D5/1025	13-VSS-00251	UTH Rathana	អ៊ុត រ៉ាថនា		The Applicant described the following: enslavement and OIA at various locations; murder of her father and uncle's family in Siem Reap Province. While it is recognised that these are traumatising events, they do not relate to any matter which would permit the admission of the Applicant to be joined as a civil party, as they fall outside of the territorial scope of the Case File.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/1091	13-VSS-00073	CHEN Savey	ជិន សាវ៉ៃ		The Applicant described being ordered to carry out hard labour from 1975 onwards, including at Trapeang Thma Dam. However, her identification document, confirmed in the information entered in her VIF, state that she was born in 1974 and was thus an infant in 1975. While this is traumatising, these inconsistencies make it impossible to deduce that it is more likely than not to be true that she suffered as a consequence of one of the crimes charged.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/1128	13-VSS-00147	NHOEK Yun	ញ៉ុក យ៉ុន		The Applicant's VIF and Supplementary Information are contradictory. The Applicant was not sent to Chamkar Khnol Security Centre. He was a RAK soldier throughout DK. While he witnessed various crimes and numerous members of his family died during the Regime, it is not established that it is more likely than not to be true that the Applicant suffered as a result of one of the crimes charged.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/1267	13-VSS-00429	SDEUNG Mach	ស៊ីង មាច		Enslavement of Applicant and OIA (Preak Norint Commune, Aek Phnom District) Battambang and Pailin provinces, throughout DK; murder Applicant's aunt and her family, his uncle and his family, and his cousin in Kirirum (probably in Banan District) (no clear timeframe and exact location). Because of the insufficiency of the details provided by the Applicant through his lawyers, it is not possible for the ICJ to be satisfied that it is more likely than not to be true that he suffered harm as a result of one of the crimes charged.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/1357	13-VSS-00542	CHHIM Sampoeung	ឈឹម សំពៀង		The factual account provided by the Applicant is word for word the same as for Applicants D5/1359, D5/1361 and D5/1631. While it is not impossible that these Applicants went through the same events at the same time, the complete lack of personalization of the application is disconcerting and make it hard to be satisfied from these accounts that it is more likely than not to be true that they suffered harm as a result of one of the crimes charged.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/1359	13-VSS-00545	MLIS Kimchhat	ម៉ី. គឹមឆាត		The factual account provided by the Applicant is word for word the same as for Applicants D5/1357, D5/1361 and D5/1631. While it is not impossible that these Applicants went through the same events at the same time, the complete lack of personalization of the application is disconcerting and make it hard to be satisfied from these accounts that it is more likely than not to be true that they suffered harm as a result of one of the crimes charged.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/1361	13-VSS-00548	KHVEK Pach	ក្សេក ប៉ាច		The factual account provided by the Applicant is word for word the same as for Applicants D5/1357, D5/1359 and D5/1631. While it is not impossible that these Applicants went through the same events at the same time, the complete lack of personalization of the application is disconcerting and make it hard to be satisfied from these accounts that it is more likely than not to be true that they suffered harm as a result of one of the crimes charged.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/1503	13-VSS-00085	KHUT Khonh	យុត ខុញ		According to her identifying information, the Applicant was born in 1974, and was thus a toddler throughout DK. However, he described being forced to work hard on a daily basis. The Applicant also mentions that his parent worked at Trapeang Thma Dam, but fails to mention the timeframe. He also fails to provide sufficient information about the deaths of his grandparents and uncles.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/1631	13-VSS-00543	PIK Ocup	ប៊ុក អៀប		The factual account provided by the Applicant is word for word the same as for Applicants D5/1357, D5/1359 and D5/1631. While it is not impossible that these Applicants went through the same events at the same time, the complete lack of personalization of the application is disconcerting and make it hard to be satisfied from these accounts that it is more likely than not to be true that they suffered harm as a result of one of the crimes charged.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly

Disappearances of several Khmer Krom relatives in 1975. The VIF and supplementary information do not contain enough detail on the time frame to establish that it is more likely than not to be true that the Applicant suffered as a consequence of one of the crimes charged.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly	
D5/886	13-VSS-00057	MOUK Samay	មុ សាម៉ៃ		In the identifying information of the Applicant state that she was born in 1982, after DK. This cannot be reconciled with the accounts provided in the VIF and accompanying documents.	Banteay Meanchey	បន្ទាយមានជ័យ	Chet Vanly
