

Telegram No. 2

To Beloved and Missed Brother Nuon

1. We have already received your telegram. We are quite interested in the substance of the telegram.
2. We have assigned a commerce group for Phnom Penh. Comrade Chuon (ជួន) has received them.
3. As for broken communication radio, it has now been repaired; it is thus kept for use. The new one has not been used yet. It is kept as it is.

With warmest revolutionary regards,

12 October 1976
