Presented to beloved and respected Angkar,

On 23 June [19]77 at 7 a.m., the security unit stationed at Prey Kri (ប្រៃគ្រី) cooperative, Kampong Luong (កំពង់ឈ្នួង) district, Kampong Chhnang (កំពង់ឆ្នាំង) sector arrested 24 people, including one woman, at Phnom Khla (ភ្នំខ្លា) area.

1. Through [their] confessions, [they] were from Khvav (ខ្វាវ) village, Prey Chhor (ប្រៃច័រ), Kampong Cham province attempting to flee to meet with *contemptible* Chan Raingsei (អាចន្ទរង្សី) at Kulen (គូលែន) mountain.
2. They were supervised by three people: KHĂN Tatak (ខាន់តាតៈ), Khvav (ខ្វាវ) village cooperative committee in charge of transporting rice to support guerrillas at Teuk Chha (ទឹកគា) with *contemptible* Set (អាសិត), the deputy-secretary and *contemptible* Yem (អាយ៉ែម) and *contemptible* Khân (អាខន) were also their supervisors.
3. Actually, there were 32 people fleeing but they went to different directions. Only 24 people were arrested.
4. They had been fleeing for 120 days. Therefore, *Angkar* is requested to communicate with North Zone to check whether there were people fleeing and what kind of measures *Angkar* will take.

With warmest revolutionary fraternity
