Dear Missed Committee 870

I would like to report to *Angkar* - On 27.3.78, at 4 p.m., soldiers in Sector 41 detained two combatants named Chhân (ឆន) and Ri (រី) at Unit 512 of the air force, who were dressed in grey-kaki colour and had a motorcycle.

According their confession, these two combatants aimed to travel to repair airplanes at Veun Sai Airport (ព្រលានវ៉ែនសៃ) in Kratie province.

The reason of the detention was because they had neither any travel permit nor identification document. These two combatants said that they used to travel without any letter. When the soldiers saw that, they got attention and decided to arrest them right away.

After being arrested, these combatants complained that they were in a hurry and insisted *Angkar* to solve the problem as soon as possible.

The substance of this letter, I copy from Comrade An's (អាន) letter in Sector 41 to *Angkar*.

For the above-mentioned issue, *Angkar*, please ask Comrade Mēt (ម៉ែត). Are there such reported names? If so, please inform by communicating with Comrade An to receive these combatants.

If not, *Angkar*, please inform back.

Happiness and Victory

With warm revolutionary fraternity
