

"Submit to PON.

(1) Summarize as usual.

(2) Withdraw the name of brother Chhien, region 22, brother Mon and brother Soe. In principle, brother number II has advised on 25 February 1978 that the names of brother Soe (region 23), brother Mon (sector 203), Soth (region 21), Chhien (region 22), Tat + Sokh (Division 170), and Tal (Division 290) must be withdrawn, if they appear in this confession.

(3) After typing, highlight the names of those who have already been arrested.

With revolutionary respect, DUCH."
