Trial Chamber finds Accused Nuon Chea and Khieu Samphan fit to stand trial

The Trial Chamber of the Extraordinary Chambers in the Courts of Cambodia assigned two medical experts to examine the accused Nuon Chea and Khieu Samphan in order to determine whether they remain fit to stand trial in Case 002/02.

The experts examined Nuon Chea and Khieu Samphan on 29 January 2018. Following review of the expert medical reports, the Trial Chamber issued decisions affirming that both accused remain fit to stand trial and do not suffer from any mental or physical impairment which would prohibit their continued participation in Case 002/02.

The Trial Chamber took note of the experts' recommendation to have regular cognitive tests on a quarterly basis of the accused.
