning, fellow colleagues. Good morning to everyone. Mr.
- 6 Witness, good morning.
- 7 Q. I only have a few follow-up questions for you with respect to
- 8 very specific topics. I hope to be able to go through them rather
- 9 expeditiously within the time allotted to me.
- 10 My first question for you, Mr. Witness, is with respect to the
- 11 transfer of people. Now, you answered in response to a question
- 12 put by the Co-Prosecutor, on the 6th of June, that from where you
- 13 were residing, you did not witness anyone who was transferred to
- 14 other regions or who were transferred from other regions to be
- 15 resettled where you were living. As a member of the sector
- 16 committee or as a district secretary, did you ever hear about
- 17 people who were being transferred from other regions to Sector
- 18 105?
- 19 [10.16.01]
- 20 MR. SAO SARUN:
- 21 A. I have never heard or witnessed any people being transferred
- 22 from other regions to Sector 105.
- 23 Q. Thank you.
- 24 Mr. President, with your leave, I wish to make reference to
- 25 document D22/2736. This is a statement by a civil party that

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 figures in our list of documents. We placed it on the interface
- 2 just a few days ago.
- 3 I wish to quote a passage from this document and I believe that
- 4 it should serve to refresh the witness's memory. I simply want to
- 5 read the passage, but if you wish we can certainly have it
- 6 projected on the screen. The French ERN is 00811449; in Khmer, it
- 7 is 00579159; unfortunately, an English translation has not been
- 8 made available.
- 9 May I please read from this passage? And, Mr. President, do you
- 10 wish for the document to be displayed on the screen?
- 11 (Judges deliberate)
- 12 [10.18.19]
- 13 MR. PRESIDENT:
- 14 You may proceed, but please make a -- the brief summary of the
- 15 portion you would like to refer to only. And that the document
- 16 can now be put up on the screens.
- 17 BY MS. SIMONNEAU-FORT:
- 18 Thank you very much, Mr. President.
- 19 Q. I would just point out that the civil party in question was 15
- 20 years of age in 1975, and with respect to the transfer of people,
- 21 the civil party writes as follows:
- 22 "During the Democratic Kampuchea regime, I lived in Kampong Speu
- 23 province. I was evacuated and I was sent to Mondulkiri province
- 24 in the district of Kaoh Nheaek. One year later, I was moved once
- 25 again and I was transferred along the Khmer-Vietnam border. I was

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 a direct first-hand witness of executions that were occurring at
- 2 Kraol Mountain."
- 3 [10.19.31]
- 4 Mr. Witness, does this refresh your memory with respect to the
- 5 transfer of certain people?
- 6 MR. SAO SARUN:
- 7 A. No, I don't anything about this and I never saw people being
- 8 evacuated into the Mondulkiri location either.
- 9 Q. Thank you.
- 10 Allow me to move on now to the topic of cooperatives and
- 11 worksites.
- 12 Now, on the 5th of June in response to the National
- 13 Co-Prosecutor's question, you said that there were sufficient
- 14 material, sufficient medical equipment and medicine within your
- 15 sector. You were a member of the sector committee and you were
- 16 responsible for medical issues.
- 17 [10.20.37]
- 18 Was there appropriate healthcare? Were there trained doctors and
- 19 hospitals in good working condition operating within your sector?
- 20 A. As indicated, there were sufficient medicine. There were
- 21 people who were skilled in treating malaria and there were
- 22 midwives who also were trained, and there were doctors who
- 23 specialized in general disease and even surgeons.
- 24 Q. Thank you.
- 25 Mr. President, I wish to make reference to document D22/2760.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 This is another document that figures on our list and which is
- 2 also on the interface; it is a civil party application. I wish to
- 3 make reference to pages 6 and 7 of the French version; and in
- 4 Khmer, the ERNs are 00556228; unfortunately, we do not have at
- 5 our disposal the English translation.
- 6 May I please quote an extract from this document?
- 7 [10.22.17]
- 8 MR. PRESIDENT:
- 9 You may proceed.
- 10 BY MS. SIMONNEAU-FORT:
- 11 Q. The civil party was of 33 years of age during the time they
- 12 lived in District 35, and the civil party writes as follows:
- 13 "In 1977 during the rainy season, my father was assigned to plant
- 14 bamboo in the forest. He had to work from dawn to dusk. He worked
- 15 without eating, and he had to travel long distances. He was
- 16 deteriorating day after day up until he became very sick. His
- 17 body was swelling. He was taken to a medical unit where there
- 18 were no doctors to care for him, nor were there any
- 19 pharmaceuticals. The Khmer Rouge said if you were sick you have
- 20 no right to eat. He was deprived of food until his death." End of
- 21 quote.
- 22 [10.23.38]
- 23 Q. Mr. Witness, does this jog your memory of hospitals within
- 24 your sector?
- 25 MR. SAO SARUN:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. No, I don't know anything about this. At that time, I was
- 2 confined to my position at the district. On top of that, I had no
- 3 knowledge of having heard people being treated like that or ever
- 4 killed.
- 5 Q. With respect to the living conditions within the cooperatives,
- 6 Mr. Witness, were pregnant women entitled to receive medical
- 7 treatment because of their fragile condition? Were the elderly,
- 8 who were also frail and fragile, entitled to receiving medical
- 9 treatment while they were living in the cooperatives?
- 10 [10.24.03]
- 11 A. I may respond to this. Pregnant women were not allowed to work
- 12 hard and after delivering their babies, a few months after that,
- 13 they were also allowed to stay home and not to work hard.
- 14 Q. Thank you.
- 15 Mr. President, I wish to make reference to two documents. The
- 16 first is D22/1175. This is a civil party statement. I would wish
- 17 to quote a passage which is on pages 4 and 5 -- on Khmer ERN
- 18 pages 00521307.
- 19 Do I have your authorization to do so, Mr. President?
- 20 MR. PRESIDENT:
- 21 You may proceed.
- 22 MS. SIMONNEAU-FORT:
- 23 Q. This civil party was a 20 year-old woman in 1975. She writes
- 24 as follows -- and I quote:
- 25 "In 1975 I was forced into marriage. Later on, I became pregnant

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 with my first daughter. One week following delivery of my child,
- 2 I was sent into the rice fields even though I was not ready to do
- 3 so."
- 4 Four lines later, she states -- and I quote:
- 5 "I received a very small, insufficient food portion. We only
- 6 received one can of rice for four people. I was malnourished and
- 7 exhausted. Sometimes I fell asleep on the rice field embankment."
- 8 A few lines later, on the fifth page of the French version:
- 9 "My mother was very elderly. She was sent to work until she
- 10 perished. In fact, when she fell ill it was impossible to receive
- 11 permission to see her."
- 12 [10.27.46]
- 13 Mr. Witness, does this remind you of any scenes that you may have
- 14 witnessed at the time?
- 15 MR. SAO SARUN:
- 16 A. No, I don't know such a thing happened during 1975.
- 17 Q. Thank you.
- 18 Allow me to quote an additional passage from another document. It
- 19 is D22/1433. This is another statement by a civil party. The
- 20 French passage is on page 7; in Khmer, it is on ERN page
- 21 00528426. It goes on to the following page.
- 22 May I have your leave, Mr. President, to quote from this
- 23 document?
- 24 MR. PRESIDENT:
- 25 You may proceed.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 [10.29.09]
- 2 MS. SIMONNEAU-FORT:
- 3 Q. The civil party was a 16 year-old boy in 1975. He writes the
- 4 following:
- 5 "With respect to my father who was very elderly, he was asked to
- 6 supply tapioca. He was then asked to go hunting. He also was
- 7 malnourished. He worked until exhaustion. He never had any time
- 8 to rest. He was exhausted to the point of becoming sick. At that
- 9 point I had requested for medicine from Chre, the head of the
- 10 commune. She said, it is not worthwhile to treat the elderly. We
- 11 should just let them die because there are young people who are
- 12 capable of working. When I heard this I collapsed in tears. I had
- 13 pity for my father, somebody who was so dear and beloved to me,
- 14 and yet who was being treated with such contempt. Five days later
- 15 he unfortunately passed away because of the lack of medicines."
- 16 [10.30.28]
- 17 Mr. Witness, does this remind you of anything that you may have
- 18 seen or heard about?
- 19 MR. SAO SARUN:
- 20 A. I do not know about that. During the 1977, I was in my home
- 21 town, so I do not know about that.
- 22 Q. Thank you very much.
- 23 And in cooperatives, Mr. Witness, were children entitled to any
- 24 special protection or treatment since they were particularly
- 25 fragile and vulnerable segment of the population?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. SON ARUN:
- 2 (No interpretation)
- 3 MR. PRESIDENT:
- 4 Witness, please hold on.
- 5 Yes, National Counsel for Mr. Nuon Chea, you may proceed.
- 6 [10.31.39]
- 7 MR. SON ARUN:
- 8 Good morning, Your Honours. Good morning, Mr. President. I would
- 9 like to object to this line of questioning by civil parties'
- 10 counsel. This is question and answer of another person and this
- 11 cannot be used to impeach this witness, so I would like to object
- 12 to this question.
- 13 MR. PRESIDENT:
- 14 Yes, Counsel Michael Karnavas, you may proceed.
- 15 MR. KARNAVAS:
- 16 Thank you, Mr. President. Good morning, Your Honours. Good
- 17 morning to everyone in and around the courtroom. I hesitate to
- 18 raise an objection at this point, although I did want to point
- 19 out that these are unsworn statements. I assume the Trial Chamber
- 20 is aware of that.
- 21 We have -- this issue is before the Trial Chamber and it has
- 22 never been resolved as to whether these sort of statements can be
- 23 used as evidence. We are unsure whether these witnesses were
- 24 actually -- whether the civil parties will appear to be
- 25 questioned. We are concerned that now we're bringing in

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 statements -- unsworn statements of individuals who will never
- 2 appear, and you may be tempted to give weight to this sort of
- 3 evidence.
- 4 [10.32.56]
- 5 Obviously, this is a technique to try to impeach the witness.
- 6 We're entitled to confront these witnesses. They're not
- 7 statements given to the Investigative Judges and therefore they
- 8 have no weight as far as we are concerned. Thank you.
- 9 MR. PRESIDENT:
- 10 Thank you, Counsel.
- 11 Yes, Civil Parties Counsel, you may proceed.
- 12 MS. SIMONNEAU-FORT:
- 13 Yes, Mr. President. I understand the reaction of defence counsel
- 14 in the face of such a situation and I am surprised to hear them
- 15 say that we can only use documents from witnesses.
- 16 I believe the Prosecution has used testimonies from all sorts of
- 17 persons and the Defence has done so as well, and even Nuon Chea's
- 18 counsel can use documents from other persons. These people, of
- 19 course, lived in Sector 105.
- 20 [10.34.09]
- 21 Regarding the objection of my learned friend, Karnavas, let me
- 22 point out again that the Chamber will assess the evidence and its
- 23 probative value.
- 24 I crave the Court's indulgence because I forgot to mention that
- 25 all statements I am mentioning today are by civil parties. We did

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 not propose that these persons be called to testify before this
- 2 Chamber. Let me add that their testimonies are also very
- 3 important. They were provided sincerely and they are as worthy of
- 4 consideration as those of witnesses, and I'm using only
- 5 statements that are relevant.
- 6 (Judges deliberate)
- 7 [10.36.56]
- 8 MR. PRESIDENT:
- 9 Counsel, you may be seated.
- 10 Now that we have been seized with objections from defence
- 11 counsel, and we are to deal with this issue to be in line with
- 12 the previous decisions of the Trial Chamber so that we can set
- 13 precedent for our future proceedings, the Chamber will decide on
- 14 this matter in due course.
- 15 And now we will have a short break. We will have a 20-minute
- 16 break.
- 17 Court officer is instructed to accommodate the witness and his
- 18 duty counsel and return them before we resume.
- 19 The Court is adjourned.
- 20 (Court recesses from 1038H to 1101H)
- 21 THE GREFFIER:
- 22 All rise.
- 23 MR. PRESIDENT:
- 24 Please be seated. The Court is back in session.
- 25 So who is going to take the floor first?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 The Co Prosecutor, first.
- 2 MR. LYSAK:
- 3 Thank you, Mr. President. I just wanted to correct, for the
- 4 record, something that was stated by counsel before the break. He
- 5 indicated that civil party applications were not provided under
- 6 oath.
- 7 I apologize for not getting up earlier, but the two that were on
- 8 the screen were in French and I was looking for an English
- 9 version just to correct -- confirm my understanding. But, in
- 10 fact, in Section D of the civil party applications, where they
- 11 placed their signature, they declare, specifically, that: "To the
- 12 best of my knowledge and belief, the information I have given in
- 13 the present form is correct. Otherwise, I will be liable under
- 14 the applicable law."
- 15 [11.02.56]
- 16 This is certainly some form of oath, so I think it is incorrect
- 17 to assert that these statements are not provided under oath.
- 18 And, aside from that point, we certainly support the civil
- 19 party's use of these statements. This seems, to us, to be the
- 20 role that they serve in these proceedings. The Defence, including
- 21 the Nuon Chea defence, have been allowed to do this with
- 22 statements of other witnesses where they are not going to appear
- 23 to testify.
- 24 Certainly, all 4,000 civil parties are not going to be able to
- 25 appear to testify here. And, therefore, it seems to us that where

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 there are matters within the knowledge of a witness, such as in
- 2 this case where we have someone who has come in and made
- 3 assertions that there we no forced marriages, that there was
- 4 plenty of medicine and other assertions regarding the conditions
- 5 in Mondulkiri sector. It seems to us entirely appropriate that he
- 6 be confronted with the voices of the victims from that region.
- 7 So, for those reasons, we would support the civil party's use of
- 8 these documents. Thank you, Mr. President.
- 9 [11.04.13]
- 10 MR. KARNAVAS:
- 11 Mr. President, let me first address the prosecutor's remarks.
- 12 An affirmation is not an oath -- he ought to know better -- at
- 13 least with these statements or the summaries of the statements
- 14 that we get from the OCIJ. There we have a judicial officer who
- 15 is taking a statement and turning it into a summary, and then it
- 16 is thumb printed or signed under oath. So there is a vast
- 17 difference between one and the other. So that's first and
- 18 foremost.
- 19 [11.04.55]
- 20 Our position is rather one of principle, and that is, if you're
- 21 going to use this sort of a statement that was made for the
- 22 purposes of becoming a civil party, and where that individual has
- 23 a vested interest in becoming a civil party, one cannot just ipso
- 24 facto say "well, it was given in earnest". That earnesty has to
- 25 be demonstrated through a process of confrontation if it's

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 necessary.
- 2 In this instance, these statements are being used in order to
- 3 impeach this particular witness. And in one of them, D22/2760, on
- 4 page 5 in Khmer, it clearly implicates the witness himself. In
- 5 other words, the civil party is using -- the civil party lawyer
- 6 is using a statement from a civil party in order to implicate and
- 7 treat the witness as an accused, something which, Mr. President,
- 8 you have advised all of us not to do so in this in this Court.
- 9 So we do think that there is a vast difference.
- 10 Our position, to be quite frankly, is as follows. We need a set
- 11 of quidelines and rules that are going to be followed universally
- 12 throughout the trial. We do not think that these sorts of
- 13 statements ought to be coming in unless the witness or the civil
- 14 party is going to be testifying.
- 15 [11.06.31]
- 16 Of course, if you tend to think that they need to be heard -- the
- 17 voices of the civil parties need to be heard -- and we don't
- 18 object to that -- then, obviously, we want it stated loud and
- 19 clear that very little weight, if any, will be given to such
- 20 statements, unless they are corroborated by independent indicia
- 21 -- plain and simple.
- 22 But to simply say that one person had this experience, and
- 23 therefore that's how it was in this region or that area is
- 24 insufficient unless we hear other evidence that would support
- 25 that. And, thus, the civil party statement is something that is

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 used to supplement as opposed -- used to actually prove.
- 2 Thank you.
- 3 [11.07.21]
- 4 MR. PRESIDENT:
- 5 Yes, Counsel, you may proceed.
- 6 MR. VERCKEN:
- 7 Thank you very much, Mr. President. Very quickly, in order to
- 8 illustrate what my esteemed colleague has just said, two of the
- 9 civil parties who were quoted by Counsel Simonneau-Fort just
- 10 earlier on, are people who have launched complaints against this
- 11 very witness. This effectively gives rise to a problem. And I
- 12 think such a problem needs to be resolved. So much so that our
- 13 other esteemed colleague has said that those two individuals are
- 14 not on the list of civil parties who are to appear before this
- 15 Chamber.
- 16 MR. PRESIDENT:
- 17 Yes, National Lead Co-Lawyers for civil parties.
- 18 Please be reminded that you are not supposed to touch upon the
- 19 same issue.
- 20 It is strange, the Chamber has discussed this issue and is about
- 21 to rule on the matter and now parties stand up to talk about this
- 22 same issue. But the Chamber is also interested in hearing the
- 23 arguments made by the parties.
- 24 [11.09.08]
- 25 It is also surprising that the parties did not stand up right

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 after the document was referred to. The Chamber has indicated
- 2 time and again that if any party wishes to oppose to the document
- 3 being referred to, that party should make the point straight
- 4 away, before the Chamber can rule on the matter.
- 5 Besides, a party can only oppose to the matter once. And once the
- 6 matter has been ruled on, the matter cannot be revisited. So
- 7 please be informed and not to confuse the proceedings.
- 8 [11.10.22]
- 9 MR. PICH ANG:
- 10 Good morning, Mr. President. Good morning, Your Honours. And good
- 11 morning, everyone. I am on my feet -- it's not to respond to what
- 12 has been raised by the two defence teams. Rather, I am to respond
- 13 to them -- especially to Counsel Karnavas, who said that the
- 14 statement of this civil party was not made before the Official of
- 15 the Co-Investigating -- the Office of the Co-Investigating
- 16 Judges.
- 17 To respond to this matter, I would like to state that civil
- 18 parties are not obliged to take an oath as already been
- 19 stipulated by Internal Rule 23 concerning the participation of
- 20 civil parties. Therefore, the statement of the civil party can be
- 21 part of the evidence for the Chamber to consider, in this regard
- 22 as the arguments so that the civil party did not take an oath
- 23 cannot be taken into account.
- 24 Secondly, as indicated in the civil party victim information
- 25 form, the information is not intended to incriminate the witness.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 We have been trying only to elicit information from the witness.
- 2 This is our technique. As well, in the victim information form,
- 3 civil party has indicated that he or she wishes to apply as a
- 4 civil party and he or she does not intend to accuse this witness.
- 5 Everything has been said clearly in the victim information form.
- 6 Thank you, Mr. President.
- 7 [11.13.09]
- 8 MR. PRESIDENT:
- 9 Now that the Chamber has heard from the parties concerning the
- 10 extract from the civil party victim information form, the Chamber
- 11 will decide on this matter in due course.
- 12 Next, the Chamber would like to inform Lead Co-Lawyers that the
- 13 Chamber has heard a lot about the information concerning the
- 14 background of Democratic Kampuchea.
- 15 So civil party lawyers are reminded not to go into this matter in
- 16 more detail, in order not to waste any more time. Civil party
- 17 counsels are advised to move onto other matters concerning the
- 18 administrative structure either at the local level or the upper
- 19 level.
- 20 MS. SIMONNEAU-FORT:
- 21 Thank you, Mr. President. This witness, if I'm not mistaken, is
- 22 being questioned on the totality of all subjects that are being
- 23 treated within the scope of Case 001. I, therefore, would like to
- 24 ask questions relative to all subjects that fall within the scope
- 25 of the first trial. I talked about the transfer of people,

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 cooperatives; I also wish to address the issue of elimination of
- 2 individuals within security centres. I'll go through that very
- 3 briefly. I also wish to touch upon religious persecution and
- 4 marriage.
- 5 [11.15.15]
- 6 I would hope to carry out my duties as counsel for civil party
- 7 and ask the relevant questions. Do I have your authorization to
- 8 do so, Mr. President?
- 9 MR. PRESIDENT:
- 10 I have already informed you that this morning you can question
- 11 this witness concerning Case 002, and you should be aware that
- 12 the facts in Case 002 are far different from Case 002/01. But the
- 13 fact that happens in Sector 105 are not set out in the Closing
- 14 Order. Only the facts in Tram Kak in Takeo province was set out
- 15 in the Closing Order. So you are supposed to ask questions
- 16 concerning Tram Kak cooperative.
- 17 If you have -- if you are of the view that there are facts set
- 18 out concerning the sector in Mondulkiri, you are supposed to
- 19 identify the portion or the paragraph in the Closing Order for
- 20 the Chamber.
- 21 [11.16.56]
- 22 BY MS. SIMONNEAU-FORT:
- 23 Very well, Mr. President. I shall ask some questions with respect
- 24 to security centre in Phnom Kraol, which, I believe, does fall
- 25 within scope of Case 002/1.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Q. With respect to disappearances, Mr. Witness, you testified in
- 2 response to the Co-Prosecutor's question that you received a list
- 3 of prisoners at S-21 on the 23rd of December and that you weren't
- 4 aware of the demise of those at S-21. Did you see or hear about
- 5 people who were arrested and then led, either by foot or a lorry
- 6 to a destination unbeknownst to you?
- 7 MR. SAO SARUN:
- 8 A. I do not know about that.
- 9 MS. SIMONNEAU-FORT:
- 10 Mr. President, do I have your leave to quote a passage from
- 11 D22/2076, which are the statements of an individual regarding
- 12 those who were sent to S-21? The French ERN pages are 678; and in
- 13 Khmer, 00556553 to 00556544. Do I have leave from the Chamber to
- 14 quote from this document?
- 15 MR. PRESIDENT:
- 16 Can you identify the title of the document?
- 17 MS. SIMONNEAU-FORT:
- 18 Yes, indeed. It is a statement of a civil party -- D22/2796, for
- 19 the record.
- 20 (Judges deliberate)
- 21 [11.19.28]
- 22 MR. PRESIDENT:
- 23 You may proceed, even though the Chamber has been seized with
- 24 objections from the Defence but the Chamber will decide on the
- 25 matter in due course.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 The Chamber would like to inform civil party counsel as well that
- 2 the documents that you are referring to now has little probative
- 3 value.
- 4 [11.21.30]
- 5 BY MS. SIMONNEAU-FORT:
- 6 Thank you, Mr. President.
- 7 Q. I will therefore go ahead and read from the references that I
- 8 indicated earlier. Unfortunately, I do not have the reference in
- 9 English. The civil party writes as follows:
- 10 "At the end of 1975, I drove a truck that was full of men and
- 11 women who were considered traitors to the nation. I drove them to
- 12 Kratie province. When we arrived at Thma Kreae commune, in the
- 13 Kratie district, in the province of Kratie, there were boats
- 14 waiting for us to continue them on their journey. I do not know
- 15 where they were led. I only heard that they were taken for
- 16 re-education. They have disappeared since then. We never saw them
- 17 come back."
- 18 Following that, the witness goes on to say:
- 19 "Since 1978, I was sent to work as a driver as I had done in the
- 20 past. The chief of the Commerce Bureau said you cannot do
- 21 anything other than repair old motor vehicles.
- 22 At that point, there were two trucks made in China that were used
- 23 for transporting many people who were accused as being traitors
- 24 by Pol Pot's clique. Those people were sent by those trucks for
- 25 execution in Phnom Kraol, five kilometres away from Kaoh Nheaek

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 district. Every day in the morning the two trucks came to take
- 2 ten or more people and returned without the people about an hour
- 3 later." End of quote.
- 4 [11.23.21]
- 5 Mr. Witness, does this refresh your memory with respect to any
- 6 scenes that you may have witnessed?
- 7 MR. SAO SARUN
- 8 A. My answer is that I do not know about that. In 1975, I did not
- 9 hear or see this.
- 10 Q. Thank you, Mr. Witness.
- 11 I have a second question with respect to Phnom Kraol, and then
- 12 I'll have a few questions for you with respect to forced
- 13 marriage, which falls well within the scope of Case 002.
- 14 Now, returning to Phnom Kraol, I wish to draw this Chamber's
- 15 attention to E3/403. On page 5 of the French version -- ERN in
- 16 Khmer, 00398989; ERN in English, 00403027--
- 17 Mr. President, do I have your leave to make reference to this
- 18 document and to have it projected on the screen?
- 19 MR. PRESIDENT:
- 20 You may proceed.
- 21 [11.25.06]
- 22 BY MS. SIMONNEAU-FORT:
- 23 Thank you very much.
- 24 Q. Now, in response to the following question, "When you took
- 25 control of Region 105, was the Phnom Kraol Security Detention

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Centre still in operation?", you answered, Mr. Witness, "Yes, it
- 2 was operating normally", and you added, "We did not arrest
- 3 anyone."
- 4 May I ask you, Mr. Witness, if that means that the security
- 5 centre was operating as per usual?
- 6 [11.25.55]
- 7 MR. SAO SARUN:
- 8 A. I said that to the Co Prosecutors. When I said it was
- 9 functioning as usual, it means that there was no arrest.
- 10 Q. Thank you, Witness.
- 11 Mr. President, may I please quote from D22/452, which, once
- 12 again, is a civil party statement that bears the following ERN
- 13 numbers: in French, they are 0081451; and in Khmer, 00580977.
- 14 I wish to draw upon supplementary information as provided for by
- 15 this individual who speaks about Phnom Kraol.
- 16 MR. PRESIDENT:
- 17 You may proceed.
- 18 BY MS. SIMONNEAU-FORT:
- 19 Thank you very much.
- 20 [11.27.16]
- 21 Q. This particular civil party is a woman who was 24 years of age
- 22 in 1975. She writes as follows: "My husband -- and I'll refrain
- 23 from stating the name -- was sent to K 17 that was close to Kraol
- 24 mountain. This was very close the security detention centre."
- 25 I'll just skip a paragraph. And she writes further on by saying:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 "Now, at K 17, there was also K 11, which was reserved for the
- 2 unit responsible for carrying out heavy tasks and laborious tasks
- 3 such as building dams. I was sometimes sent to work there, along
- 4 with people from K 11. I saw people being arrested. I saw people
- 5 being shackled. I saw people being lined up and led away."
- 6 [11.28.17]
- 7 Mr. Witness, does this refresh your memory with respect to Phnom
- 8 Kraol Security Centre, which was not far from the district
- 9 office?
- 10 MR. SAO SARUN:
- 11 A. As I already said, I did not see, I did not hear about people
- 12 being arrested to the security centre.
- 13 Q. Thank you. I have one final question with respect to forced
- 14 marriage. In fact, this is a follow up question to one that was
- 15 posed by the Co Prosecutor, as well as in follow up to a question
- 16 asked by my fellow colleague this morning.
- 17 Mr. Witness, you said on several occasions that consent was
- 18 required when it came to marriages.
- 19 Mr. President, may I please make reference to a civil party
- 20 statement which should perhaps allow for the witness to refresh
- 21 his memory with respect to forced marriages? I wish to refer to
- 22 D22/1433. The French ERN numbers are 00811424; in Khmer, the ERNs
- 23 are 00585681. Do I have the Chamber's leave to quote from these
- 24 particular documents?
- 25 [11.30.21]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. PRESIDENT:
- 2 (No interpretation)
- 3 BY MS. SIMONNEAU-FORT:
- 4 Q. It is indeed a statement given by a civil party, who is a man
- 5 who died in who--
- 6 This is what the witness said:
- 7 "In fact in 1978, while on assignment on Kraol Mountain -- I was
- 8 in charge of cutting wood -- the head of the unit, Rin, forced me
- 9 to marry Ein (phonetic), who was from the same ethnic group as
- 10 myself. I was very afraid and I could not contest the order
- 11 because anyone who challenged an order was arrested. During the
- 12 wedding, there were 18 couples who stood in two rows. Each person
- 13 had to declare their consent to the marriage."
- 14 [11.31.35]
- 15 Witness, does this refresh your memory regarding forced marriages
- 16 in your sector?
- 17 MR. SAO SARUN:
- 18 A. In 1975, I was at the district, but so far as I remember there
- 19 is no such forced marriage.
- 20 MS. SIMONNEAU-FORT:
- 21 Thank you, Witness.
- 22 I regret not having been able to refresh your memory on some
- 23 important points. Let me point out that the civil party
- 24 statements I used today were given by people who lived in Sector
- 25 105. Although I chose only a few extracts, they all deal with the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 policies of Democratic Kampuchea.
- 2 I thank you.
- 3 MR. PRESIDENT:
- 4 Thank you.
- 5 Next, I would like to know whether fellow Judges of the Bench
- 6 would like to put any questions to the witness.
- 7 [11.32.52]
- 8 Judge Lavergne, you may now proceed.
- 9 JUDGE LAVERGNE:
- 10 Yes. Thank you, Mr. President. Good morning, Witness.
- 11 First of all, Witness, I hope I wouldn't mispronounce your name.
- 12 Can you please tell me, therefore, whether your name is
- 13 pronounced as Sao Sarun or So Sarun?
- 14 MR. SAO SARUN:
- 15 My name is Sao Sarun.
- 16 JUDGE LAVERGNE:
- 17 Witness, we have spoken at length about arrests that occurred in
- 18 Sector 105 and in Division 920.
- 19 Before putting questions to you, I would like to note some points
- 20 referring to document D288/6.61.1-Annex 1 (sic) and document
- 21 D80-Annex A. These are both documents dealing with lists of
- 22 persons arrested and sent to S 21. These lists show that a total
- 23 number of people arrested who were from Sector 105 and Division
- 24 920; we have a total of 318 prisoners.
- 25 [11.34.40]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 There is another document that was referred to, and it is
- 2 document -- the document referring to lists of prisoners who
- 3 arrived at S 21 on the 23rd of November 1977, and these persons
- 4 were either from Division 920 or Sector 105.
- 5 And on the 23rd of November alone, the 23rd of November 1977, the
- 6 number of detainees is 151. This is document D75/3/31 (sic).
- 7 These are figures that only concern S 21, and they do not concern
- 8 the security centres that may have existed in Sector 105.
- 9 QUESTIONING BY JUDGE LAVERGNE:
- 10 Q. First of all, regarding questions dealing with the
- 11 administrative structure of Sector 105, Laing was referred to as
- 12 the secretary of Sector 105. Can you please tell me whether Laing
- 13 had another name?
- 14 MR. SAO SARUN:
- 15 A. I have never remembered knowing the person other than Laing.
- 16 Q. If I were to tell you that that person's name could have been
- 17 Ham and that he may have also used the alias Chhan-- Do these
- 18 names, Ham and Chhan, mean anything to you?
- 19 A. I don't know.
- 20 Q. We heard your testimony and you said you were in charge of the
- 21 committee that was responsible for health issues in the sector.
- 22 Can you tell us whether in your capacity you had any meetings
- 23 with Laing or any other members of Sector 105?
- 24 A. It is correct that the meeting -- in the meeting there was a
- 25 discussion on how to promote medical services and hospitals and

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 that when patients was sent in then we were asked to take good
- 2 care of them, and that is part of my role.
- 3 [11.38.17]
- 4 Q. You also stated that Laing left with Kham Phoun in late 1977
- 5 to Phnom Penh. Can you tell us whether after the disappearance of
- 6 Laing another person was appointed to head Sector 105 before you
- 7 were appointed to head that sector? In other words, between you
- 8 and Laing, was anybody appointed to head Sector 105, and if yes,
- 9 who was that person?
- 10 A. No, there was no other person appointed in between.
- 11 Q. When do you consider that you effectively became responsible
- 12 for activities in Sector 105? Was it immediately after your
- 13 return from Phnom Penh -- that is, after the death of Laing -- or
- 14 later on?
- 15 [11.40.01]
- 16 A. I resumed my role as the secretary of the sector in the
- 17 aftermath of Laing's death. It was in September 1978.
- 18 Q. Who was therefore in charge of Sector 105 between the
- 19 beginning of the year 1978 and September 1978?
- 20 A. I don't know.
- 21 Q. Witness, please tell us, were you asked to send telegrams
- 22 regularly to Office 870 to Brother Number Two or other persons?
- 23 When you were appointed to head that sector, were you told that
- 24 you would be requested to send telegrams and also to receive
- 25 them?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. I would report directly to Pol Pot.
- 2 Q. Now, regarding those reports and correspondences, we have a
- 3 large number of telegrams, telegrams that were exchanged between
- 4 Laing and Phnom Penh. For instance, we have telegram number 3
- 5 addressed to the "Beloved and" "Beloved Brother" in October. It
- 6 was sent to Brother Nuon -- a copy of that document was sent to
- 7 Brother Nuon. It's document E3/1089 (sic).
- 8 [11.42.36]
- 9 We have telegram of the 12th of October 1976 sent to "Dear
- 10 Beloved Comrade--" It was sent as a copy to Brother Nuon, to the
- office and the archives. It's document E3/1011 (sic).
- 12 In this telegram, Laing said he had changed names and he was now
- 13 known as Comrade Chhan.
- 14 We have telegram number 3 of the 15th of October 1976 sent to
- 15 "Beloved Comrade Doeun". A copy of that telegram was sent to
- 16 Brother Nuon, the Office, and the Archives. It's document
- 17 D366/6.1.780 (sic).
- 18 We have telegram number 10 of the 18th of October 1976. This
- 19 telegram was sent to "Dear Beloved Brother" and a copy of that
- 20 document was sent to Brother Nuon, to the Office, and Archives,
- 21 and it is document D248/5.1.12.
- 22 [11.43.50]
- 23 Telegram number 3 of the 6th of November 1976 sent to Brother
- 24 Nuon, and that is document D252/2.2 (sic).
- 25 We have telegram number 22 of the 27th of September (sic), sent

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 to "Dear Comrade--" and was sent to Brother Nuon, the Office, and
- 2 Archives, document 366/7.1.785.
- 3 We have telegram number 33 of the 26th of November 1976, sent to
- 4 Office 870 to the "Beloved". A copy was sent to Brother Nuon, and
- 5 to Brother Khieu, to Office and the Archives.
- 6 We have the telegram of the 20th of May 1977, sent to the
- 7 "Respected and Beloved Office 870", and it is document IS 21.17.
- 8 In this document -- this telegram, reference is made to a series
- 9 of arrests in Division 920. Reference is also made to the name
- 10 Som and Chhin, who are "contemptuous", and a report is also sent
- 11 to Comrade San.
- 12 [11.45.23]
- 13 When you met Laing, Chhan, did you -- did he tell you that he was
- 14 in touch with Brother Nuon and other persons in Phnom Penh?
- 15 A. When Ta Laing was still in charge, I have -- I had no idea
- 16 where he would send the messages. I took office in 1978 only and
- 17 I have no knowledge of what had happened before that.
- 18 Q. For the record, I think I forgot to give the references of one
- 19 document, and this is telegram number 33, dated 26th of November
- 20 1976, addressed to "Office 870 Beloved". It is document
- 21 D366/7.1.786.
- 22 [11.46.41]
- 23 Mr. Sao Sarun, did you hear the names So Kim An alias Mey, Cham,
- 24 Phak, and Lork, who were members of Sector 105? Do these names
- 25 ring a bell to you?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. Yes, they did.
- 2 Q. Do you know what happened to those persons, what became of
- 3 them?
- 4 A. No, I don't. I don't know what happened to them.
- 5 Q. Well, let us go into another line of questioning regarding the
- 6 military structure, and in particular Division 920.
- 7 Do you remember the name of the secretary of Division 920 before
- 8 the person called San was appointed? Do you know who headed
- 9 Division 920?
- 10 A. No, I don't. I worked at the district.
- 11 Q. You were in charge of Pech Chenda district and if I am not
- 12 mistaken there were a number of soldiers from Division 920 who
- 13 were stationed in your district; is that correct?
- 14 [11.48.53]
- 15 A. As already testified before the Co Investigating Judges, yes,
- 16 it is correct.
- 17 Q. Does the name Men Meng, alias Chhin, ring a bell?
- 18 A. No, I don't know this person.
- 19 Q. Now, can you tell us who was the person who was the head of
- 20 Division 920 before the person called San was appointed?
- 21 A. No, I don't know.
- 22 Q. Did you hear anyone called the name Ea Cheu, alias Soy, alias
- 23 Say or alias Som? Could that person have been the assistant to
- 24 the secretary of Division 920?
- 25 [11.50.19]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. No, I don't know much about this because it was relevant to
- 2 the military section, which is not part of my business.
- 3 Q. Can you now tell us about San? Is that someone you met?
- 4 A. San was the head of the division.
- 5 O. Is San still alive?
- 6 A. No, he isn't. He's deceased.
- 7 Q. Is San related to Nhem San, who is referred to -- who was
- 8 referred to in the trial held in 1997, in which Pol Pot and a
- 9 number of persons were tried?
- 10 A. I don't know anything about Pol Pot's trial.
- 11 Q. Did you not reside in Anlong Veng?
- 12 A. Yes.
- 13 Q. And you never heard of the Pol Pot trial?
- 14 A. No, I haven't.
- 15 [11.52.58]
- 16 Q. Very well.
- 17 We have on record a number of documents regarding correspondences
- 18 between the chief of staff and Division 920, as well as telegrams
- 19 exchanged between Division 920 and a number of persons.
- 20 The first document having to do with relations between the
- 21 general staff and Division 920 is IS 13.40, and it is the minutes
- 22 of the meeting of Division 920, "Super Comrade Soy and Ren",
- 23 dated 16th of December 1976. In this document, we find
- 24 instructions on the manner in which enemies should be dealt with.
- 25 Regarding telegrams, we have a telegram which contains directives

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 from Brother Khieu, and it was drafted in 1976 and it was sent --
- 2 to Brother 89 (sic), Brother Som, Brother Nat -- and the
- 3 Archives", and it is document D288/5.1.11 (sic).
- 4 [11.54.19]
- 5 We also have telegram number 2 from -- of the 26th of November
- 6 1976, addressed by Chhin to the "Beloved Brother 89" and copied
- 7 to Brother 89, Brother 81, Brother Som, Brother Nat, Brother Ren,
- 8 and the Archives. This is document D248/5.1.8.
- 9 We have telegram number 11 of the 6th of April 1977, addressed by
- 10 San to "The Highly Respected and Beloved Brother 89". This
- 11 telegram was copied to Brother 89, Brother 81, to the Office, and
- 12 the Archives, and it is document D366/7.1.791.
- 13 In this document, there are two handwritten annotations that
- 14 state as follows: "To Angkar, for information purposes", and "To
- 15 the arrested".
- 16 We have telegram number 5 of the 9th of June 1977 -- to "Beloved
- 17 Brother 89, Son Sen" and copied to Brother 89, to the Office, and
- 18 Archives, and it is document D248/5.1.1.
- 19 [11.56.00]
- 20 Regarding your relations with San, Mr. Witness, unless I am
- 21 mistaken, you did acknowledge having held meetings with him and
- 22 you also indicated that during those meetings, San came with
- 23 lists of persons and it appears that those persons had to be
- 24 arrested.
- 25 Is this something you would confirm, and are you in a position to

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 provide further explanations on what San did?
- 2 A. With regard to the messages and how they were sent or whether
- 3 they were sent or not, I don't know because I was at the
- 4 district. I don't know anything about this.
- 5 [11.57.19]
- 6 Q. Witness, I don't think you understood my question. I wasn't
- 7 talking of messages, I was talking of meetings during which you
- 8 met San and during which San brought lists of persons who had to
- 9 be arrested.
- 10 Do you remember attending any meetings with San and do you recall
- 11 whether San brought lists of persons to be arrested?
- 12 A. There was a meeting; however, I have no knowledge of such list
- 13 being discussed in the meeting, the list of people to be arrested
- 14 because it was never been brought up.
- 15 Q. Very well.
- 16 Let us now talk of security centres. I'll put a few questions to
- 17 you very quickly.
- 18 We have spoken at length about Sophea. Is it correct to say that
- 19 Sophea was the head of the network of security centres for Sector
- 20 105 which included Phnom Kraol, K 11, K 17, and, possibly, other
- 21 centres? Is that the truth?
- 22 A. Yes, it is. And I also stated this before the Co Investigating
- 23 Judges.
- 24 Q. Was Sophea assisted by a person called Vieng, alias Kham?
- 25 A. No, Vieng was with the military section.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 [11.59.58]
- 2 Q. Can you tell us something about Sao Champi, alias Mang? Who
- 3 was Sao Champi, alias Mang?
- 4 A. Sao Champi, alias Mang; this is one person only.
- 5 Q. Who is this person relative to your position, Mr. Witness?
- 6 A. He is my younger sibling.
- 7 Q. Did you have any contact with him?
- 8 A. We had usual contact as siblings.
- 9 [12.01.10]
- 10 Q. What were his duties?
- 11 A. He was a member of a regiment.
- 12 Q. Allow me to read a passage from document D125/155. This has
- 13 already been admitted before the Chamber. It also bears the
- 14 reference number E3/506. The ERN in Khmer is 00239921(sic) to
- 15 00239947. ERNs in English are 00244484 (sic) to 00244493. The
- 16 ERNs in French are 00289937 to 00289940 (sic). Your brother
- 17 stated as follows with respect to his duties:
- 18 "From 1975 to 1979, I was responsible for one of the three
- 19 companies of the second battalion in Region 105. The leader of
- 20 that battalion was called Leng and he was arrested. Leng led a
- 21 company. Leng (phonetic) alias Kham (who died after 1979) Leng
- 22 (phonetic) and I were responsible for defending the border
- 23 region. Leng (phonetic) was positioned in Bu Sra, in the Chenda
- 24 district. I was assigned to Dou Reang (phonetic). And for our
- 25 daily work, I sometimes attended regional meetings that were held

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 in Kaoh Nheaek district, along with Kopheak (phonetic) and Leng
- 2 (phonetic). Later on, I also attended meeting with Sarun, Ta
- 3 Lork, Ta Ansy. And during those meetings, we talked about
- 4 Vietnamese enemies, we talked about the defense of the border
- 5 against Vietnamese invaders."
- 6 [12.03.54]
- 7 Mr. Witness, is this consistent with the facts at the time?
- 8 A. Yes, it is correct, but I do not know about a meeting with Ta
- 9 Laing. But as for the meeting that I attended, it is true as
- 10 such, that is to discuss about Vietnamese attack.
- 11 Q. Further on in the document, you're asked: "What did you know
- 12 about the detention centre at Phnom Kraol?"
- 13 Answer: "Leng was responsible for managing the prison. I do not
- 14 know who the -- Ta Leng's subordinates were. Ta Leng was from
- 15 Rattanakiri province. I observed that, under Ta Sophea's order
- 16 and following the report from the base, Ta Sophea would give
- 17 orders to Ta Leng personally or he probably issued an order by
- 18 letter or a messenger. I do not know Ta Sophea's messenger. I
- 19 never received any order to arrest or receive any prisoner. The
- 20 prison supervised by Ta Leng's company was located about 1
- 21 kilometre to the east of Phnom Kroal (phonetic). That prison was
- 22 constructed on the ground, with a thatch roof. I do not remember
- 23 the number of rows or buildings. Based on my memory, it was
- 24 surrounded by a wooden fence. I never entered into that prison
- 25 compound. I saw the prisoners bathing and doing labour such as

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 clearing the grass, sawing wood. The prisoners wore ordinary
- 2 clothes and they were men and women. There were no children
- 3 prisoners. The prisoners were probably shackled while they were
- 4 in the prison. I do not know about the category of prisoners, but
- 5 the arrestees were all those who had committed something wrong.
- 6 In each of their meetings, held about once a month, Leng, Sophea
- 7 -- and Leng is spelled L-e-n-g (sic) -- who is the secretary of
- 8 District 105, and Sarun. They often talked about the principles
- 9 of not making any contact with the Vietnamese or acting freely
- 10 (such as being less active in their work). And those who did were
- 11 considered enemies. Therefore, I observed that those prisoners
- 12 had probably violated the above principles."
- 13 [12.07.06]
- 14 Therefore, Mr. Witness, is what I just read to you consistent and
- 15 an accurate reflection of your memory?
- 16 A. I do not know about that matter or concerning about the
- 17 meeting of the number of prisoners. I was in the district, so I
- 18 was not aware of anything that happened in the sector.
- 19 MR. PRESIDENT:
- 20 Judge, do you still have a lot of questions left? How many more
- 21 questions do you still have?
- 22 JUDGE LAVERGNE:
- 23 I have one remaining question to ask the witness, Mr. President,
- 24 if you would be so obliging.
- 25 [12.08.05]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. PRESIDENT:
- 2 Yes, you can ask it now.
- 3 BY JUDGE LAVERGNE:
- 4 Q. I have a follow-up question regarding a telegram that you
- 5 confirmed as being the author. These are telegrams 54 and 55,
- 6 documents E3/941 and E3/498. These telegrams were sent and copied
- 7 to Uncle Nuon, Uncle Van, Uncle Vorn to the Office, and to
- 8 Documentation.
- 9 My question is very simple and straightforward: Mr. Witness, when
- 10 you were addressing a telegram to "Beloved Brother" -- since that
- 11 was the habitual salutation -- did you also send copies to Ieng
- 12 Sary -- Uncle Van -- Brother Number Two, Mr. Nuon Chea, Vorn Vet,
- 13 the Office, and Documentation? Were you aware of that?
- 14 [12.09.22]
- 15 MR. SAO SARUN:
- 16 A. It is like what I told the Co-Investigating Judges, I wrote
- 17 that too but I did not mention the names of, for example, Vorn
- 18 Vet; I only wrote to Pol Pot. I did write that.
- 19 JUDGE LAVERGNE:
- 20 Thank you very much.
- 21 I have no further questions to put to the witness, Mr. President.
- 22 MR. PRESIDENT:
- 23 Thank you.
- 24 We are a bit beyond the time. Before we take the break, the
- 25 Chamber wishes to ask witness Sao Sarun a bit on your health

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 condition. Do you think you can continue your testimony during
- 2 the afternoon session?
- 3 MR. SAO SARUN:
- 4 Yes, I can continue, Your Honours.
- 5 [12.10.31]
- 6 MR. PRESIDENT:
- 7 Thank you.
- 8 Yes, Defence Counsel for Mr. Nuon Chea, you may proceed.
- 9 MR. PAUW:
- 10 Thank you, Mr. President. My client, Mr. Nuon Chea, would like to
- 11 follow the proceedings from the holding cell this afternoon and
- 12 we have the waiver prepared.
- 13 MR. PRESIDENT:
- 14 It is now appropriate for us to adjourn for lunch break. We will
- 15 break until 1.30 in the afternoon.
- 16 Court officer is instructed to provide accommodation to Mr.
- 17 Witness and his duty counsel and return them by the time stated.
- 18 [12.11.39]
- 19 The Chamber has been seized with the request of Mr. Nuon Chea
- 20 made through his counsel to follow the proceedings during the
- 21 afternoon session by waiving his rights to be present in the
- 22 courtroom. Defence counsel has promised to submit the written
- 23 waiver with signature or thumbprints of the accused Nuon Chea.
- 24 The Accused asked to follow the proceedings from a holding cell
- 25 downstairs.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 By waiving his rights to be present in this courtroom, the
- 2 Chamber requires that the defence counsel submit the written
- 3 waiver with the Accused's thumbprint or signature to the Chamber
- 4 so that the accused person can follow the proceeding from the
- 5 holding cell downstairs remotely through audio-visual means.
- 6 [12.12.57]
- 7 Security guards are now instructed to take the two accused
- 8 persons to the holding cells downstairs, and to keep Mr. Nuon
- 9 Chea there for him to follow remotely, and to bring Mr. Khieu
- 10 Samphan to this courtroom by 1.30.
- 11 The Court is now adjourned.
- 12 THE GREFFIER:
- 13 All rise.
- 14 (Court recesses from 1213H to 13331H)
- 15 MR. PRESIDENT:
- 16 Please be seated. The Court is now back in session.
- 17 Now we would like to hand over to counsels for Mr. Nuon Chea to
- 18 proceed with the questions they would wish to put to the witness.
- 19 You may now proceed.
- 20 [13.32.41]
- 21 QUESTIONING BY MR. PAUW:
- 22 Thank you, Mr. President. Mr. Sao Sarun, good afternoon. I am
- 23 Jasper Pauw. I am the international counsel for Mr. Nuon Chea and
- 24 I have a number of questions for you this afternoon.
- 25 Q. And I would like to talk to you first about the 1970 to 1975

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 period, just like the OCP and the civil parties have done. And
- 2 you have told us, Mr. Sao Sarun, last week that at the time,
- 3 American bombardments took place. And I would like to ask you
- 4 some additional questions on that topic.
- 5 And my first question is: Did you personally witness American
- 6 bombings on Mondulkiri province?
- 7 MR. SAO SARUN
- 8 A. Yes, I did. The houses in the province were destroyed.
- 9 Q. And Mr. Sao Sarun, can you give an estimate as to for how many
- 10 years these bombardments continued?
- 11 A. The bombardments took place from 1970 to 1975. The bombers
- 12 included B-52.
- 13 [13.34.53]
- 14 Q. You've stated that the Americans bombed houses. You also last
- 15 week spoke about the bombing of pagodas. Do you remember speaking
- 16 about pagodas last week?
- 17 A. Yes, I do. The pagoda in Chi Mien (phonetic) village was
- 18 destroyed, and also other pagodas in the province were ruined.
- 19 Q. Did the Americans also bomb rice fields or rice paddies?
- 20 A. Yes, in some parts near the border, the plantations were hit
- 21 and my family member, 11 of them, were injured by the bombs.
- 22 Q. Did people die because of the American bombings in Mondulkiri?
- 23 A. Yes, some -- in some villages, only very few people left,
- 24 those who were not hit by the bombs -- very few. The other were
- 25 hit.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 [13.37.04]
- 2 Q. And just so I understand correctly, the people that were hit
- 3 by the American bombs, were they killed by the American bombs?
- 4 A. Yes, some died and some were injured.
- 5 Q. Do you know what happened with the bodies of the people that
- 6 died because of the American bombardments?
- 7 A. I talked to those who survived the bombings, and they said the
- 8 people who dead because of the bombings were buried.
- 9 Q. And do you know what happened to the people that were wounded
- 10 by the American bombings?
- 11 A. I don't know, and I think when the attacks were taking place,
- 12 a lot of people were evacuated. You know, they were taken away
- 13 with the troops that attacked Cambodia at that time. They were
- 14 moved to the Vietnam soil.
- 15 [13.39.02]
- 16 Q. Do I understand your answer correctly, Mr. Sao Sarun, that a
- 17 lot of people were evacuated to escape the bombings, or is that
- 18 an incorrect summary of your answer?
- 19 A. No, these people were not evacuated. They had to flee the
- 20 province. They flee for their lives and they had to run to the
- 21 countryside to avoid being bombed on.
- 22 Q. In your testimony last week, you used the term "carpet
- 23 bombing". Can you explain what you mean with the word "carpet
- 24 bombing"?
- 25 A. It is true that the bombs were dropped all across the location

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 because at -- on one occasion there would be three bombers
- 2 dropping bombs, days and night.
- 3 Q. You've spoken about the B-52s. Those are airplanes. Did you
- 4 ever see American helicopters or gunships in Mondulkiri?
- 5 A. Yes, I did see the helicopters, the very first helicopters
- 6 that also dropped bombs on -- to destroy villages and -- and
- 7 bridges.
- 8 [13.41.30]
- 9 Q. And you've seen American airplanes and you've seen American
- 10 helicopters. Have you also seen American soldiers in Mondolkiri
- 11 province?
- 12 A. I saw the airplanes and the American soldiers entered to the
- 13 -- village of Krang Teh. And since the -- the location is
- 14 adjacent to Kratie province and these troops approached the
- 15 vicinity.
- 16 Q. Mr. Sao Sarun, do you know why the Americans were bombing
- 17 Mondulkiri?
- 18 MR. PRESIDENT:
- 19 Witness, please hold on and await the objection by the
- 20 Co-Prosecutor.
- 21 Mr. Co-Prosecutor, you may now proceed.
- 22 [13.43.14]
- 23 MR. LYSAK:
- 24 Thank you, Mr. President. We'd object to the question as calling
- 25 for speculation from the witness unless counsel can establish

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 some foundation as to why this witness would have personal
- 2 knowledge of the motives or actions of the U.S. Government.
- 3 BY MR. PAUW:
- 4 Mr. President, I'm happy to rephrase the question.
- 5 Q. Mr. Sao Sarun, at the time in the 1970 to 1975 period, did
- 6 people talk about what they thought was the reason for the
- 7 American bombardments?
- 8 MR. SAO SARUN:
- 9 A. I do not understand the question guite well. Please repeat it.
- 10 Q. Mr. Sao Sarun, I understand you don't understand the question
- 11 well, so with permission of the President I will try to make it a
- 12 bit clearer for you by showing a document to you. It is document
- 13 D222/1.19. It is a DC-Cam publication, and it speaks about
- 14 Mondulkiri in the 1970s. And it contains a statement by a person
- 15 from Mondulkiri who was there at the time.
- 16 So, if I have permission from the President to show this document
- 17 on the screen-- The title of the document, to be complete, is
- 18 "Khmer Rouge Purges in the Mondulkiri Highlands". And the excerpt
- 19 I want to show is ERN 00397610.
- 20 [13.45.33]
- 21 MR. PRESIDENT:
- 22 First of all, please indicate whether the document has already
- 23 been put before the Chamber, and when, and in which particular
- 24 list of the proposed documents to be put before the Chamber would
- 25 you wish to refer to.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. PAUW:
- 2 Mr. President, as you know, our position is that we should be
- 3 able to use any document to impeach a witness, and especially a
- 4 document such as this DC-Cam publication.
- 5 MR. PRESIDENT:
- 6 You are supposed to follow the instruction concerning how to
- 7 impeach the witness, and you are now instructed to read the
- 8 instruction of the TC dated on the 24th of May 2012.
- 9 The documents that are not yet classified as E3 and documents
- 10 that have not yet been put before the Chamber shall not be
- 11 raised, and that only after Rule 87.4 of the Internal Rules is
- 12 fulfilled that document is allowed to be put before the Chamber
- 13 for the examination before the witness.
- 14 So the Chamber would like to refer you to these instructions on
- 15 the 24th of May 2012. Unless the condition is met, you will not
- 16 be allowed to talk about this.
- 17 [13.47.32]
- 18 MR. PAUW:
- 19 Mr. President, for the record, I think that would be a violation
- 20 of my client's right to effectively question this witness, but
- 21 this document is mentioned on the Prosecution's submission and
- 22 can be found in document number E109/4.19, and it's at number
- 23 176.
- 24 But again, we think this is redundant information, and what is
- 25 relevant is the actual document that we're talking about.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. PRESIDENT:
- 2 Mr. Co-Prosecutor, you may now proceed.
- 3 MR. LYSAK:
- 4 Yes, Mr. President. I can confirm that this is a document that we
- 5 had included in our annexes, so we would not object on that
- 6 basis.
- 7 Our only objection would be -- or our limitation would be that
- 8 the question be something that relates directly to the witness's
- 9 knowledge and that it not be used for him to speculate on
- 10 something that is outside his knowledge.
- 11 [13.48.50]
- 12 MR. PRESIDENT:
- 13 Indeed, the Chamber wishes to know that, if the document is not
- 14 yet classified as under E3, a party needs to establish the basis
- 15 for the document, whether it is -- the requirement is met. It
- doesn't matter it is in the annex or not.
- 17 The Chamber would like to make sure that parties give ground for
- 18 the submission of -- for putting the document now before they can
- 19 proceed to impeach or to put questions to the witness relating to
- 20 that document. You may proceed.
- 21 MR. PAUW:
- $\,$ 22 $\,$ Mr. President, thank you, but I am confused as to with what I $\,$
- 23 should proceed.
- 24 Should I provide reasons for relying on a document that has been
- 25 submitted by the OCP and that the OCP does not object to? Should

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 I file a request to have this admitted as new evidence even
- 2 though it -- this document comes from the Prosecution, or shall I
- 3 proceed with my questioning? Some quidance would be appreciated.
- 4 [13.50.18]
- 5 MR. PRESIDENT:
- 6 Indeed, you are allowed to proceed to put questions to the
- 7 witness because the Co-Prosecutor has already indicated that the
- 8 document falls within the annex that already submitted before the
- 9 Chamber and that you are asked to put questions relating to only
- 10 the part that this witness personally has the knowledge of.
- 11 BY MR. PAUW:
- 12 Thank you, Mr. President. I will then proceed, and with your
- 13 permission, if the document can be shown on the screen --
- 14 document with ERN 00397610.
- 15 Q. Is that, indeed-- And I will read the relevant excerpt for the
- 16 witness because the witness cannot read it himself -- and I quote
- 17 -- and again, this is a statement by a certain Prai, who is a
- 18 Phnong inhabitant of the Mondulkiri province at the time. I quote
- 19 his statement:
- 20 [13.51.29]
- 21 "The bombing first started in the late 1960s. The Americans came
- 22 to take action in Cambodia, to fight the Vietnamese and the Viet
- 23 Cong, not the people [of Cambodia]. This was because there were
- 24 people from Cambodia and from Vietnam who had contacted the
- 25 Americans. Lon Nol made that request in order to oppose Sihanouk.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Then, the bombs were dropped every day; the sky became dark with
- 2 the helicopters. There [were many helicopters there] were many
- 3 helicopter qunships and B-52s dropping bombs. When the
- 4 helicopters fired, I was at O Pol in Dak Dam sub-district. The
- 5 firing also hit Tuol Svay, Phou Lu, Poun Ron, La Mik, and Lumpak.
- 6 These areas now have huge craters."
- 7 And a bit further down, on the same page, his statement continues
- 8 -- and I will read:
- 9 [13.52.30]
- 10 "One time my children and my wife were running away from a
- 11 helicopter approaching and firing. They had been grinding rice. I
- 12 knew it was American soldiers because they came to my village.
- 13 The helicopters landed on the mountains, in the fields,
- 14 everywhere. I did not understand the American language. I looked
- 15 at the faces of the Americans and the Lon Nol soldiers -- I was
- 16 already afraid. At that time the Viet Cong were with the Sihanouk
- 17 [forces], and Lon Nol was with the Americans. Lon Nol asked the
- 18 Americans to bomb places in Cambodia. I was angry with those who
- 19 encouraged the bombing and those Americans. They mistakenly hit
- 20 houses, cows, and chickens." End of quote.
- 21 [13.53.21]
- 22 So my question to you, Mr. Sao Sarun is: At the time during the
- 23 American bombings, did you hear that Lon Nol had made the request
- 24 to bomb Mondulkiri in the way that the Americans did?
- 25 MR. SAO SARUN:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. No, I didn't. I only saw the bombers, the helicopters dropping
- 2 bombs in Mondulkiri. And these bombs were dropped days and
- 3 nights. People had to take refuge in forests. And in the thick
- 4 forests, people could not afford to take refuge in those forests,
- 5 although they thought they would give them protection. But the
- 6 deep -- the thicker the forests were, the more bombings would be
- 7 dropped. And at night, whenever there was any place there were
- 8 light, then the bombs would be targeted at -- on those locations
- 9 immediately.
- 10 [13.54.55]
- 11 Q. Did you hear people talk at the time as to the possible
- 12 reasons for the Americans to bomb Cambodia?
- 13 A. No, I did not. I only saw the bombs being dropped.
- 14 Q. Thank you, Mr. Sao Sarun.
- 15 I will move on to a next topic, and that topic is a meeting that
- 16 you had in Phnom Penh about 10 days after the liberation of Phnom
- 17 Penh in April 1975. Do you remember answering questions with
- 18 regard to this meeting earlier this week and last week?
- 19 A. As I stated before the Co-Investigating Judges, I think the
- 20 statement is clear and I have already confirmed this to the
- 21 prosecutors as well.
- 22 [13.56.38]
- 23 Q. Yes, Mr. Sao Sarun, that's exactly what I want to talk about.
- 24 Do you remember this meeting that took place about 10 days after
- 25 the liberation of Phnom Penh in 1975?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. Yes, I do still remember after the liberation of 1975, the
- 2 meeting was convened and I attended it.
- 3 Q. Do you remember, Mr. Sarun, who the speakers were at that
- 4 meeting?
- 5 A. It was Pol Pot.
- 6 Q. And was there any other speaker than Pol Pot, as far as you
- 7 can remember?
- 8 A. So far as I remember, there was no other person other than Pol
- 9 Pot himself.
- 10 Q. Last week, when you were questioned by the OCP on this
- 11 meeting, you said the following, and I would like to quote from
- 12 the transcripts that can be found on -- at page 32 of the draft
- 13 transcript in English version and page 27 in the Khmer version of
- 14 the transcripts, and this is on Day 70 of trial. And I will quote
- 15 what you said during that session. The Prosecution asked you --
- 16 and I quote: "Can you tell us who the speakers were at this
- 17 meeting?"
- 18 And your answer is: "I saw Pol Pot who was the presenter at the
- 19 time."
- 20 The Prosecution then asked: "Who in addition to Pol Pot made
- 21 presentations at this meeting?"
- 22 And your answer was: "I did not see other presenters, I only saw
- 23 just him."
- 24 Do you confirm the truthfulness of this statement?
- 25 A. Yes, I do.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 [13.59.45]
- 2 Q. Thank you, Mr. Sao Sarun.
- 3 Then I would like to ask some questions about another meeting you
- 4 had in Phnom Penh, and this meeting took place a few months after
- 5 Laing's death. And you have testified about this meeting before
- 6 the Co-Investigating Judges.
- 7 And to save time, with permission of the President, I will just
- 8 read out from his statement before the Co-Investigating Judges.
- 9 It's document E3/367, English ERN 00278696 and Khmer ERN
- 10 00251439.
- 11 Do I have permission to simply read from the document, Mr.
- 12 President?
- 13 MR. PRESIDENT:
- 14 You may proceed.
- 15 BY MR. PAUW:
- 16 Q. In the document -- in that statement, Mr. Sao Sarun, you state
- 17 that:
- 18 "About two or three months after the death of Laing and Kham
- 19 Phoun, I received a telegram from Pol Pot calling [the cadres] to
- 20 a meeting. In its contents, six cadres including Ta Vieng, Ta
- 21 Lork, Ta Kim, Ta Lan, Ta Sophea and myself were called to go to a
- 22 meeting in Phnom Penh." End of quote.
- 23 Do you remember going to that meeting in Phnom Penh, Mr. Sao
- 24 Sarun?
- 25 [14.01.37]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. SAO SARUN:
- 2 A. Yes, I do. I was called to attend the meeting.
- 3 Q. Do you recall, Mr. Sao Sarun, who was present at that meeting?
- 4 A. There were many people. They were from all provinces, from all
- 5 divisions. That was in 1978. It was a congress meeting.
- 6 Q. And to be sure that we are speaking about the same meeting, is
- 7 that the meeting that took place a few months after the death of
- 8 Laing and Kham Phoun?
- 9 A. Yes, it is as I already answered before the Investigating
- 10 Judges.
- 11 [14.03.01]
- 12 Q. Do you know -- do you remember which leaders attended that
- 13 conference?
- 14 A. I knew that they were the leaders because they were called on
- 15 to the stage.
- 16 Q. Do you remember the names of any of the leaders that were
- 17 present at that meeting?
- 18 A. I knew them because they were called on.
- 19 Q. And do you now remember the names of the leaders that were
- 20 present?
- 21 A. I knew their names through the leaders as well.
- 22 Q. Do you now, today, remember the names of those leaders, Mr.
- 23 Sao Sarun?
- 24 A. They were Pol Pot, Mr. Nuon Chea, Mr. Ieng Sary. Those were
- 25 people who were called on to the stage.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Q. I think that there may be a slight confusion as to which
- 2 meeting we are talking about, so I may revisit this issue a
- 3 little bit later. But I thank you for your answers on this topic
- 4 for now.
- 5 Another topic I would like to address is-- The Prosecution and
- 6 the civil parties have spoken about the telegrams that were sent
- 7 between you and the Centre in Phnom Penh. Do you recall answering
- 8 questions about that in the past week?
- 9 A. I already told that to the Co-Prosecutors.
- 10 [14.06.32]
- 11 Q. Very well. And do you remember from whom in the Centre you
- 12 would receive telegrams?
- 13 A. I received telegrams from Pol Pot.
- 14 Q. In your testimony last week, which was on Day 71 -- and I
- 15 would like to again quote the transcripts, and the transcript is
- 16 page 20 for the English version and page 17 for the Khmer
- 17 version. And I would like to quote your responses to a question
- 18 by the prosecutor.
- 19 So the prosecutor asked you: "When you received responses with
- 20 instructions, who was it that would send those responses?"
- 21 And your answer is: "The instructions was -- the instruction was
- 22 given through the telegram."
- 23 The Prosecution asks: "Do you remember, though, who it was, which
- 24 persons sent you telegrams, sent you instructions in response to
- 25 telegrams that you had sent?"

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 And your answer was: "That's -- I did not know them. I only knew
- 2 people who assisted me in the telegram office."
- 3 [14.08.22]
- 4 Do you, today, confirm the truthfulness of these statements that
- 5 you made last week?
- 6 A. Yes, I do. That answer is accurate, as I already told the
- 7 prosecutors.
- 8 Q. Thank you.
- 9 Moving on to a next topic for now, Mr. Sao Sarun, the prosecutor
- 10 asked you whether you are perhaps reluctant to testify against
- 11 the Accused. And you have stated that you are not reluctant to
- 12 testify against the Accused. Mr. Sao Sarun, are you perhaps
- 13 reluctant to testify about your own role during the DK regime?
- 14 A. No, I am not. I answered to the Co-Prosecutors on the basis of
- 15 what I know.
- 16 [14.10.14]
- 17 Q. I would like to read from a document. It's the same document
- 18 that we discussed earlier. It's the DC-Cam publication "Khmer
- 19 Rouge Purges in the Mondulkiri Highlands". It's document number
- 20 D222/1.19, and it's on ERN 00397654. And I would like to display
- 21 this on the screen to ask the witness some questions regarding
- 22 this document.
- 23 (Judges deliberate)
- 24 [14.12.36]
- 25 MR. PRESIDENT:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 International Counsel for Mr. Nuon Chea, is document D222/1.19
- 2 available in English, Khmer, and French?
- 3 MR. PAUW:
- 4 No, it's not, Mr. President. I trust, however, that it's not a
- 5 problem, considering that I can read it to the witness and it can
- 6 be conveniently translated into the other languages. It's a
- 7 document that we relied upon before -- in fact, 20 minutes ago.
- 8 The Prosecution does not object, and it's relevant; it relates
- 9 directly to the role of Mr. Sao Sarun.
- 10 And I note that the civil parties also relied on documents that
- 11 were not translated into all languages, so I hope we can proceed
- 12 and that I don't need to resort to summarizing the document. I
- 13 think it will be much -- a much more pleasant experience if we
- 14 can just read from this document and ask questions based on this
- 15 document that is not controversial in any way, I repeat.
- 16 [14.14.01]
- 17 MR. PRESIDENT:
- 18 Counsel, you seem -- you do not seem to answer my question. My
- 19 question was simply that whether the document is available in
- 20 Khmer and French. You were not supposed to explain to us.
- 21 My question, again, is: Is document D222/1.19 available in either
- 22 Khmer or French? This is my question again.
- 23 MR. PAUW:
- 24 I think I can answer that I -- as far as I know, it's not
- 25 translated in Khmer or French. We have not found it on the case

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 file, but again, the Prosecution has submitted this document for
- 2 your consideration at an earlier stage, so I do hope I can rely
- 3 on this document.
- 4 [14.15.08]
- 5 MR. PRESIDENT:
- 6 That was the special case, but you needed to answer to my
- 7 question first.
- 8 You are allowed to extract some short portion of the document so
- 9 that it -- the portions can be easily translated and can be used
- 10 as the basis of your questions to this witness.
- 11 MR. PAUW:
- 12 Thank you, Mr. President, for that explanation. Forgive me if I'm
- 13 not trusting enough on these matters. I will, indeed, proceed to
- 14 shortly or briefly quote from this document. And again, I would
- 15 like ERN page number 00397654 to be put on the screen. And--
- 16 MR. PRESIDENT:
- 17 You may proceed.
- 18 [14.16.19]
- 19 BY MR. PAUW:
- 20 Q. The -- it starts on page 80, which is -- I correct, it's ERN
- 21 653, rather than 654. But there the document starts -- and I
- 22 quote-- Mr. Sao Sarun, please pay attention because I'm going to
- ask you a question on this excerpt. I quote the document:
- 24 "With Horm's death, Sarun, an ethnic Lao, became secretary of
- 25 Region 105. The conflict between Kham Phoun and Horm and the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 installation of Sarun as region secretary led to the imposition
- 2 of stricter rules in the region and coincided with the period of
- 3 the greatest number of deaths."
- 4 And then, under the heading "Flood of Killings", this document
- 5 states -- and I quote:
- 6 "Many informants mark the beginning of the most radical changes
- 7 in Mondulkiri to late 1977 and 1978, when Sarun took power."
- 8 [14.17.32]
- 9 And the last section I will read to you, Mr. Sarun, is just below
- 10 that, and it is a quote from a witness at DC-Cam, and he stated:
- 11 "After Sarun became the region secretary, they arrested people
- 12 every day -- four or five people a day. The chief of the
- 13 cooperative tried to intimidate the people to work harder by
- 14 telling them Sarun was going to kill the lazy people." End of
- 15 quote.
- 16 My question to you, Mr. Sarun: Can you confirm what is stated in
- 17 this document -- and that is, that your tenure as sector
- 18 secretary coincided with the period of the greatest number of
- 19 deaths?
- 20 [14.18.36]
- 21 MR. SAO SARUN:
- 22 A. My answer to this is that this matter is not correct. Those
- 23 who reported this exaggerated the facts. I never saw or knew the
- 24 killings of the people. I deny this statement.
- 25 Q. Mr. Sarun, this excerpt leads me to ask you: Were you more

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 active than your predecessor, Laing, in ordering executions of
- 2 local villagers?
- 3 A. No, I was not. When I took power, it last only for two months.
- 4 I was not a strong man who arrested the people. I reject what was
- 5 read out just now. It was accusing me incorrectly.
- 6 Q. Thank you, Mr. Sarun.
- 7 A scholar -- excuse me. A scholar of the Khmer Rouge regime, a
- 8 Mr. Steve Heder, has written an article about the role of lower
- 9 level or mid-level cadres in the DK -- during the DK regime. And
- 10 in this article, he states -- and I quote:
- 11 "In practice, the most important level on both the chain of
- 12 command and the hierarchy of delegated and discretionary
- 13 authority appears generally to have been the districts -- the
- 14 districts, making district Party Secretaries key figures in
- 15 responsibility for killings nationwide."
- 16 [14.21.03]
- 17 My question, Mr. Sao Sarun, is the following. Based on Mr.
- 18 Heder's research, he concludes that district secretaries were key
- 19 figures in responsibility for killings nationwide because they
- 20 had discretionary authority. You, Mr. Sao Sarun, were a district
- 21 secretary. Do you agree with this finding by Mr. Steve Heder?
- 22 A. I do not know about what happened throughout the country. I do
- 23 not agree with that because my district was different from other
- 24 district.
- 25 Q. Thank you. Mr. Heder, in that same article, also states that

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- "most prisoners" "most prisoners were, sooner or later,
- 2 executed on the authority of the district itself".
- 3 Was that your experience in your district? Did most people get
- 4 executed on the authority of the district itself?
- 5 A. My answer this is that, within my district, no one was
- 6 arrested as prisoner.
- 7 Q. Mr. Sao Sarun, did you report to the leaders in Phnom Penh
- 8 about any killings that took place in your district when you were
- 9 district secretary?
- 10 [14.23.23]
- 11 A. No, I did not. I never reported on any killings or arrests of
- 12 the people.
- 13 Q. Mr. Sarun, did you report to the leaders in Phnom Penh about
- 14 any killings that took place in your sector when you were leader
- 15 of the sector?
- 16 A. After I came to power in the district, I never reported on
- 17 killings or arrests of the people.
- 18 Q. Thank you, then.
- 19 I would like to ask some other questions related to that, but I
- 20 am at the mercy of the Trial Chamber in this endeavour because I
- 21 would like to confront the witness with the statements of Trial
- 22 Chamber Witness 307.
- 23 The Trial Chamber Witness 307 has given two statements that are
- 24 relevant to the issues that Mr. Sao Sarun is speaking about. His
- 25 statements are -- lie within the knowledge of what Mr. Sarun

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 could know, and it would be conducive to ascertaining the truth
- 2 to confront Mr. Sao Sarun with these statements.
- 3 [14.25.17]
- 4 The Prosecution -- we've seen it last week -- has used several
- 5 statements of other witnesses. These witnesses were not going to
- 6 be called as Trial Chamber witnesses, but we have seen that such
- 7 a method of questioning can elicit very useful information.
- 8 Mr. Sao Sarun can confirm or deny the information that's
- 9 contained in these statements, but either way, we will be further
- 10 informed if we use these statements.
- 11 I will, of course, continue to refer to this witness under his
- 12 pseudonym, but I do think it would be the most effective way to
- 13 proceed, because if we have to wait for this witness to appear in
- 14 Court, by then we will never be able to confront Mr. Sao Sarun
- 15 with what this witness has stated.
- 16 So I am at your mercy. I think it's highly relevant to confront
- 17 the witness with these statements, and I await for your position
- 18 on this matter.
- 19 (Judges deliberate)
- 20 [14.28.25]
- 21 MR. PRESIDENT:
- 22 The Chamber has been seized with the request of the defence
- 23 counsel for Mr. Nuon Chea, who requests that the written
- 24 testimony of TCW 307 be used to question this witness. Does any
- 25 other party at the proceeding would wish to respond to this?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. LYSAK:
- 2 Mr. President, the Court has previously stated a ruling that --
- 3 pardon me, I'll continue my -- translator went out, but I'll
- 4 continue with my statement. The Court has previously ruled that
- 5 only statements of witnesses who will not testify can be used.
- 6 The reasoning of that is known to the Trial Chamber.
- 7 Our view is that we do not have any objection if the Trial
- 8 Chamber feels it's appropriate, and in particular if the passage
- 9 directly relates to something within the witness's knowledge and
- 10 that the witness who will be coming is not identified. If all of
- 11 those things are satisfied, we would not object to it, but it is
- 12 at your discretion, as you have previously stated a ruling
- 13 related to the use of statements of witnesses who will appear.
- 14 [14.30.43]
- 15 MS. SIMONNEAU-FORT:
- 16 Mr. President, as far as we are concerned, we have no objections
- 17 either, given the fact that all parties enjoy the same rights
- 18 subsequently. That is all I have to say.
- 19 MR. PRESIDENT:
- 20 The request is appropriate, and there is no objection from
- 21 parties.
- 22 Counsel for Nuon Chea is allowed to refer to the content of the
- 23 statement of TCW-307. However, this witness's pseudonym shall be
- 24 used instead of the real name.
- 25 MR. PAUW:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Thank you, Mr. President.
- 2 I would gladly proceed, but regarding these statements, I have a
- 3 number of questions. I am looking at the clock. I'm happy to pose
- 4 them now or after the break, as you wish.
- 5 (Judges deliberate)
- 6 [14.32.56]
- 7 MR. PRESIDENT:
- 8 Counsel, are you sure that the document you're about to put to
- 9 the witness is confidential enough that the names of the witness
- 10 would not be revealed when it is put up on the screen? Could you
- 11 assure that? Has it been redacted already?
- 12 MR. PAUW:
- 13 Mr. President, thank you for raising the point. That's actually
- 14 one of the issues I would like to address. I think it would be
- 15 better to safequard the confidentiality if I simply read from the
- 16 excerpts that I would like the witness to respond to. All the
- 17 parties have access to this document, so they can all check that
- 18 I'm doing so in an accurate way. And in that way, we don't have
- 19 to worry about revealing confidential information. That's the way
- 20 I would propose to proceed.
- 21 [14.34.14]
- 22 MR. PRESIDENT:
- 23 You may proceed, then.
- 24 BY MR. PAUW:
- 25 Thank you, Mr. President.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 So I will not ask to have the statement put up on the screen, but
- 2 the statement that I'm referring to is D200/4 or also known as
- 3 E3/57; and English ERN is 00290508, and Khmer ERN is 00287705.
- 4 And I apologize; I don't have the French ERN.
- 5 [14.35.08]
- 6 Q. In this statement, Mr. Sarun, Witness 307 is asked a question
- 7 about Sector 105 -- and I quote the question, and this is a
- 8 question that is posed by the Investigating Judges, to be clear:
- 9 Question: "Did you know about any killing that took place in your
- 10 Sector?"
- 11 And then the partial answer is: "...during Ta Sarun" "during the
- 12 Ta Sarun era, the arrests of the whole families were made, but I
- 13 don't know where those families were taken to be killed."
- 14 Mr. Sao Sarun, do you remember that during your reign, arrests of
- 15 entire families were made?
- 16 MR. SAO SARUN:
- 17 A. No, no whole family member would ever be arrested. I think the
- 18 person who stated this must be exaggerating, because we never
- 19 made any arrest of any villager to be executed.
- 20 [14.37.01]
- 21 Q. And then, a bit further down on the same document, the same
- 22 witness is asked the following question: "Which sectors did they
- 23 bring the prisoners from?"
- 24 And the answer is:
- 25 "The prisoners were brought in from districts within Sector 105.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 The majority of the prisoners, who had been arrested and put in
- 2 the security office, were accused of practicing black magic and
- 3 incantation (witchcraft). Some soldiers were arrested and put
- 4 there also."
- 5 Mr. Sao Sarun, do you remember that during your reign in the
- 6 sector, those -- that was the reason for the majority of the
- 7 prisoners to be placed in detention, and I am referring to
- 8 practising black magic and witchcraft?
- 9 [14.38.23]
- 10 A. I think we never arrested people who believed to have been
- 11 practising black magic or witchcraft. I was told to -- not to do
- 12 that.
- 13 Q. And that's my -- then I will have one last question on this
- 14 topic, and it's the same document-Oh! No, excuse me, it is
- 15 document E3/58, ERN 00250088, and Khmer ERN 00239936. And here
- 16 Witness 307 states the following -- and I quote:
- 17 "Those who were brought for re-education in Phnom Kraol Dam
- 18 Security Office included those who broke disciplines, committed
- 19 immoral offence, stealing/robbery and work evasion. In each case,
- 20 the offender had to prepare a biography. The Centre never made
- 21 any order to the K-17 office for any arrest."
- 22 Is that your experience, Mr. Sao Sarun, that the Centre never
- 23 made any order to the K-17 office for any arrest?
- 24 A. No, it isn't. No arrest was made. As long as it was made in
- 25 the official announcement, people would not dare arrest others.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 [14.40.36]
- 2 MR. PRESIDENT:
- 3 Thank you, Counsel.
- 4 Since it is now an appropriate time for adjournment, the Chamber
- 5 will adjourn until 3 o'clock.
- 6 Court officer is now instructed to ensure that duty counsel for
- 7 the witness and witness be taken care of during the break.
- 8 (Court recesses from 1440H to 1501H)
- 9 MR. PRESIDENT:
- 10 Please be seated. The Court is now in session.
- 11 The floor will be given to defence counsel for Mr. Nuon Chea to
- 12 continue questioning this witness.
- 13 However, before we proceed with the Defence questions, the
- 14 Chamber would like to ask--
- 15 Counsel Pauw, please stand up.
- 16 Counsel, the article that you referred to -- the one that was
- 17 written by Steve Heder -- before we broke, could you tell the
- 18 Court whether that document is in the case file or whether it is
- 19 in any list of the proposed documents of any parties? And what is
- 20 the title of that document?
- 21 MR. PAUW:
- 22 Thank you, Mr. President. The Steve Heder article is on the
- 23 shared material drive. The -- I could have provided you with the
- 24 ERN numbers, but one of your legal officers came earlier and -- I
- 25 seem to now have misplaced it after I discussed the document with

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 her. But the document is called -- and I speak from my mind --
- 2 "Reassessing the Role of the Senior Leaders of Democratic
- 3 Kampuchea". And perhaps I can -- I would be able to, after this
- 4 Court session, provide you with the exact ERNs.
- 5 And we have submitted it as part of an earlier application. So it
- 6 should also have an E document number as part of that
- 7 application, but I am -- again, would not be able to provide you
- 8 with that at this point in time.
- 9 [15.04.50]
- 10 Again, we simply referenced it because it's in the public domain
- 11 and it's relevant to the current proceeding. So we don't want to
- 12 rely on it in any way, shape or form apart from impeaching this
- 13 witness.
- 14 I hope this information suffices.
- 15 [15.05.15]
- 16 MR. PRESIDENT:
- 17 Mr. Jasper Pauw, you haven't answered my question yet.
- 18 Is the document on the case file of Case 002 or is it in any list
- 19 of documents proposed by any parties? This is my question,
- 20 Counsel. You should have answered my question straightforward.
- 21 MR. PAUW:
- I was under the impression that I was answering your question ${\bf r}$
- 23 straightforward, Your Honour.
- 24 This document is on the shared material drive, where it can be
- 25 found. We have relied upon it in the past, and as far as I know

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 -- well, let me phrase it this way: I don't know if it's on any
- 2 document list submitted by the other parties.
- 3 MR. PRESIDENT:
- 4 Thank you.
- 5 Now, International Co-Prosecutor, you may proceed.
- 6 MR. LYSAK:
- 7 Thank you, Mr. President. I can't tell you for sure because
- 8 counsel hasn't provided us with exact information, but there is
- 9 at least excerpts of what I think is this article, an article by
- 10 Steve Heder entitled "Reassessing the Role of Senior Leaders and
- 11 Local Officials in Democratic Kampuchea Crimes" that was included
- 12 on our annex and is in the case file as D366/7.1.828.
- 13 [15.07.04]
- 14 What I can't tell for sure is whether the entire article is
- 15 included in the case file or just portions, but I can confirm
- 16 that portions at least of this article are on the case file and
- 17 were on our list.
- 18 MR. PRESIDENT:
- 19 Thank you for information from the Co-Prosecutor.
- 20 [15.07.36]
- 21 Counsel Pauw, the Chamber reminds you once again, as the Chamber
- 22 has been reminding your defence team several times, that you
- 23 should follow the instructions regarding the request to refer to
- 24 documents to be used to confront with witnesses or civil parties.
- 25 Counsel should first indicate whether the document has been put

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 before the Chamber or whether the document can be found in the
- 2 list of the proposed documents of any party.
- 3 Secondly, counsel should identify the document number, the title
- 4 of the document, and ERN numbers in two or three languages. Other
- 5 parties have been following this instruction properly, and we
- 6 have been doing this for more than 70 days ago. So we should not
- 7 have any problem of this kind, and you are reminded to follow
- 8 such instructions.
- 9 You may now proceed with your questions to this witness, Counsel.
- 10 [15.09.12]
- 11 MR. PAUW:
- 12 Mr. President, just asking for a clarification, am I to
- 13 understand that we are not allowed to quote from scholarly
- 14 articles that are -- that can be found in the public domain
- 15 without wanting to rely on them for any evidentiary purposes?
- 16 This is, again, a scholarly article by a well-respected scholar
- 17 that has worked for the OCIJ and for the OCP.
- 18 We can -- I can access this document in any library that has this
- 19 particular book, and I am not sure why we should not be allowed
- 20 to at least refer to this document in statements.
- 21 I didn't show the document to the witness. I'm just conveying
- 22 information that is out there in the public domain and that is
- 23 relevant to this witness.
- 24 If we are not even allowed to do that, it becomes a somewhat
- 25 surreal exercise, and I would like some guidance on this issue.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 And I remind you that, again, we have already referenced this
- 2 document during the questioning of an earlier witness and that
- 3 proved to be no problem whatsoever.
- 4 So that practice that you referenced of 70 days of following this
- 5 procedure is at least not very consistent.
- 6 So some quidance on this issue would be appreciated.
- 7 And I do think that if we are not even allowed to quote scholarly
- 8 works that are available in the public domain, there's not much
- 9 role left for any defence team here.
- 10 I would like some guidance.
- 11 [15.10.58]
- 12 MR. PRESIDENT:
- 13 Yes, International Co-Prosecutor, you may proceed.
- 14 MR. LYSAK:
- 15 Yes, Mr. President, I would like to quickly respond to that.
- 16 I find that comment inappropriate, given that he was allowed to
- 17 use this. The point here is one of notice; it's of notifying the
- 18 parties in advance of the documents that are intended to be used.
- 19 Counsel should have informed the parties of the identity of the
- 20 document he was using, so we all could review that ahead of time.
- 21 Furthermore, while I have no problem with counsel making
- 22 references to this analysis, I fail to see why it was necessary
- 23 in questioning this witness. This witness is not a scholar on
- 24 this subject. It would have been simply sufficient for him to ask
- 25 the question: Who had authority to order arrests and executions;

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 district level, sector level or the Centre?
- 2 So I fail to see how counsel has in any way been obstructed from
- 3 conducting an examination. This is simply a matter of him
- 4 providing notice to the parties of the documents he intends to
- 5 use.
- 6 [15.12.17]
- 7 MR. PAUW:
- 8 Mr. President, if I may briefly respond. If that's the only issue
- 9 as far as the Prosecution is concerned, we agree if we -- we
- 10 would be more than willing to provide adequate notice of
- 11 documents such as the one I used before, if we are actually
- 12 allowed to use them to ask -- to ask this witness questions
- 13 relating to that document. So I think there's no disagreement
- 14 between the Prosecution and us.
- 15 But I understood your ruling to mean something else as that; in
- 16 the future, we will not be allowed to use documents such as this
- one. If that's the case, I think my request for guidance stands.
- 18 So it's in your hands.
- 19 (Judges deliberate)
- 20 [15.14.54]
- 21 MR. PRESIDENT:
- 22 I now hand over to Judge Lavergne to address the matter raised by
- 23 defence counsel for Mr. Nuon Chea.
- 24 [15.15.15]
- 25 JUDGE LAVERGNE:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Thank you, President.
- 2 First and foremost, as an introductory comment, the Chamber has
- 3 observed that it is most regretful to spend so much time to be
- 4 reminding parties of the rules that apply to all present.
- 5 That one would want to use documents during the proceedings but
- 6 wouldn't tell that the document is admitted into the proceedings,
- 7 the Chamber has come to several decisions on this matter and they
- 8 apply to all, including the Nuon Chea defence team. I believe
- 9 that it is timely for you to realize that you are obliged to
- 10 abide by the rules that have been made explicit by the Chamber.
- 11 Now, with respect to documents that fall within the public realm,
- 12 written by a university researcher or scholar, may contain
- 13 interesting information, but that does not make such a document
- 14 exempt from the rules, all parties would want to be informed in
- 15 advance of documents that serve as a basis for questioning of a
- 16 witness. This is a minimum. It is up to the Chamber to decide
- 17 whether or not such a document is new, if a document should or
- 18 should not be admitted into the proceedings. The Chamber is to
- 19 decide whether the document is relevant or if it should help in
- 20 ascertaining the truth. It would be most appreciated for you to
- 21 deploy a minimum amount of effort and execute this task.
- 22 [15.17.14]
- 23 We are using much valuable time to be discussing such matters. I
- 24 hope that this makes issues clear for all.
- 25 MR. PRESIDENT:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Thank you, Judge Lavergne.
- 2 And I would like to add that the documents that the parties have
- 3 placed in the interface cannot be used interchangeably to fulfil
- 4 Internal Rule 87.4. Rule 87.4 is the rule that governs the use of
- 5 documents in the Trial Chamber.
- 6 Regarding the information to be provided to relevant parties in
- 7 advance, is something that we should do in order to facilitate
- 8 the procedure $\operatorname{\mathsf{--}}$ that is, to expedite the proceeding. So I hope
- 9 that parties are not mistaken with this.
- 10 [15.18.44]
- 11 Parties cannot understand it that parties have fulfilled the
- 12 requirements when they place the document in the interface.
- 13 Instead, parties need to follow what has been prescribed by
- 14 Internal Rule 87.4 together with Internal Rule 87.3 regarding
- 15 evidence.
- 16 Counsel may continue his questioning now.
- 17 MR. PAUW:
- 18 Thank you, Mr. President. And I agree we are spending too much
- 19 time on these issues and I will not revisit our arguments. I will
- 20 just state for the record that, if we are in possession of
- 21 exculpatory documents, it is our duty as defence counsel to try
- 22 to use that to impeach a witness. And we have no other choice.
- 23 This is our duty as defence counsel, and--
- 24 I'll leave it at that for this moment because I think, indeed,
- 25 continuing this hearing or this questioning of the witness is

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 more important at this stage.
- 2 [15.20.02]
- 3 So, with your permission, Mr. President, I would like to continue
- 4 and ask Mr. Sao Sarun a few more questions. I think I should be
- 5 able to finish this before the end of today's hearing.
- 6 And first of all, I would like to revisit one meeting that we
- 7 discussed before the break because, as I indicated at the time, I
- 8 thought there might be some confusion as to which meeting we
- 9 speak about.
- 10 BY MR. PAUW:
- 11 Q. So, Mr. Sao Sarun, I want to ask you a question about a
- 12 meeting you had in Phnom Penh. And you have stated before the
- 13 Co-Investigating Judges, in document E3/367 -- you have stated
- 14 the following -- and I quote:
- 15 "About two or three months after the death of Laing and Kham
- 16 Phoun, I received a telegram from Pol Pot calling [the cadres] to
- 17 a meeting. In its contents, six cadres including Ta Vieng, Ta
- 18 Lork, Ta Kim, Ta Lan, Ta Sophea and myself were called to go to a
- 19 meeting in Phnom Penh. The one who received and decoded the
- 20 telegram for me was San, who died after 1979."
- 21 Just to be absolutely sure, do you remember that meeting in Phnom
- 22 Penh, Mr. Sao Sarun -- so the meeting that took place two to
- 23 three months after Laing and Kham Phoun were killed?
- 24 [15.22.06]
- 25 MR. SAO SARUN:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 A. I maintain what I told the Investigating Judges and the
- 2 Co-Prosecutors. I have said that clearly.
- 3 Q. Thank you. When you were asked about this meeting by the
- 4 Co-Prosecutors on Day 71, which is last week, on page 52 of the
- 5 English transcript and page 43 of the Khmer transcript, you
- 6 stated the following.
- 7 The Prosecution asked you: "And when you got to Phnom Penh, who
- 8 did you meet with there?"
- 9 And your answer was: "We met with Pol Pot."
- 10 [15.23.01]
- 11 The Prosecution then asked you: "Do you recall meeting with other
- 12 leaders in addition to Pol Pot?"
- 13 And your answer was: "I didn't meet with any other leaders."
- 14 Mr. Sao Sarun, do you, today, confirm the truthfulness of this
- 15 statement?
- 16 MR. PRESIDENT:
- 17 Witness, please wait for the decision by the Chamber on the
- 18 prosecutor's objection.
- 19 International Co-Prosecutor, you may proceed.
- 20 MR. LYSAK:
- 21 Thank you, Mr. President. Our objection here is that counsel is,
- 22 as he did before, somewhat misstating the evidence here, as he is
- 23 leading out -- leaving out from what he has read the subsequent
- 24 part of the transcript where the witness -- excuse me, where the
- 25 witness's recollection was refreshed. By doing that, I think he's

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 misleading and misstating the prior testimony, but the record
- 2 will reflect that he has left out the relevant correction of the
- 3 witness's testimony later on.
- 4 [15.24.31]
- 5 MR. PAUW:
- 6 Mr. President, if I may respond to that? The Prosecution is right
- 7 that I -- is correct that I leave out the later parts where the
- 8 memory of the witness has been refreshed, but I don't think
- 9 that's inappropriate. To the contrary, I think that's the essence
- 10 of what we have to deal with today. We are trying to establish
- 11 what the witness actually remembers; what the witness remembers
- 12 today, what the witness remembered last week, and what the
- 13 witness remembered three years ago or four years ago, when these
- 14 original statements were made. It is particularly interesting to
- 15 hear what the witness has to say in response to this question,
- 16 simply because we cannot assume that his statements before the
- 17 Investigating Judges was -- were the correct ones.
- 18 [15.25.28]
- 19 We need to test -- we need to verify how he found these answers,
- 20 how he came to these memories, and I think that is particularly
- 21 important with this witness because this witness has demonstrated
- 22 time and again that he does not remember certain things. He has
- 23 made absolutely contradictory statements in his testimony, over
- 24 the last week, that may be due to memory loss; that may be due to
- 25 other reasons we don't know, but it is important to establish it

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 for the record.
- 2 What the Prosecution did last week was the same methods.
- 3 Prosecution asked time and again to have him simply confirm the
- 4 truthfulness of earlier statements before the Co-Investigating
- 5 Judges.
- 6 I am asking this witness to confirm the truthfulness of a
- 7 statement he made last week, under oath, before your Trial
- 8 Chamber. It's in the records. He states -- I quote: "I did not
- 9 meet with any other leaders." I did not make that up; it's in the
- 10 record.
- 11 So, again, I would suggest that this question be allowed.
- 12 MR. PRESIDENT:
- 13 You're not supposed to make any further reply.
- 14 (Judges deliberate)
- 15 [15.27.07]
- 16 MR. PRESIDENT:
- 17 The witness does not have to answer the question last asked by
- 18 defence counsel for Mr. Nuon Chea, because it was repetitive.
- 19 MR. PAUW:
- 20 I'm not sure how it was repetitive. I remember the OCP asking
- 21 about 17 times last -- over the past few week, whether the
- 22 statements he made before the Co-Investigating Judges were
- 23 truthful, even though he had stated at the beginning of this
- 24 testimony that they--
- 25 [15.28.24]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 MR. PRESIDENT:
- 2 You are supposed to continue with another question. You are not
- 3 allowed to use the time for any commentary. Otherwise, the time
- 4 is wasted. If you do not have any further questions, please
- 5 inform the Chamber as such so that the Chamber can hand the floor
- 6 to other party.
- 7 MR. PAUW:
- 8 Thank you, Mr. President. I will inform the Chamber as soon as I
- 9 don't have any further questions.
- 10 I do have further questions, and they relate to some telegrams
- 11 that were sent by you, Mr. Sao Sarun or, I apologize, I will
- 12 ask you certain questions about telegrams that have been
- 13 discussed with you by the OCP.
- 14 And the first telegram I would like to discuss with you is
- document number D201/5.3; English ERN is 00361189, and the Khmer
- 16 ERN is 00020993.
- 17 And with the permission of the President, I would like to show
- 18 this document on the screen, and it's called "Telegram 46".
- 19 [15.29.58]
- 20 MR. PRESIDENT:
- 21 You may proceed.
- 22 BY MR. PAUW:
- 23 Q. It is a telegram that has been discussed before, and it's
- 24 addressed to -- to respected M-870, and it relates to the
- 25 incidence with a boat that caught fire. Do you remember the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 telegram that we are speaking about, Mr. Sao Sarun?
- 2 MR. SAO SARUN:
- 3 A. Yes, I already indicated before the Co-Investigating Judges
- 4 and I think that's all.
- 5 Q. In this telegram, it's written -- and I quote:
- 6 "The measures of the sector:
- 7 "1. Arrest the two men;
- 8 "2. Arrest contemptible Lean; according to the examination, there
- 9 had been the assignment from Lean."
- 10 And then, it follows below that: "Carry out the arrest of these
- 11 men today, the 9th."
- 12 [15.31.30]
- 13 If I read this telegram, Mr. Sarun, it seems that the sector
- 14 itself had already decided to arrest the two men without awaiting
- 15 orders from the Centre; is that a correct reading of the facts?
- 16 A. No, it isn't. I didn't say anything like that.
- 17 Q. Thank you.
- 18 I look at the clock, and I will move on to the next telegram,
- 19 which is telegram 54, that I would like to show on the screen,
- 20 with your permission, Mr. President. It's English ERN 00296220,
- 21 Khmer ERN 0012027.
- 22 And this telegram, Mr. Sarun, relates to Comrade Sot; we have
- 23 discussed -- or the Prosecution has discussed this telegram with
- 24 you. And the telegram reads:
- 25 "The issue of the situation inside the Party: Comrade Sot,

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Chairman of the repair factory, has committed immoral acts with a
- 2 woman. Now the arrests have been made: both the man and the woman
- 3 have been arrested."
- 4 [15.33.18]
- 5 Mr. Sarun, if I read this telegram, it suggests that the lower
- 6 level had the authority to arrest persons for minor infractions;
- 7 is that correct?
- 8 A. No, it isn't. With regard to the person by the name of Sot, I
- 9 already made it clear before the Co-Investigating -- rather,
- 10 before the Co-Prosecutors yesterday.
- 11 Q. I am almost finished with my part of your questioning, Mr. Sao
- 12 Sarun, but the Prosecution, last -- last week, asked you whether
- 13 the DK leaders had discussed or allowed the rebuilding of the
- 14 destroyed pagodas in Mondulkiri.
- 15 My question to you is: Mr. Sarun, to your knowledge, has -- has
- 16 the American Government ever offered to reconstruct or rebuild
- 17 those pagodas that were destroyed by their bombardments?
- 18 A. I think I stated about this already to the Co-Prosecutors.
- 19 [15.35.34]
- 20 MR. PAUW:
- 21 I have no further questions, Mr. President. Maybe my colleague,
- 22 Mr. Son Arun, has any follow-up questions? No.
- 23 So the Nuon Chea defence team is ready with its questioning, but
- 24 it does have a request related to this witness. So is this a good
- 25 moment to formulate that request? And it's really a short request

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 that would be appropriate to be made in this hearing because it
- 2 relates directly to the memory and the sources of knowledge to --
- 3 of Mr. Sarun and the possible fallibility of his memory. It would
- 4 be a two-minute submission.
- 5 MR. PRESIDENT:
- 6 You're not allowed to do that. The Chamber has already reminded
- 7 you time and again on this.
- 8 [15.36.45]
- 9 MR. PAUW:
- 10 Mr. President, please correct me if I'm wrong, but I -- my
- 11 understanding was that if it relates to the questioning of the
- 12 witness, it can be done in Court. And I think it's only right for
- 13 the public to know our concerns on the issue of the credibility
- 14 of this witness rather than relegating this to a written
- 15 submission.
- 16 So, considering that it's directly related to this witness, am I
- 17 allowed to make that two-minute submission?
- 18 MR. PRESIDENT:
- 19 No, you are not allowed to do that. You may now be referred to
- 20 Internal Rules, Rule 92, concerning the closing statement. So
- 21 your request falls within the ambit of Internal Rule 92
- 22 concerning the written submission. The parties may, up until the
- 23 closing statement, make written submissions.
- 24 Next, we would like to proceed to counsels for Mr. Khieu Samphan
- 25 if they would wish to put questions to the witness. You may now

- 1 proceed.
- 2 QUESTIONING BY MR. VERCKEN:
- 3 Thank you, Mr. President. Yes, I have some questions for the
- 4 witness and I believe I should be able to ask all of them before
- 5 the end of today's hearing.
- 6 [15.39.19]
- 7 Q. Witness, we have on record four telegrams signed by you. These
- 8 telegrams have been read out to you during your testimony, and
- 9 you did not challenge them.
- 10 The first telegram is dated 1st of January 1978 and the reference
- 11 is E3/248 and it is sent to "Brother 870, highly esteemed and
- 12 beloved". Who is the addressee of this telegram?
- 13 MR. SAO SARUN:
- 14 A. This telegram was sent to Pol Pot as referred to 870.
- 15 Q. The second telegram is dated 9th of April 1978; the reference
- 16 is 201/5.3. It is sent "To Office 870, highly respected" -- end
- 17 of quote. To whom is this telegram addressed?
- 18 A. It was sent to the same person, Pol Pot.
- 19 [15.41.23]
- 20 Q. The third telegram, dated the 23rd of April 1978, reference
- 21 E3/155 is addressed "To the Esteemed Brother" -- end of quote. I
- 22 put the same question to you: Who is the addressee of this
- 23 telegram?
- 24 A. It was sent to Pol Pot.
- 25 Q. And, lastly -- fourth and last telegram, D201/6.2, dated 24th

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- of April 1978, addressed "To the esteemed Bong" -- end of quote.
- 2 Who is this telegram addressed to?
- 3 A. The same person was, indeed, the recipient of the telegram.
- 4 Q. Witness, I take it, therefore, that in spite of the different
- 5 forms of politeness used in these telegrams, all the four
- 6 telegrams were addressed to Pol Pot; isn't that the case?
- 7 A. Yes.
- 8 [15.43.16]
- 9 Q. You said on several occasions over the past few days that,
- 10 when you were secretary of the regions in Sector 105, you
- 11 addressed your telegrams to Pol Pot.
- 12 My question to you is: Who asked you to act in that manner?
- 13 A. The order was rendered from him and I had to report to him.
- 14 Q. Can you be more specific as to the person you are talking of?
- 15 A. As indicated, I reported to Pol Pot; the only person to whom I
- 16 reported.
- 17 Q. And he is, indeed, the person who asked you to do so; isn't
- 18 that correct?
- 19 A. Yes, that was part of the order and I had to do according to
- 20 what I was instructed. I had to report on a daily basis.
- 21 [15.45.09]
- 22 Q. And did Pol Pot explain to you why that decision was taken?
- 23 A. I don't know anything about the decision. What kind of
- 24 decision you're referring to?
- 25 Q. Did Pol Pot explain to you why it was desirable that you

- 1 address the telegrams to him and not to anyone else?
- 2 A. He was the head and I had to report to him on whatever
- 3 situation; even there was nothing to report on, I had to do that
- 4 on a regular basis.
- 5 Q. Witness, I would now like to read out to you an extract of the
- 6 statement you gave to the OCIJ Investigators. That statement was
- 7 given on the 17th of December 2008 and it has been cited on
- 8 several occasions during your testimony, under reference number
- 9 E3/367. And I would like to read out to you the audio transcript
- 10 of that testimony -- that statement. It is a cassette recording
- 11 of the discussion you had with OCIJ Investigators. I requested
- 12 this transcript a few days ago and the Chamber had it done by its
- 13 services. The reference is D125/367 (sic) -- it's E3/367. I'll
- 14 read a passage on page 5 of your statement of the 17th of
- 15 December 2008.
- 16 Question by the Investigator: "Did you happen to receive
- 17 telegrams from Khieu Samphan?"
- 18 [15.48.18]
- 19 And your answer was as follows: "I beg your pardon?"
- 20 Question by the Investigator: "Did you happen to receive
- 21 telegrams from Khieu Samphan or Ieng Sary regarding economic
- 22 affairs? Did you receive telegrams from Khieu Samphan?
- 23 Answer by you: "No, never."
- 24 Question: "You did not receive any?"
- 25 Answer: "No, but I only saw him only when I went to Phnom Penh

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 and when I had to discuss economic affairs with him."
- 2 [15.49.05]
- 3 Question: "Where did you meet him; you never talked to me about
- 4 that? And when did you meet him?"
- 5 Answer: "At the time of the meeting."
- 6 Question: "During an assembly?"
- 7 And you answered as follows: "Yes, that was at the end of the
- 8 assembly."
- 9 Question: "But you told me that most of the time, it was Nuon
- 10 Chea who spoke during assemblies and never Khieu Samphan."
- 11 Answer: "No, during assemblies or the opening of training
- 12 sessions, Khieu Samphan never spoke."
- 13 Question: "So you spoke to him outside of the assembly?"
- 14 Answer: "Yes, we discussed economic affairs."
- 15 Question: "Did you speak to him outside of the meeting, for
- 16 instance, during meals?"
- 17 Answer: "That's it; during meals, we had discussions."
- 18 Investigator: "I'll, therefore, note 'during meals'."
- 19 Answer from you: "That is correct."
- 20 [15.50.33]
- 21 Question: "Did you hold conversations with him outside of the
- 22 meeting?"
- 23 Answer: "Yes, when I deemed it necessary to ask for something
- 24 from him or to give him a list of points relating to economic
- 25 affairs."

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 I will stop quoting your statement here, Witness.
- 2 Tell me, do you recall on how many occasions you had informal
- 3 occasions with Khieu Samphan on economic affairs? How often did
- 4 that happen? Are you in a position to tell us so today?
- 5 A. It was on one occasion only.
- 6 Q. And on that occasion, did you give Mr. Khieu Samphan a list
- 7 relating to economic affairs?
- 8 A. No, I didn't. We only discussed about crops growing and the
- 9 meeting was conducted. Actually, I met him after meals.
- 10 [15.52.34]
- 11 Q. And did you give Mr. Khieu Samphan a list on any other
- 12 occasion regarding economic affairs?
- 13 A. No, I didn't. I did not give any list to him.
- 14 Q. So, to be absolutely sure I have understood you, Witness, does
- 15 it mean that you were wrong when you answered the investigator's
- 16 question on that 2nd of December 2000 and -- on that 17th of
- 17 December 2008?
- 18 A. I think after having been seriously ill I may have confused --
- 19 misunderstood something, so please forgive me for that.
- 20 Q. You do not have to crave my indulgence, Witness. I just want
- 21 you to tell me, when you say you were ill, you are talking of the
- 22 period when you were interviewed by the OCIJ investigators; is
- 23 that when you went wrong or you are referring to what you said
- 24 today?
- 25 A. I had been sick before I gave interviews to the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 73 Case No. 002/19-09-2007-ECCC/TC 12/06/2012

- 1 Co-Investigating Judges; that's why my memory is not very good. I
- 2 forget a lot this day.
- 3 Q. Very well. And your testimony today is that you did not give
- 4 Mr. Khieu Samphan any list relating to economic affairs; is that
- 5 correct?
- 6 A. Yes, it is.
- 7 [15.55.29]
- 8 MR. VERCKEN:
- 9 I have no further questions for the witness, Mr. President.
- 10 MR. PRESIDENT:
- 11 Thank you, Counsel.
- 12 And we have very little time left. However, the Chamber would
- 13 like to proceed to counsels for Mr. Ieng Sary to see how much
- 14 time they would like to ask witness -- questions to this witness.
- 15 MR. ANG UDOM:
- 16 My sincere respects to venerable monks, and Mr. President, Your
- 17 Honours, and my fellow colleagues, and everyone in and around the
- 18 courtroom. Mr. Sao Sarun, good afternoon. I am Ang Udom and on
- 19 the right-hand side is my colleague, Mr. Michael Karnavas. We are
- 20 representing Mr. Ieng Sary. We do not have any questions to put
- 21 to you. However, we really thank you very much for your time
- 22 giving your testimonies before this Chamber.
- 23 [15.56.50]
- 24 MR. PRESIDENT:

- 2 Mr. Sao Sarun, the hearing of your testimony concerning Case File
- 3 002 has come to an end. The Chamber would like to thank you very
- 4 much, indeed, for giving up much of your time to respond to
- 5 questions even though you are of a senior age and that your
- 6 health is not very good, but you've been cooperating very well.
- 7 The Chamber would like to say that we do not need to question you
- 8 again on this and you may be dismissed.
- 9 The hearing today comes to an end, and the Chamber will adjourn
- 10 now. And the next session will be resumed by tomorrow, at 9 a.m.,
- 11 in which TCW-488 will be heard.

- 16 [15.58.55]
- 17 Security personnel are now instructed to bring all the three
- 18 accused persons to the detention facility and have them returned
- 19 to the courtroom by 9 a.m., except Mr. Ieng Sary; if he shows his
- 20 position clearly that he waives his right to be present in the
