LETTER

TO: Judges of the Trial Chamber

FROM: Civil Party Lead Co-Lawyers

CC: Ken ROBERTS, Senior Legal Officer, Trial Chamber

SUBJECT: **Lead Co-Lawyers Response to E305/7/1 “Direction to Civil Party Lead Co-Lawyers to Provide Additional Information concerning requested Protective Measures.”**

1. On 9 May 2014 and following indications from Civil Party Lawyers, the Civil Party Lead Co-Lawyers identified one Civil Party (TCCP-19) for whom protective measures were sought in a separate and strictly confidential annex submitted to the Trial Chamber.¹ However, after further consultation with Civil Party Lawyers, the Lead Co-Lawyers hereby inform the Trial Chamber that there it is no longer necessary to extended protective measures to the above listed civil party, as she no longer fears for her safety.
2. Therefore, we submit this request to rescind the request for protective measures for TCCP-19 in Case 002/02.
