

Regarding Krauch ក្រូច
Combatant, [Bad] Elements Unit កងសម្រទ្រព្យ, Division 502

Responses: Pot Chhân ពិត ឆន alias Vanna វណ្ណា Combatant, Division 502

1. Pot Chhân ពិត ឆន alias Vanna វណ្ណា did not explain the history of the activities of Krauch ក្រូច.
2. Krauch ក្រូច is a combatant in the [Bad] Elements Unit កងសម្រទ្រព្យ, and is a person with the idea to run off to Thailand following the instructions of Kha ខា. A former company level cadre, he was later removed by Angkar to the [Bad] Elements Unit to be a combatant. Kha ខា is a member of the masses, a traitor of Pot Chhân ពិត ឆន alias Vanna វណ្ណា. He arranged for Kha ខា to gather up combatants who were dissatisfied with the revolution to join together in the journey to flee to Thailand.

This journey was unsuccessful because Angkar arrested Pot Chhân ពិត ឆន alias Vanna វណ្ណា, the “confessor.” Now Krauch ក្រូច is still in the [Bad] Elements Unit កងសម្រទ្រព្យ of the 502nd Division.
